Body and Spirit in the Middle Ages Gaia Gubbini
2020-08-10 A crucial question throughout the Middle Ages, the relationship between body and spirit cannot be understood without an interdisciplinary approach - combining literature, philosophy and medicine. Gathering contributions by leading international scholars

from these disciplines, the collected volume explores themes such as lovesickness, the five senses, the role of memory and passions, in order to shed new light on the complex nature of the medieval Self.

Choix de Chroniques Et Mémoires Sur L'histoire de France Jean Alexandre Buchon 1855

Extraits clés de jurisprudence : cour européenne des Droits de l'Homme Gilles Dutertre 2003 La première requête transmise à la Commission européenne des Droits de l'Homme date de 1955 et la Cour européenne des Droits de l'Homme a rendu son premier arrêt en 1961. La publication de tous ces arrêts et décisions représente plusieurs centaines de volumes, une abondance qui en rend la consultation parfois difficile. L'auteur de présent ouvrage - juriste - extrait l'essentiel de cette vaste jurisprudence pour la rassembler en un volume unique. En effet, celui-ci représente pour chaque article de la Convention, les passages

clés d'arrêts de la Cour et de certaines décisions de la Commission, assortis de leurs commentaires. L'objectif est de fournir, en un seul document, le maximum de citations d'arrêts en une consultation concrète et directe. Ce livre offre ainsi un accès "pédagogique", synthétique et clair à la jurisprudence de la Cour du Conseil de l'Europe. Par ailleurs, une table des matières détaillée et un index donnent au lecteur différentes voies d'accès à cet ouvrage, qui devient ainsi un outil indispensable tant pour le néophyte que pour le spécialiste plus expérimenté de la Convention.

L'emprise de la nuit Stanley Péan 2005 Réédition. Lors d'un séjour à Montréal avec son copain Pierre, Stacey recherche et trouve son frère Yannick. Ce dernier, méconnaissable, est devenu chef des vlinbindingues, un gang haïtien. Il est investi d'une puissance occulte destructrice qu'il partage avec les skins. Ce mal semble être le racisme qui, dans ce roman, est détruit. -- La trame superficielle et imagée,

parfois violente, verse dans le fantastique avec un oeil de verre et un semblant de vaudou.

LES YEUX DE LA NUIT Élie Fleurant

2013-07-23 These poems are written with a lot of emotion and passion. Some of them talk about relationships, religions, one's beliefs, and most especially love. The author wants his word to be read by people who feel the same emotions he had when he wrote his poetry.

L'emprise du loup Bonnie Vanak 2013-01-01

Exclusivité e-book ! Un loup-garou ! Muette de stupeur, Samantha fixe l'inconnu qui l'a enlevée et la retient prisonnière dans son chalet isolé. Selon ses dires, cet individu, ce... loup, a

l'intention de la séduire pour la libérer de ses instincts maléfiques. Et tandis qu'il l'enveloppe d'un regard de prédateur — comme si déjà, elle lui appartenait — Samantha sent monter en elle une indescriptible rage. Car cet homme appartient au peuple de ceux qui ont tué ses parents. Et peut-être même est-ce lui qui a tué sa mère, cette innocente dont le seul crime était d'avoir aimé un démon...

Lisez ce livre et découvrez des six démanche pratiques pour vaincre la peur. La liberté est une réalité.

Échanges et communications, II Claude Lévi-Strauss 2019-04-01 To celebrate the 270th anniversary of the De Gruyter publishing house,

the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive. Titles will be made available to anyone, anywhere at any time that might be interested. The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future generations have digital access to the high-quality primary sources that De Gruyter has published over the centuries.

Un message dans la nuit ; Rencontre avec le passé ; L'emprise du soupçon Elizabeth Heiter
2017-03-01 Un message dans la nuit, Elizabeth Heiter : D'une main tremblante, Maggie ouvre la lettre et, bien qu'elle en connaisse déjà la teneur, la parcourt des yeux fébrilement. Comme tous les messages qu'elle reçoit depuis dix ans, le jour de son anniversaire, celui-ci ressemble à une déclaration d'amour. Pourtant, cette fois, la fin est différente et, en la lisant, Maggie sent la terreur l'envahir. Car la menace se précise, et la dernière phrase est on ne peut

plus claire : le prédateur dont Maggie a été la première victime et que la police traque sans succès depuis des années est en route pour Washington. Il revient pour elle... Rencontre avec le passé, Tyler : Anne Snell La directrice de l'agence pour laquelle il travaille l'a prévenu : la femme avec laquelle il va enquêter sur une affaire d'adultère risque de lui compliquer terriblement la tâche. Pourtant, en entendant le nom de sa future coéquipière, Oliver retient une exclamation de surprise. Aussitôt, des images défilent dans sa tête : celles de Darling, la jeune fille blonde de dix-sept ans aux magnifiques yeux verts et au caractère impossible avec laquelle, huit ans plus tôt, il a vécu une brève aventure amoureuse. Darling dont le souvenir le trouble encore aujourd'hui et qui ne lui a peut-être jamais pardonné de l'avoir quittée. Plus 1 roman gratuit : L'emprise du soupçon, Kathleen Long.

Media, Markets & Public Spheres Jostein

Gripsrud 2010-02-01 Using a sample of so-called popular and 'quality' European newspapers and their TV listings as a stepping stone, Media, Markets & Public Spheres presents an overview of changes in the European public spheres over the last fifty years as well as in-depth analyses of structural changes in press and broadcasting, changing relations between media, changes in media policies and media history as record of cultural change. With a rare comparative perspective, both across nation states and across decades of European history, this book explores how and why the media decisively influence most social areas, from the socialization of children to the workings of the economy. Compiled by a team of leading media researchers from ten countries, Media, Markets & Public Spheres will be useful to students in media and communication studies, and European studies, as well as for those studying sociology and political science.

Making Strange Kim Sichel 2020-03-17 A richly

illustrated look at some of the most important photobooks of the 20th century France experienced a golden age of photobook production from the late 1920s through the 1950s. Avant-garde experiments in photography, text, design, and printing, within the context of a growing modernist publishing scene, contributed to an outpouring of brilliantly designed books. Making Strange offers a detailed examination of photobook innovation in France, exploring seminal publications by Brassai, Henri Cartier-Bresson, Robert Frank, Pierre Jahan, William Klein, and Germaine Krull. Kim Sichel argues that these books both held a mirror to their time and created an unprecedented modernist visual language. Sichel provides an engaging analysis through the lens of materiality, emphasizing the photobook as an object with which the viewer interacts haptically as well as visually. Rich in historical context and beautifully illustrated, Making Strange reasserts the role of French photobooks in the history of modern art.

Bazin on Global Cinema, 1948-1958 André Bazin 2014-12-10 André Bazin is renowned for almost single-handedly establishing the study of film as an accepted intellectual pursuit, as well as for being the spiritual father of the French New Wave. In 1951 he cofounded and became editor-in-chief of *Cahiers du cinéma*, the most influential critical periodical in the history of cinema. Four of the film critics whom he mentored at the magazine later became the most acclaimed directors of the postwar French cinema—François Truffaut, Jean-Luc Godard, Jacques Rivette, and Claude Chabrol. Bazin is also considered the principal instigator of the influential auteur theory—the idea that, since film is an art form, the director of a movie must be perceived as the chief creator of its unique cinematic style. Bazin wrote some 2,600 articles and reviews, only about 150 of which are accessible in anthologies or edited collections. *Bazin on Global Cinema, 1948-1958* offers English-language readers much of his writing on

Asian cinema; previously untranslated essays on James Dean, the star system, political engagement and the cinema, and film criticism itself; and several reviews of film books, as well as reviews of notable American, British, and European movies, such as *Johnny Guitar*, *High Noon*, *Umberto D.*, *Hamlet*, *Kanal*, and *Le jour se lève* (*Daybreak*). The book also features a contextual introduction to Bazin's life and work, the first comprehensive bibliography of works by and about Bazin, credits of all the films he discusses in this book, and an extensive index. *Judicial Reports / Recueils judiciaires, 1999* International Criminal Tribunal for the Former Yugoslavia 2010-07-26 The Judicial Reports/Recueils judiciaires of the International Criminal Tribunal for the former Yugoslavia (ICTY) comprise (in English and French) all Judgments by both Trial Chambers and the Appeals Chamber as well as their most significant Decisions and Orders issued in a given year.

L'Assassinat de L'Experience Par la Peinture,
Monory/The Assassination Of Experience By

Painting, Monory Jean-François Lyotard

2014-01-14 Lyotard met Jacques Monory in
1972, and the text on him published at that time
was the first that Lyotard dedicated to
contemporary art since *Discourse, Figure*.

Lyotard's interest in the plastic arts thus fits
fully within the setting of his political
preoccupations. The artist-protagonist stages the
recurring motifs that fascinate Lyotard: the
scene of the crime, the revolver, the woman, the
victim, glaciers, deserts, stars. The atmosphere
of the essays on Monory is "Californian."

Monory's imaginary repertoire goes well beyond
the masters of modernity and is in line rather
with a "modern contemporary surrealism." Both
Lyotard and Monory live the "dilemma of

Americanization," the America represented by
cinema, fashion, novels, music. It is in this
atmosphere that Lyotard and Monory will finally
evoke their supreme experience of difference:
desire and fear, exultation and a profound
malaise. The plastic universe of Monory and the
aesthetic meditations of Lyotard are in perfect
symbiosis. Sarah Wilson's epilogue thoroughly
outlines both the history of a friendship and, at
the same time, the intellectual and artistic
climate of the 1970s.

The Black Atlantic Reconsidered Winfried

Siemerling 2015-05-01 Readers are often
surprised to learn that black writing in Canada is
over two centuries old. Ranging from letters,
editorials, sermons, and slave narratives to
contemporary novels, plays, poetry, and non-
fiction, black Canadian writing represents a rich
body of literary and cultural achievement. The
Black Atlantic Reconsidered is the first

comprehensive work to explore black Canadian literature from its beginnings to the present in the broader context of the black Atlantic world. Winfried Siemerling traces the evolution of black Canadian witnessing and writing from slave testimony in New France and the 1783 "Book of Negroes" through the work of contemporary black Canadian writers including George Elliott Clarke, Austin Clarke, Dionne Brand, David Chariandy, Wayde Compton, Esi Edugyan, Marlene NourbeSe Philip, and Lawrence Hill. Arguing that black writing in Canada is deeply imbricated in a historic transnational network, Siemerling explores the powerful presence of black Canadian history, slavery, and the Underground Railroad, and the black diaspora in the work of these authors. Individual chapters examine the literature that has emerged from Quebec, Nova Scotia, the Prairies, and British Columbia, with attention to writing in both English and French. A major survey of black writing and cultural production, *The Black*

Atlantic Reconsidered brings into focus important works that shed light not only on Canada's literature and history, but on the transatlantic black diaspora and modernity. *Discursive Geographies* Jeanne Garane 2005 The present collection of essays follows in the wake of recent work in cultural geography challenging the idea that maps are scientifically neutral entities, or that space, unlike time, is immobile. In defining space, place and geography as forms of textuality, the essays collected in this volume examine the ways in which postcolonial and metropolitan literary and filmic texts in French can at once inscribe and produce place and space, and thereby participate in forms of "discursive geographies." Contributors: François Bon; Alexandre Dauge-Roth; Habiba Deming; Zakaria Fatih; Jeanne Garane; Patricia Geesey; Greg Hainge; Sirène Harb; Jean-Luc Joly; Chantal Kalisa; Michel Laronde; Valérie Loichot; Mary McCullough; Michael O'Riley; Pascale Perraudin; Walter Putnam; Antoine Stéphan;

Negative Knowledge Sebastian Hüscher
2020-08-10 The advent of Modernity was accompanied by a radical criticism of traditional metaphysics. In particular since the 20th century, rationality is predominantly conceived of as positivistic and scientific, reducing reality to what is positively knowable. The price to pay is the cutting out of any kind of phenomenon of negativity. The present volume explicitly explores the philosophical and epistemological potential of negativity. The contributions brought together in this book tackle the question of negativity from historical as well as from systematical perspectives. From different

angles, they defend the claim that philosophical approaches recurring to negativity can build a non-reductive conceptualization of rationality, and thus offer a valuable contribution to the orientation of humankind in the 20th and 21st century. This volume contains contributions in English, French, and German.

Odysseys Home George Elliott Clarke
2017-06-22 *Odysseys Home: Mapping African-Canadian Literature* is a pioneering study of African-Canadian literary creativity, laying the groundwork for future scholarly work in the field. Based on extensive excavations of archives and texts, this challenging passage through twelve essays presents a history of the literature and examines its debt to, and synthesis with, oral cultures. George Elliott Clarke identifies African-Canadian literature's distinguishing characteristics, argues for its relevance to both

African Diasporic Black and Canadian Studies, and critiques several of its key creators and texts. Scholarly and sophisticated, the survey cites and interprets the works of several major African-Canadian writers, including André Alexis, Dionne Brand, Austin Clarke, Claire Harris, and M. Nourbese Philip. In so doing, Clarke demonstrates that African-Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism, liberalism and conservatism. These tensions are revealed in the literature in what Clarke argues to be - paradoxically - uniquely Canadian and proudly apart from a mainstream

national identity. Clarke has unearthed vital but previously unconsidered authors, and charted the relationship between African-Canadian literature and that of Africa, African America, and the Caribbean. In addition to the essays, Clarke has assembled a seminal and expansive bibliography of texts - literature and criticism - from both English and French Canada. This important resource will inevitably challenge and change future academic consideration of African-Canadian literature and its place in the international literary map of the African Diaspora.
