Buell Motorcycles 1985-2009 R.M. Clarke  
2010-10-15 The first Buell motorcycle, the  
RW750, was built in 1985 purely for  
competing in the AMA Formula 1

motorcycle road racing championship. Buell  
later turned his focus towards racing-  
inspired, street-going machines using  
engines manufactured by Harley who, in  
1998, purchased majority control of Buell

and has been a subsidiary since that time. Buell engines - which are modified Harley Davidson Sportster engines - are designed to be street-friendly both in fuel efficiency and power. They are also simple and easy to maintain. Erik Buell brought flair and innovation to both his racing and street going machines.

2020-08-05 'Masterful, magnificent. A  
passionate story of survival. This story will  
stay with me for a long time.' Heather  
Morris, author of *The Tattooist of Auschwitz*  
The war is over, but the past is never past  
... Paris, 1944. Charlotte Foret is working in  
a tiny bookstore in Nazi-occupied Paris  
struggling to stay alive and keep her baby  
Vivi safe. Every day they live through is a  
miracle until Vivi becomes gravely ill. In  
desperation, Charlotte accepts help from an  
unlikely saviour - and her life is changed  
forever. Charlotte is no victim. She is a  
survivor. But the truth of what happened in  
Paris is something she knows she can never

share with anyone, including her daughter.  
Can she ever really leave Paris behind, and  
embrace the next chapter of her life?  
Seamlessly interweaving Charlotte's past in  
wartime Paris and her present in the 1950s  
world of New York publishing, *Paris Never  
Leaves You* is a heartbreakingly moving and  
unforgettable story of resilience, love - and  
impossible choices. 'Amid the glut of World  
War II fiction, Ellen Feldman's nuanced  
romance stands out, its shifting sands of  
perception and reality set against a  
backdrop of Nazi-occupied Paris.'  
*Australian Women's Weekly* 'A thrilling  
achievement ... I was thoroughly drawn into  
a deep, rich, vivid world of engrossing  
characters and emotional and moral crises  
... a great piece of writing in every way.'  
*Forbes* 'This beautiful novel tells the  
bittersweet story of a young mother's  
strength and survival during WWII,  
effortlessly capturing the terror,

immediacy, and inextinguishable human spirit.' Noelle Salazar, author of *The Flight Girls* 'With more twists and turns than the back streets of Paris, the story is as propulsively readable as a spy novel, and as rich and psychologically rewarding as only the finest literature can be.' Liza Gyllenhaal, author of *Bleeding Heart* 'An exquisite novel that gives us what we're hungry for: an intelligent, complex female character who challenges our ideas of right and wrong, morality and immorality. Feldman achieves all of this with admirable precision and wit; she takes aim and does not miss.' Elizabeth J Church, author of *All the Beautiful Girls* 'Completely compelling. I tore through it. This novel pivots on how we manage to survive surviving ... Charlotte's visceral story will stay with me.' Naomi Wood, author of *Mrs Hemingway*

Illustrated by hundreds of photographs from private collections and corporate archives, it covers Buell's history from inception to the present. Erik Buell is, of course, at the center of this inspiring story, but the company has thrived not just because of one energetic, visionary man, but because that man was able to inspire others around him to give 110 percent to their common objectives. This story is as much about the people of Buell as it is the motorcycles of Buell. Both, as you will learn, are remarkable.
