Chanakya - A visionary Human Resource Manager Tushar Kokane, Santosh Bagwe
2019-11-27 Chanakya, a master strategist, was the man who destroyed the Nanda dynasty and instilled Chandragupta Maurya as the king of Magadha. Chanakya - A Visionary Human Resource Leader talks about the principles of human resource management mentioned in Arthashastra. These principles of managing human resources are still relevant in the 21st century. For the first time, all the secrets of managing human resources are woven together in the context of modern human resource management. In this book, you'll learn Chanakya's perspective on business administration and people management. It contains the legendary management guru, Chanakya's, wisdom on recruiting, selecting, training, rewarding and motivating human resources. It is a resourceful guide for readers from all walks of life on contemporary human resource practices. Review: In the present book, I am glad to note that various aspects of Arthashastra have been included as the roles and responsibilities of the HR department. The authors of this book Santosh Bagwe and Tushar Kokane have used the ideas from Kautilya's Arthashastra for modern-day HR practitioners. The book has taken a lot of ideas from the original work of Chanakya and interpreted in a modern format. Easy to understand and simple in language, not only HR professionals will benefit from the book, but also general readers. I am glad this book is an excellent contribution to the corporate world which will get a lot of tips

from Arthashastra and the wisdom of Chanakya.
- Radhakrishnan Pillai (Author of Corporate Chanakya and other Chanakya Books)
Principles of Management Pravin Durai
2015-04-14 Using contemporary, real-world examples and the latest pedagogical tools, Principles of Management showcases how management concepts and practices can be utilized to achieve personal and business excellence. Organized around the four main traditional functions of management—planning, organizing, controlling and leading— this book includes current thinking and practice on the most important issues facing management, managers and employees with a special focus on examples from India.

Human Resources Management in Canada, Thirteenth Canadian Edition, Loose Leaf Version Gary Dessler 2016-01-15
International Human Resource Management Peter Dowling 2013 Dowling et al is a rare instance of a textbook that has developed alongside the field - helping to shape what it is today - and remains the market leading IHRM textbook worldwide. The international author team have ensured this edition is even more international than its predecessors, whilst also remaining close to curriculum developments. New edition changes include a streamlined chapter structure and a new chapter on the cultural context of IHRM. The focus on expatriates has been balanced with a stronger global management emphasis throughout. The content also reflects the current economic climate, including greater coverage of turbulence for IHRM and issues of employee

separation. There is also expanded coverage of business ethics, outsourcing, emerging markets and small medium enterprises. In addition the new edition includes a wealth of case study material and class discussion material. A fully tailored CourseMate and Instructor's website will also be available to adopters. MARKET: Dowling et al is a core textbook for "International HRM" modules (IHRM) as taught at intermediate and postgraduate levels on all HRM programmes and the majority of broad-based business programmes. It is also used on some "International Management" modules. This textbook is autopackaged with CourseMate. CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course.

HR from the Outside In: Six Competencies for the Future of Human Resources David Ulrich 2012-07-20 "This definitive work on HR competencies provides ideas and tools that help HR professionals develop their career and make their organization effective." —Edward E. Lawler III, Professor, University of Southern California "This book is a crucial blueprint of what it takes to succeed. A must have for every HR professional." —Lynda Gratton, Professor, London Business School "One single concept changed the HR world forever: 'HR business partner'. Through consistent cycles of research and practical application, Dave and his team have produced and update the most comprehensive set of HR competencies ever." —Horacio Quiros, President, World Federation of People Management Associations "Packed with facts, evidence, and prescriptive advice. It is about being a business leader first, and an HR professional second." —Randy MacDonald, Senior Vice President, Human Resources, IBM Corporation "The concepts and competencies presented in this book provide HR leaders with new insights." —Gina Qiao, Senior Vice President, HR Lenovo "Powerful, relevant and timely! Defines "new HR" in a pragmatic way. This book is a must for leaders and HR folks who

seek to create sustainable competitive advantage." —Satish Pradhan, Chief, Group Human Resources, Tata Sons Limited "You can't argue with the data! This book is a definitive and practical guide to learning the HR competencies for success." —John Lynch, Senior Vice President, HR, General Electric "A must read for any HR executive. This research-based competency model is particularly compelling because it is informed by the perspective of non-HR executives and stakeholders." —Sue Meisinger, Distinguished speaker and author, former CEO of SHRM "Read this book for a unique long-term perspective on where HR competencies have brought us and must take us in future." —John Boudreau, Professor, University of Southern California and Research Director, Center for Effective Organizations

Human Resource Management Pravin Durai 2010

Human Resource Management Derek Torrington 2020

Human Resource Management John M. Ivancevich 2001-11-01 Human Resource Management (HRM) takes a managerial orientation; and is viewed as being relevant to managers in every unit, project, or team. Managers are constantly faced with HRM issues, problems, and decision making and the text's primary goal is to show how each manager must be a human resource problem solver and diagnostician. This book pays attention to the application of HRM approaches in "real organizational" settings and situations. Realism, understanding, and critical thinking were important in the revision. Users have continuously been satisfied with the consistent writing style and level of presentation.

Canadian Human Resource Management

Hermann F. Schwind 2019

The HR Value Proposition David Ulrich 2005-05-11 The international best seller Human Resource Champions helped set the HR agenda for the 1990s and enabled HR professionals to become strategic partners in their organizations. But earning a seat at the executive table was only the beginning. Today's HR leaders must also bring substantial value to that table. Drawing on their 16-year study of over 29,000 HR professionals and line managers, leading HR experts Dave Ulrich and Wayne Brockbank propose The HR Value Proposition. The authors argue that HR value creation requires a deep

understanding of external business realities and how key stakeholders both inside and outside the company define value. Ulrich and Brockbank provide practical tools and worksheets for leveraging this knowledge to create HR practices, build organizational capabilities, design HR strategy, and marshal resources that create value for customers, investors, executives, and employees. Written by the field's premier trailblazers, this book charts the path HR professionals must take to help lead their organizations into the future. Ulrich is a professor at the University of Michigan School of Business and the author of 12 books and more than 100 articles on the subject of human resources. Brockbank is a clinical professor of business at the University of Michigan School of Business, the author of award-winning papers on HR strategy, and an adviser to top global organizations.

INCESS 2020 Putri Anggun Sari 2021-01-18 InCESS is an international conference hosted by Pelita Bangsa University. This conference is arranged to become an annual conference making room for scholars and practitioners in the area of Engineering, ICT, Management, and all research in Social Science and Humanities to share their thoughts, knowledge, and recent researches in the field of study (<https://inCESS.pelitabangsa.ac.id/>).

Principles and Practice of Management Dr. L.M. Prasad 2020-10-01 The book in its tenth edition has been thoroughly restructured and revised. All the chapters of the present edition have been re-written not only to incorporate the latest developments in management but also to make presentation of subject-matter more lucid and crisp. Chapter 3 of the previous edition (Managers and Environment) has been named as Management Challenges and Opportunities in the present edition so that proper focus is put on these issues. Thus, the present edition is ideally suited to management students as well as management practitioners, particularly those who have not gone through formal management education.

Armstrong's Handbook of Strategic Human Resource Management Michael Armstrong 2020-12-03 Armstrong's Handbook of Strategic Human Resource Management is a complete guide to integrating HR strategies with wider

organizational goals and objectives approaches to achieve sustained competitive advantage. Supported by key learning summaries, source reviews and practical real-life examples from organizations including UNICEF and General Motors (GM), it provides coverage of HRM strategies in key areas of the function such as employee engagement, talent management and learning and development, as well as strategic HRM approaches in an international context. This fully revised seventh edition of Armstrong's Handbook of Strategic Human Resource Management contains new chapters on evidence-based strategic HRM, employee wellbeing strategies and HR analytics, as well as additional case studies and updated wider content to reflect the latest research and thinking. It remains an indispensable resource for both professionals and those studying HR qualifications, including undergraduate and masters degrees and the CIPD's advanced level qualifications. Online supporting resources include lecture slides and comprehensive handbooks for lecturers and students which include self-assessment questions, case study exercises, and a glossary and literature review.

Human Resource Management Gary Dessler 2011
