The Last Wild Piers Torday 2014-03-18 "A hugely inventive adventure." —Eoin Colfer,

New York Times bestselling author of the Artemis Fowl series In a world where animals are slowly fading into extinction, twelve-year-old Kester Jaynes feels as if he hardly exists either. He's been locked away in a home for troubled children and is unable to speak a word. Then one night, a flock of talking pigeons and a bossy cockroach come to help him escape, and he discovers that he can speak—to them. And the animals need him. Only Kester, with the aid of a stubborn, curious girl named Polly, can help them survive. The animals saved Kester. But can he save them? "When ninety-nine pigeons smash through the windows of Kester's prison and carry him North to the last of the animals.... it's a moment as thrilling as when James flies off in the Giant Peach. Highly recommended" —The Times (UK) "Combines a great fondness for animals with an appreciation of the freakish.... The reserved narrative tone and tender yet peculiar view of animals give this piece its own offbeat flavor." —Kirkus Reviews "Alternately somber, thrilling, and silly." —Publishers Weekly

A History of Wild Places Shea Ernshaw 2021-12-07 In this “riveting, atmospheric thriller that messes with your mind in the best way” (Laini Taylor, New York Times bestselling author), three residents of a secluded, seemingly peaceful commune investigate the disappearances of two outsiders. Travis Wren has an unusual talent for locating missing people. Often hired by families as a last resort, he takes on the case of Maggie St. James—a well-known author of dark, macabre children’s books—and is soon led to a place many believed to be only a legend. Called Pastoral, this reclusive community was founded in the 1970s by like-minded people searching for a simpler way of life. By all accounts, the commune shouldn’t exist anymore and soon after Travis stumbles upon it...he disappears. Just like Maggie St. James. Years later, Theo, a lifelong member of Pastoral, discovers Travis’s abandoned truck beyond the border of the community. No one is allowed in or out, not when there’s a risk of bringing a disease—rot—into Pastoral. Unraveling the mystery of what happened reveals secrets that Theo, his wife, Calla, and her sister, Bee, keep from one another. Secrets that prove their perfect, isolated world isn’t as safe as they believed—and that darkness takes many forms. “As spine-chilling as it is beautifully crafted” (Ruth Emmie Lang, author of *Beasts of Extraordinary Circumstance*), *A History of Wild Places* is a story about fairy tales, our fear of the dark, and losing yourself within the wilderness of your mind.

Beautiful Boys Christina Lauren 2016-11-28 Millions of readers worldwide have fallen for the sexy, hilarious love stories of Christina Lauren's New York Times and #1 international best selling Beautiful series. Discover the first three novels—Beautiful Bastard, Beautiful Stranger, and Beautiful Player—from the author duo Kirkus Reviews calls “the It Girls of Romance.” Beautiful Bastard: Whip-smart, ambitious intern Chloe Mills is so tempting that her completely infuriating and utterly irresistible boss Bennett Ryan is willing to bend the office rules—or outright smash them—if it means he can have her—all over the office. Beautiful Stranger: All of New York City knows Max Stella loves women. Despite pulling in plenty of lovers with his Wall Street bad boy charm, it's not until finance whiz Sara Dillon—and the wild photos she lets him take of her—that the ex-pat Brit really thought of keeping someone around. Beautiful Player: Lectured by her brother for neglecting her social life in favor of grad school, bookish Hanna Bergstrom challenges her brother's best friend, unapologetic playboy Will Sumner, to turn her into a sultry siren. Beautiful Beginning Christina Lauren 2013-11-19 The Beautiful Bastard series continues in this new novella—back when not being able to stand each other also meant not being able to keep their hands of each other, neither Bennett nor Chloe could have seen this day coming. One beautiful

bastard of a groom. The most beautiful bitch of a bride. A panty-ripping office hook-up turned true love everlasting. Wedding bells can't chime soon enough for Chloe Mills and Bennett Ryan. As their crazy families descend for the big day- only a few of them actually trying to be helpful- the fiery lovers are about to test whether the couple that argues together can keep it together long enough to exchange rings, and not just heated words.

Perfect for fans of *The Rosie Project* and *One Plus One*. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. Raised by her grandparents—who now help raise her seven-year-old daughter, Juno—Jess has been left behind too often to feel comfortable letting anyone in. After all, her father's never been around, her hard-partying mother disappeared when she was six, and her ex decided he wasn't "father material" before Juno was even born. Jess holds her loved ones close, but working

constantly to stay afloat is hard...and lonely. But then Jess hears about GeneticAlly, a buzzy new DNA-based matchmaking company that's predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98% compatibility with another subject in the database: GeneticAlly's founder, Dr. River Pena. This is one number she can't wrap her head around, because she already knows Dr. Pena. The stuck-up, stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get to know him and we'll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the "Diamond" pairing that could make GeneticAlly a mint in stock prices, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. Funny, warm, and full of heart, *The Soulmate Equation* proves that the delicate balance between fate and choice can never be calculated.

Dirty Rowdy Thing Christina Lauren
2014-11-04 Unlike her best friends Mia and Lola, Harlow Vega has a reputation for always being up for a fling. But it was just a thing: dirty, rowdy, and easy... until Finn turns up in her

hometown on business. Harlow's not ready to be tied down but when the whole crew is handing out together, there's just something about him. It may not be love (hell, it may not even be like), but their exciting, tension-filled hookups provide the perfect distraction from the scary life changes they're both facing - challenges neither is sure how to handle, let alone fix. One night together turns into two, and soon Finn's mysterious business trip has gone on for weeks. They agreed on the sex-wild, wet, kinky-but now their bordercrossing booty call is starting to feel like the real deal. And for two people used to being in control, taking the ultimate plunge by falling in love feels a lot more like flat-out falling.

Wild Knight Annabel Chase 2021-10-17 In a world of darkness where royal vampires are in charge, I spend my days working as a knight in the city formerly known as London. Instead of a lance and a horse, I rely on my trusty axe, Babe, and ride the occasional dragon. Every day new threats emerge that require a dash of magic and a dollop of attitude. Good thing I have both. Naturally danger comes with the territory. What no one knows is just how dangerous it is for me. If our vampire overlords discover what I am, they'll execute me on the spot-no questions asked-which is why I avoid them at all costs. Until now. If only this one didn't have a lethal reputation, a princely pedigree, and a quest that leads to more questions than answers. The heat between us doesn't help matters. Unfortunately I can't refuse a royal command, so I'm stuck until the job is complete. Beautiful Bombshell Christina Lauren 2013-09-03 In this new novella, the gentlemen from *Beautiful Bastard*, *Beautiful Stranger*, and *Beautiful Player* are out for a wild night on The Strip. A beautiful bastard of a groom-to-be. A bachelor-party-crashing bride. And one unforgettable night on the Vegas strip. When Bennett's friends steal him away from Chloe for a weekend of shenanigans and strippers in Vegas, their first stop doesn't exactly go as planned.

Their scheme for a guys' weekend completely derailed, Bennett and Max take every chance they get to rendezvous secretly with the women they love. But when the persistently single Will Sumner catches on, the pair realizes they need to team up with him instead of butting heads if they're to escape for more sexy Vegas hookups. *Beautiful Bastard's* Chloe Mills and Bennett Ryan are back for one last blazing prewedding hurrah- but if what happens in Vegas stays in Vegas, they might not ever want to leave!
