**A Walk in the Woods** Lee Blessing 2012-09-24 Set in the midst of the Cold War, Lee Blessing's powerful and startling play dramatises a stand-off between U.S. and Soviet arms negotiators as they battle for supremacy. Full of tension and humour A Walk in the Woods shows how the relationship between the two experts evolves as they stroll in the woods above Geneva, away from the glare of the negotiating table. But will this escape lead to a true breakthrough or just more posturing? In this revised version of the play, originally performed at Northern Stage, Vermont, and directed by Nicholas Kent, a woman plays the role of the U.S. negotiator. Opened at The Tricycle Theatre 12th October- 12th November 2011.

**Jumpers** Tom Stoppard 2011-05-16 Tom Stoppard's play "Jumpers" is both a high-spirited comedy and a serious attempt to debate the existence of a moral absolute, of metaphysical reality, of God. Michael Billington in "The Guardian" described the play succinctly: "The new Radical Liberal Party has made the ex-Minister of Agriculture Archbishop of Canterbury, British astronauts are scrapping with each other on the moon, and spritely academics steal about London by night indulging in murderous gymnastics: this is the kind of manic, futuristic, topsy-turvy world in which Stoppard's dazzling new play is set. And if I add that the influences apparently include Wittgenstein, Magritte, the Goons, Robert Dhery, Joe Orton, and The Avengers, you will have some idea of the heady brew Stoppard has here concocted." The protagonist include an aging Professor Of Moral Philosophy -- trying to compose a lecture on "Man -- Good, Bad or Indifferent" -- while ignoring a corpse in the next room; his beautiful young wife, an ex-musical comedy Queen, lasciviously entertaining his university boss down the hall; her husband's specially trained hare, Thumpers; and a chorus of gymnasts, Jumpers.

Escape from Happiness George F. Walker 1992 Escape from Happiness takes place in the kitchen of an old, slightly rundown house in a not-so-classy section of a large city. It's home to Nora, a good-natured, slow-moving, fairly batty middle-aged woman; her daughter Gail, who is tough, sensible, and a little high-strung; Gail's husband Junior, an affable but rather dim fellow. Also living here is Tom, who is dying of some unspecified disease; Tom is, according to Nora, a stranger who looks exactly like (and coincidentally has the same name as) her husband, who deserted the family ten years ago after trying to burn down the house.

**Evening at the Talk House (TCG Edition)** Wallace Shawn 2017-03-21 "Wallace Shawn is up to his old tricks again: pricking the conscience of right-on, left-leaning theatergoers. No one does that better than this impish, idiosyncratic polymath, who, at seventy-two, still comes across as precocious—probably because we resent him flagging our complacent complicity in all the world's ills."—Variety "The play stops, but has no ending. It is for us to try to answer its bleak questions, to see what it might mean to be undeluded."—The Guardian Gathering around a table at the Talk House, an old haunt, a group of friends and theatre artists reunite after ten years to reminisce and catch-up on each other's lives. At first, the conversation is fairly run-of-the-mill: current TV shows and where their careers have taken them. Eventually, the discussion's tone takes a turn when they mention supplementing their incomes through the government-led program to enlist unemployed artists for drone strikes and carrying out violent attacks on foreign land. As is typical of Shawn's plays, the premise at once amuses and unsettles, forcing the viewer to wonder whether being too idle makes all of us complicit in the world's ongoing destruction. Wallace Shawn is a noted actor and writer. His often politically-charged and controversial plays include *The Fever*, *Aunt Dan and Lemon*, *Marie and Bruce*, and *The Designated Mourner*. With Andre' Gregory, he co-wrote *My Dinner*

with Andre', in which he also starred. He adapted the classic Ibsen play *A Master Builder* for film.

**I Hate Hamlet** Paul Rudnick 1992 THE STORY: Andrew Rally seems to have it all: celebrity and acclaim from his starring role in a hit television series; a rich, beautiful girlfriend; a glamorous, devoted agent; the perfect New York apartment; and the chance to play Hamlet in Centra

*The Dead Boy* Joe Pintauro 2019-03-04 A much-beloved Roman Catholic priest is suddenly thrust into the midst of a scandal. THE DEAD BOY is a story of longing and taboo. "Whether you see the play as a loss of innocence, an abuse of power or an ill fated love story, THE DEAD BOY is a modern-day gothic drama, every bit as tragic and sensational as the headlines about the Catholic church." Marlene Canty, Asbury Park Press "When the boy, only symbolically dead, stands up, stares at heaven to look god in the eye, and swears he'll never do what he's about to do, then goes ahead and does it, the earth stands still. But when the boy cuts his throat, noiselessly, with an invisible blade, the world stood still again, and even god was appalled. THE DEAD BOY is one of the best experiences I've ever had in a theater." Mark Howell, Solares Hill Weekly (Key West) "More than I could have expected from all aspects of this emotionally startling and passionately performed play." Dan Johnson, redbank.com

*Waiting for Lefty* Clifford Odets 1962 THE STORY: The action of the play is comprised of a series of varied, imaginatively conceived episodes, which blend into a powerful and stirring mosaic. The opening scene is a hiring hall where a union leader (obviously in the pay of the bosses) is trying to convince a committee of workers (who are waiting for their leader, Lefty, to arrive) not to strike. This is followed by a moving confrontation between a discouraged taxi driver, who cannot earn enough to live on, and his angry wife, who wants him to show some backbone and stand up to his employer; a revealing scene between a scheming boss and the young worker who refuses to spy on his fellow employees; a sad/funny episode centering on a young cabbie and his would-be bride, who lack the wherewithal to get married; a disturbing scene involving a senior doctor and the underpaid young intern (a labor activist) whom the doctor has been ordered to discharge; and, finally, a return to the union hall where the workers, learning that Lefty has been gunned down by the powers-that-be, resolve at last to stand up for their rights and to strike-and to stay off their jobs until their grievances are finally heard and acted upon by those who have so cynically exploited and misused them.

*Sonnets for an Old Century* José Rivera 2005

*Slaughter City* Naomi Wallace 2018-04-18 "It's not just the blood-spattered slaughterhouse setting that makes the Royal Shakespeare Company's SLAUGHTER CITY an unusually meaty (you'll forgive the expression) new play. Aligning issues of class and race and labor dynamics to a surrealist aesthetic as elusive as her politics are straightforward, American writer Naomi Wallace shows a willingness to embrace topics once treated by the likes of Clifford Odets and Sophie Treadwell. These days, such terrain is left to the movies--Paul Schrader's *Blue Collar*, among others--but the pulse of Wallace's writing is of and for the theater. Hers may not be the most audience-friendly of voices, but even her opacity commands attention." Matt Wolf, *Variety* "Naomi Wallace's SLAUGHTER CITY, which gets its premiere in *The Pit*, is a strange and compelling play that unties two elements in the American tradition--the radical and the mystic. If it reminds me of anyone it is the Walt Whitman who wrote of 'the audacity of freedom' and the need for America to free itself from the anti-democratic European past. On the radical level, the play is a passionate protest against exploitation... ..the play has passion, poetry and a wild

strangeness. Wallace also writes highly effective individual scenes... Most cheering of all is Wallace's adventurous attempt to redefine political drama in terms of a feminist surrealism." Michael Billington, *The Guardian*

**Painting Heaven** Demi Hunt 2015-09 This illustrated tale introduces children to the wondrous teachings from the Muslim theologian and mystic al-Ghazali (1058–1111CE) This enchanting tale illustrates how that the human heart is like a rusty mirror which, when polished through beautiful doings, is able to reflect the real essence of all things. In addition to this story is a poem by the renowned poet, Coleman Barks. Both draw on the same account found in Ghazali's *The Marvels of the Heart*, Book XXI, of his magnum opus, *The Revival of Religious Sciences*.
