The Mommy Journal Tracy Broy 2002-09-02 Ask any mother and she will tell you there are just not enough hours in the day. By the time she has fed, clothed, and bathed the children, read Curious George for the 100th time, cut the crusts off the PB&J sandwiches, and removed the ground-in dirt from the play clothes, she does not have time to create a detailed scrapbook of each of her children's lives. It's no wonder that so many elaborate baby books remain incomplete, their pristine pages adding to the guilt and inadequacy that many moms already feel. That is why The Mommy Journal is so perfect for today's moms. It offers a quick and guilt-free way to record the special moments of childhood. Space for each entry is only about three inches long and undated, so there is no pressure to write lengthy narratives or to journal every day. In less than five minutes, mothers can quickly jot down the moments they want to remember forever. Plus, unlike traditional baby books, The Mommy Journal lets mothers record memories of all their children in one place. Charming illustrations of toys, hearts, and animals grace each page. Every few pages contain a bit of parenting wisdom such as, "The best thing you can give children next to good habits are good memories." Instructions for fun activities moms can do with their children, such as make edible finger paint from instant pudding, are included as well. The Mommy Journal will become a treasured keepsake, both for the mom who creates it and for the child who receives this precious record of childhood.

*My Emotions Journal* Lilly's Journal 2019-11-25 My Emotions Journal - A Creative Feelings Log Book For Kids & Early Teens! Everyone feels better when they can recognise and express their feelings and this can sometimes be difficult for kids to do - and even more so for those children coping with conditions such as depression, anxiety, aspergers, autism or adhd. This fun journal will give your child an outlet for their emotions, in a creative way through both writing and drawing. Each day has two pages to work with: On page 1... Is a section to identify 3 key emotions felt that day. This can help them to acknowledge how they've been feeling. A space to write/stick/draw or doodle about their feelings. A space to create their own Emoji face! A fun way for them to creatively express their key emotion for the day On page 2... Is a space to talk about how they felt during the day - in the morning/afternoon evening. A space to write down any potential emotional triggers they experienced that day. A space for important notes. These two pages are then repeated throughout the journal, with 122 pages in total to write on. Each journal is 6 x 9 inches, the ideal size to pack into their bag to school, or for trips away. Each journal has a quality soft cover, brightly covered with emoji faces and a smooth matte finish. **The Bullet Journal Method** Ryder Carroll 2021-12 THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of The Miracle Morning In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: \* TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. \* ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. \* PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls "intentional living": making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. \*\*\* This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. \*\*\*

**Gratitude Journal for Kids Ages 5-10** Cherry & Cherry & Pickle Publishing 2020-04-30 A journal especially for kids to learn gratitude, mindfulness & positivity. This journal should only take your child 5 minutes out of their day, to quickly develop positive practices such as mindfulness, gratitude and positive thinking. This would be an ideal bedtime activity, to give your child a chance to reflect on their day. Every page is undated, meaning that your child can write in their journal as much, or as little as they like. However, by incorporating it into their daily routine, it should be something that becomes second nature and can help your child learn to express and understand their feelings and emotions over time. Each day has two pages to complete! Page one contains... A section for the date. A space to circle your key emotion for the day. A space to write three things you're thankful for. A section to doodle or stick in something from your day - whatever works. Page two contains... 7 different templates, which repeat throughout the journal. Each template has two positive writing prompts on it. These prompts include things such as: "Today the best thing that happened was...." "This person was kind to me today..." "This made me smile today..." and so on. Each journal has over 100 pages and is measured at 6 x 9 inches. Each journal contains quality black & white interior pages and a soft matte cover. Not only is this a great way for your child to log their memories - which are so easily forgotten, it's also a great way for them to recall some of the most positive and memorable parts of their day, which will make them feel good. Going to sleep at night with a feeling of gratitude, is a highly beneficial state to be in. Developing positive thinking skills and practicing gratitude at a young age - can help your child manage their feelings later on in life. Whether your purchasing this book for a student, relative, friend, or your own child - it would make a unique and thoughtful gift.

**The Lazy Genius Way** Kendra Adachi 2020-08-11 NEW YORK TIMES

**BESTSELLER** • Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."—Jenna Fischer, actor and cohost of the Office Ladies podcast The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including: • Decide once • Start small • Ask the Magic Question • Go in the right order • Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else's "shoulds." Do what matters, skip the rest, and be a person again.
