**Longman English Grammar 3, 2/E** Ray Paramita  
2007-09

**A Changing World** Terence Kearey 2012-01-28  
This is the story of life in an English town and an English community as seen through the eyes of an ordinary English family – the author’s own. It focuses on the years from the 1930s through to the 1960s and covers a period when the country was changing perhaps faster that it ever has before or since. From a familiar world in which life was simple and expectations modest, values were upheld and the community spirit prevailed, Britain was plunged into the chaos of war at a time when most people could all too clearly recall the horror of the preceding one. Never have the British people pulled together so strongly as they did in the war years, but with peacetime in the 1940s came unexpected challenges – economic strife, a slackening of social mores and moral codes and a new materialism. With these changes came new attitudes to work and its rewards which would greatly hamper our recovery. Terence Kearey’s portrait of an England responding to the pressure of rapid social and economic change has the authority of meticulous research – yet its intimate perspective renders it far more personal and vivid than any ordinary history book.

**Blue Skies** Ron Holt 1999-01 This gentle paced, easy-to-teach series has all the basic grammar and communicative activities you need to give children

a strong and successful start in English.

*A Lesson Before Dying* Ernest J. Gaines 2015-06-18 An Oprah Book Club selection Winner of the National Book Critics Circle Award for Fiction Nominated for a Pulitzer Prize In a small Cajun community in the late 1940s, a young black man named Jefferson witnesses a liquor store shootout in which three men are killed. The only survivor, he is convicted of murder and sentenced to death. Gaines explores the deep prejudice of the American South in the tradition of Harper Lee's *To Kill A*

*Mockingbird* and Toni Morrison's *Beloved*. *A Lesson Before Dying* is a richly compassionate and deeply moving novel, the story of a young black man sentenced to death for a murder he did not commit, and a teacher who hopes to ease his burden before the execution.

*Shame and Wonder* David Searcy 2016-01-05 For fans of John Jeremiah Sullivan, Leslie Jamison, Geoff Dyer, and W. G. Sebald, the twenty-one essays in David Searcy's debut collection are captivating, daring—and completely unlike anything else you've read before. Forging connections between the sublime and the mundane, this is a work of true grace, wisdom, and joy. Expansive in scope but deeply personal in perspective, the pieces in *Shame and Wonder* are born of a vast, abiding curiosity, one that has led David Searcy into some strange and beautiful territory, where old Uncle Scrooge comic books reveal profound truths, and the vastness of space becomes an expression of pure love. Whether ruminating on an old El Camino pickup truck, those magical prizes lurking in the cereal boxes of our youth, or a lurid online ad for "Sexy Girls Near Dallas," Searcy brings his unique blend of affection and suspicion to the everyday wonders that surround and seduce us. In "Nameless," he ruminates on spirituality and the fate of an unknown tightrope walker who falls to his death in

Texas in the 1880s, buried as a local legend but without a given name. “The Hudson River School” weaves together Google Maps, classical art, and dental hygiene into a story that explores—with exquisite humor and grace—the seemingly impossible angles at which our lives often intersect. And in “An Enchanted Tree Near Fredericksburg,” countless lovers carve countless hearts into the gnarled trunk of an ancient oak tree, leaving their marks to be healed, lifted upward, and, finally, absorbed. Haunting, hilarious, and full of longing, *Shame and Wonder* announces the arrival of David Searcy as an essential and surprising new voice in American writing. Praise for *Shame and Wonder* “Astonishment is a quality central to David Searcy’s *Shame and Wonder*. . . . What unites these twenty-one essays . . . is the sense of a wildly querying intelligence suspended in a state of awe. . . . Searcy is drawn instinctively to moments, the way parcels of time expand and contract in memory, conjuring from ordinary experience a hidden sense of all that is extraordinary in the world, in being alive.”—The New York Times Book Review “A lovely implicit argument for a particular orientation toward the world: continuous awe and wonder . . . Everywhere, David Searcy finds the strange and marvelous in careful examination of the quotidian.”—NPR “Peculiar and lively . . . Like a down-home Roland Barthes, [Searcy’s] quirky observations and sudden narrative turns remind us of the strangeness we miss every day.”—Minneapolis Star Tribune “Often nostalgic and whimsical . . . brings to life the shadows of our kaleidoscopic world.”—The Dallas Morning News “What makes Searcy such a master storyteller is that he is a master observer, sharing his vision through essays that read like exquisitely crafted short stories.”—San Francisco Chronicle “In twenty-one captivatingly offbeat essays, Searcy finds the exceptional in the everyday . . . and contemplates the mysteries therein with grace and eloquence.”—The Atlanta Journal-Constitution “A collection of essays laced with wisdom and

beauty.”—Paste “Slyly brilliant—a self-deprecatory look at life in all its weirdness.”—Austin American-Statesman “A work of genius—a particular kind of genius, to be sure.”—Ben Fountain, author of *Billy Lynn’s Long Halftime Walk*

**The Wiley Blackwell Anthology of African American Literature, Volume 2** Gene Andrew Jarrett 2014-01-28 The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems, short stories, novellas, novels, plays, autobiographies, and essays authored by African Americans from the eighteenth century until the present. Evenly divided into two volumes, it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium. Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions, scholarship, and the expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history, dividing them into seven sections that accurately depict intellectual, cultural, and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind This second volume contains a comprehensive collection of texts authored by African Americans from the 1920s to the present The two volumes of this landmark anthology can also be bought as a set, at over 20% savings.
