I Spy with My Little Eye Baseball Brad Herzog

2011-02-08 For many sports fans there's no such thing as too much baseball. In I Spy with My Little

Eye: Baseball, readers get double the fun. Brad Herzog (H is for Home Run: A Baseball Alphabet) teams up with photographer David Milne to create a visual puzzle book that challenges the deductive skills and sharp eyes of young readers. Dual look-alike photographs are filled with baseballs, bats, and memorabilia. But one of the scenes in each photo pair has been slightly altered. Can you see the changes? How many can you find? Poetic clues help young fans and seasoned veterans spot the differences. From the number of trophies in the case to the jerseys hanging in a locker room, baseball fans of all

ages will enjoy this new way of spying the game! Brad Herzog's books with Sleeping Bear Press include Full Count: A Baseball Number Book and S is for Save the Planet: A How-to be Green Alphabet. Brad has won several awards from the Council for Advancement and Support of Education. He lives on California's Monterey Peninsula. David Milne is a third-generation photographer in Toronto, Canada. S is for Story Esther Hershenhorn 2011-12-17

What is a first draft? What is a narrative? In *S is for Story: A Writer's Alphabet*, author and writing coach Esther Hershenhorn uses the alphabet to help explain, explore, and examine the tools, techniques, and strategies for those hoping to live the literary life. Writing terms and topics are explained using a two-tier format. *C is for the Character*, every story's star, the one for whom we cheer, we care, with whom we travel far.

Specific genres, story elements (setting and plot), and the mechanics of how to write (including

editing and revision) are covered, while quotes from famous authors provide examples of the writer's thought process. Budding writers of all ages will be inspired to put pen to paper (or fingers on keyboards)! Author, and writing coach, Esther Hershenhorn admits *S is for Story* is the book she wishes she'd owned as a little girl, dreaming of a writing career. She lives in Chicago, where she teaches Writing for Children at the University of Chicago's Writer's Studio and the Newberry Library. Zachary Pullen's character-oriented picture book illustrations have won awards and garnered starred reviews. He has

been honored several times with acceptance into the prestigious Society of Illustrators' juried shows and Communication Arts Illustration Annual of the best in current illustration. Zak lives in Wyoming. [Baby Einstein: My First Book of Shapes](#) Julie Aigner-Clark 2007-04-01 This enchanting board book is designed to introduce youngsters to the world of shapes. With beautiful illustrations and captivating photographs of familiar objects, youngsters will learn to recognize shapes in their own world everywhere they turn! Baby Einstein Books is an imprint of developmentally appropriate, interactive books designed to

introduce children ages 0-3 to classic poetry, art, and foreign languages in a fun and accessible way. A combination of playful images, beautiful photography, and bold illustrations with multilayered text will captivate and stimulate babies and young children. This “humanities for babies” program, based on the award-winning video series, taps into the natural learning potential of young children—and their parents’ aspirations for them. The Baby Einstein Company, founded in 1997 by stay-at-home mom Julie Aigner-Clark, has produced numerous videos, CDs, cassettes, DVDs, flash cards, and

puppets, and has received several awards and citations for its work. The company is extending its brand through sales in the mass market, as well as through its licensing relationship with Hasbro for toys. Other licensing relationships in interactive multimedia and television are in the works.
