The Conquest of Florida by Hernando de Soto

Theodore Irving 2012-01 Purchase of this book includes free trial access to www.million-books.com where you can read more than a million books for free. This is an OCR edition with typos. Excerpt from book: CHAPTER IV. REJOICINGS OF THE INHABITANTS OP CUBA ON THE ARRIVAL OP DE SOTO. DEPOSITION OF NUNO TOBAR. DON VASCO TOR- CALLp DE FIGUEROA, APPOINTED LIEUTENANT-GENERAL OF THE FORCES. The arrival of the now governor with so important an armament was an event of great joy throughout the island of Cuba. When De Soto landed, the whole city of Santiago turned out to receive him. He found a beautiful horse, richly caparisoned, waiting for him, and likewise a mule for Donna

Isabella; which were furnished by a gentleman of the town. He was escorted to his lodgings, by the burghers on horse- and on foot, and all his officers and men were hospitably entertained by them; some being quartered in the town, and others in their country-houses. For several days it was one continued festival. At night there were balls and masquerades; by day, tilting matches, bull-fights, contests of skill in horsemanship, running at the ring, and other amusements of a chivalrous nature. The young cavaliers of the army vied with each other, and with the youth of the city, in the gallantry of their equipments, the elegance and novelty of their devices, and the wit and ingenuity of their mottoes. What gave peculiar splendor to these entertainments was the beauty and spirit and excellence of the horses. The great demand for these noble animals, for

the conquests of Mexico and Peru, and other parts, rendered the raising of them one of the most profitable sources of speculation in the islands. The island of Cuba was naturally favorable to them; and as great care and attention had been, given to multiply and improve the breed, there was at this time an uncommon number, and of remarkably fine qualities. Many individuals had from twenty to thirty horses in their stables, and some of the rich had twice that n...

American Indian Chronology: Chronologies of the American Mosaic Phillip M. White 2006-08-30

The rich history of the Native American brims with agriculture, hunting, crafts, music, culinary arts, storytelling, religious culture, battle prowess, medicine, and mythology. It is also a history marked by bloodshed and battle, conquest, violence, religious conflict, disease, and starvation. American Indian Chronology guides the reader through the most significant events in Native North American history, from prehistory to the present. From early Spanish and Portuguese exploration to the surrender of Geronimo, from the decline of the fur trade to the Wounded Knee massacre, from smallpox epidemics and broken treaties to the invention of the Cherokee alphabet, from Tecumseh's rebellion to the Native American

Church, from the first journey across the Bering land bridge to the occupation of Alcatraz Island, the Chronology presents a fascinating look into the sweeping changes of history, wars and conflicts, government policies, social progress, and cultural changes affecting peoples on all sides in the New World. American Indian Chronology guides the reader through the most significant events in Native North American history, from prehistory to the present. Entries are organized by dates and subdivided into over 35 categories, including: agriculture and farming; death and burial; exploration; legislation; arts, crafts, and music; treaties; wars and conflicts; legends and storytelling; education; and civil rights and protests. This concise format makes a clear and accessible student research tool, supplemented with primary source sidebars, useful illustrations, a glossary, bibliography—including print and electronic sources—and index. With updates through 2005, this chronology is the most current in its field, bringing the modern struggles of American Indians into the 21st century.

Finance & Development, December 2003 International Monetary Fund. External Relations Dept. 2003-12-15 This paper describes why the international community needs to act now to stand a chance of meeting the Millennium Development Goals (MDGs). The paper gives

example of Ethiopia, one of the poorest countries in the world, with an estimated per capita income of about US\$100. According to the World Bank, recent national household surveys find 44 percent of the people in Ethiopia cannot meet basic needs. The paper discusses that Ethiopia in many ways epitomizes why the MDGs are important and why more money is needed to achieve them.
