Swimming in the Steno Pool: A Retro Guide to Making It in the Office Lynn Peril 2011-04-25 Feed your boss's ego. Dress for success. And don't let your heels trip you up on the corporate ladder. Millions of women have held the position of secretary, alternately lauded as a breakthrough opportunity and excoriated as dead-end busy work. From the female pioneers who infiltrated Capitol Hill offices during the Civil War to today's tech-savvy administrative assistants, secretaries have withstood criticism for abandoning their rightful sphere (the home), weathered the dubious advice of secretarial guide-books, taken hits from feminists and antifeminists alike, and demanded the right to resist making coffee—all while making their bosses look good. In *Swimming in the Steno Pool*, author-secretary Lynn Peril profiles the various incarnations of the secretary, from pliable, sexy mate of the "office husband" to postfeminist executive-in-training, drawing inspiration from a wide range of "femorabilia" and secretarial guidebooks of yesteryear. Featuring an array of fabulous illustrations promoting office equipment

and office girls alike, Peril delivers a feisty, witty celebration of the women who've been running the show for decades.

Secretary or General? Simon Chesterman 2007-01-29 The Secretary-General of the United Nations is a unique figure in world politics. At once civil servant, the world's diplomat, lackey of the UN Security Council, and commander-in-chief of up to a hundred thousand peacekeepers, he or she depends on states for both the legitimacy and resources that enable the United Nations to function. The tension between these roles - of being secretary or general - has challenged every incumbent. This book brings together the insights of senior UN staff, diplomats and scholars to examine the normative and political factors that shape this unique office with particular emphasis on how it has evolved in response to changing circumstances such as globalization and the onset of the 'war on terror'. The difficulties experienced by each Secretary-General reflect the profound ambivalence of states towards entrusting their security, interests or resources to an intergovernmental body.
