The Story Keeper Lisa Wingate
2020-03-17 "She'd noticed immediately that I understood the lure of a good story. Sometimes a world that doesn't exist is the only escape from the one that does." When successful New York editor Jen Gibbs discovers a decaying slush-pile manuscript on her desk, she has no idea that the story of Sarra, a young mixed-race woman trapped in Appalachia at the turn of the twentieth century, will both take her on a journey and change her forever. Happy with her life in the city, and at the

top of her career with a new job at Vida House Publishing, Jen has left her Appalachian past and twisted family ties far behind. But the search for the rest of the manuscript, and Jen's suspicions about the identity of its unnamed author, will draw her into a mystery that leads back to the heart of the Blue Ridge Mountains . . . and quite possibly through the doors she thought she had closed forever.

More Equal Than Others

successful system of wealth creation, but as the key determinant of the health of political and cultural democracy. Now, renowned British journalist and historian Godfrey Hodgson takes aim at this popular view in a book that promises to become one of the most important political histories of our time. *More Equal Than Others* looks back on twenty-five years of what Hodgson calls "the conservative ascendancy" in America, demonstrating how it has come to dominate American politics. Hodgson disputes the notion that the rise of conservatism has spread affluence and equality to the American people. Quite the contrary, he writes, the most distinctive feature of American society in the closing years of the twentieth century was its great and growing inequality. He argues that the combination of conservative ideology and corporate power and dominance by mass media obsessed with lifestyle and celebrity have caused America to abandon much of what was

best in its past. In fact, he writes, income and wealth inequality have become so extreme that America now resembles the class-stratified societies of early twentieth-century Europe. *More Equal Than Others* addresses a broad range of issues, with chapters on politics, the new economy, immigration, technology, women, race, and foreign policy, among others. A fitting sequel to the author's critically acclaimed *America In Our Time*, *More Equal Than Others* is not only an outstanding synthesis of history, but a trenchant commentary on the state of the American Dream.

With a baby dinosaur to spot in each scene, there is plenty here for parents and children to talk about and return to again. Also available: Under the Sea, Wild Animals, Things That Go *More Than Make-Believe* Tymber Dalton 2012-09-01 [Siren Allure ManLove: Erotic Alternative Romance, M/M, menage elements not involving the heroes, sex toys, HEA] When you fall for a fantasy, how do you know it's more than make-believe? Travis Collins, a straight college student, finds himself in a financial bind. He'll do anything legal, including going gay for pay and spending a weekend as "Craig Rocke," with gay porn star Marston Cougar. Marston tells him to remember it's all fantasy for the camera even though it feels like more. Gary Carmeletti, also known as Marston Cougar, has a respectable day job. He started out making gay porn to pay for college. After getting his heart broken, he has a no-dating rule. Now paired with

"virgin" Craig, he finds it hard to keep it make-believe when he's losing his heart. Gary's niece needs surgery, and he almost has enough money to quit for good. But now that he feels a true connection with his fantasy costar, will he be able to find a happily ever after when he feels it's more than make-believe? NOTE: This book was previously published with another publisher. ** A Siren Erotic Romance

Most Likely to Succeed at Work Wilma Davidson

2004-10-14 As Kurt Vonnegut once said, "True terror is to wake up one morning and discover that your high school class is running the country." When it comes down to it, work--with its know-it-alls, gossips, and brown-noser--is a lot like high school. This clever and useful book helps readers identify and better communicate with these and other common types we all remember from the days when report cards, not business reports, were our concern, and when the big social event was the prom, not the

picnic. You don't need to dig out your yearbook to get a glimpse of these types--just take a look around your office: the Teacher's Pet, the Player, the Cheerleader, the Go-Getter, the Underachiever, the Class Clown, and many more. With wit and uncanny accuracy, corporate coaches Wilma Davidson and Jack Dougherty outline all the members of the "class," offering tips on working efficiently with each type, whether they're your boss, your client, or a colleague. The book also delivers advice on handling authority, conformity, looks, popularity, "sex education," and other indignities from high school that live on in the workplace. Whether you're still the same as you were in high school, a combination of types, or a reformed Rebel turned Class President, you will delight in and learn from this unique guide.

More Brilliant Answers AQA

63336 2010-08-06 Five years, two million customers, twenty million questions, and now this, the fourth book of texts from AQA 63336, the UK's most accurate text question and answer service. More Brilliant Answers highlights the weirdest, most difficult, strangest and funniest as well as revealing the most popular questions texted by the British public to 63336 over the last year. It includes prime Q&As including: Q. What was Noah's wife called? A. Noah's wife is not named in the Bible, but according to Jewish tradition her name was Naamah. 10% of Americans think Joan of Arc was Noah's wife; Q. What's smellier than an anchovy? A: Far smellier than an anchovy is titan arum, the world's smelliest plant, stinking of rotting flesh. Don't use in a bouquet, unless you want to break up; Q. How much does a ghost weigh? A. The average ghost weighs just 5.44g (1e-2 lb)

Coincidentally, this is the exact same weight as the average white cotton bedsheet, minus 2 eye holes. AQA is enduringly popular, as customers' and readers' comments show: 'You should be congratulated on hiring such humorous people'; 'AQA's word is now gospel in our lives'; 'Do you have any remedies for being addicted to AQA?'; 'I love AQA. You are like a big fat person who is all jolly and soft and I just want to hug you.'

The Book of L G. Rozenberg
2012-12-06 This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985. Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems. Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental

biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to distinguish between 0 (zero) and 0 (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L Indeed, hundreds of researchers have followed this suggestion. Some of them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Hermon and

More Shapes Than One Fred Chappell 2013-12-17 These thirteen tales are populated by an assortment of fictional as well as real characters, all of them vividly sketched and true-to-life: the botanist Linnaeus, the composer Offenbach, the poet Hart Crane, the visionary horror writer H. P. Lovecraft, a southern sheriff, a dealer in rare books, a country singer, an old maid (and her suitor), and a mathematician. Whether these stories are deemed disquieting, comic, prophetic, or tall in the telling, they show us worlds where the truth reveals itself in many shapes. Throughout the writings comprising *More Shapes Than One*, Fred Chappell's storytelling magic transforms the commonplace.

land. But Lord Rhodry, exiled from the dragon court of Aberwyn, has yet to discover his true parentage, and his swordmaster-lover, Jill, has barely glimpsed her awesome powers. Meanwhile, the ancient sorcerer Nevyn, held back by his vows from boldly intervening in their lives, can only watch and wait as Rhodry and Jill move ever closer to danger. For as the two struggle to recover the Great Stone, the mystic jewel that guides the conscience of the kingship of Deverry, malevolent dark masters are weaving terrifying spells against them--and displacing messengers of death. Katharine Kerr has extensively rewritten Darkspell, incorporating major changes in the text, making this her definitive edition. Here the epic saga that began with the Daggerspell continues--a tale of might and magic, lust and glory, dark danger and poignant desires that echo from Deverry's sapphire waters to its secret mountain caverns. It's a spellbinding story destined to please fantasy lovers

everywhere.

And he did lose consciousness recently. And coughed up blood... And then his heart stopped. For no obvious reason. But young children always scare their parents... Don't they? *More Than It Hurts You* is the compelling and devastating story of a seemingly perfect family spinning into crisis: a mother accused of harming her child, and a father shocked into realizing that the people he loves the most may be the people he should trust the least.

[Twin Cities Noir](#) Julie Schaper 2013-08-06 "Local editors Schaper and Horwitz have assembled a noteworthy collection of noir-infused stories mixed with laughter...The Akashic noir short story

anthologies are avidly sought and make ideal samplers for regional mystery collecting." -- Library Journal "The best pieces in the collection turn the clichés of the genre on their head . . . and despite the unseemly subject matter, the stories are often surprisingly funny." —City Pages (Minneapolis) Brand-new stories from John Jodzio, Tom Kaczynski, and Peter Schilling, Jr., in addition to the original volume's stories by David Housewright, Steve Thayer, Judith Guest, Mary Logue, Bruce Rubenstein, K.J. Erickson, William Kent Krueger, Ellen Hart, Brad Zellar, Mary Sharratt, Pete Hautman, Larry Millett, Quinton Skinner, Gary Bush, and Chris Everheart. "St. Paul was originally called Pig's Eye's Landing and was named after Pig's Eye Parrant--trapper, moonshiner, and proprietor of the most popular drinking establishment on the Mississippi. Traders, river rats, missionaries, soldiers, land speculators, fur trappers, and Indian agents congregated in his establishment and made their deals. When Minnesota

became a territory in 1849, the town leaders, realizing that a place called Pig's Eye might not inspire civic confidence, changed the name to St. Paul, after the largest church in the city . . . Across the river, Minneapolis has its own sordid story. By the turn of the twentieth century it was considered one of the most crooked cities in the nation. Mayor Albert Alonzo Ames, with the assistance of the chief of police, his brother Fred, ran a city so corrupt that according to Lincoln Steffans its 'deliberateness, invention, and avarice has never been equaled.' As recently as the mid-'90s, Minneapolis was called 'Murderopolis' due to a rash of killings that occurred over a long hot summer . . . Every city has its share of crime, but what makes the Twin Cities unique may be that we have more than our share of good writers to chronicle it. They are homegrown and they know the territory--how the cities look from the inside, out . . ."

Motherhood in the Twenty-First

Century Mariam Alizade

2018-02-10 Mothers in the twenty-first century confront us, both in clinical practice and in theory, with fascinating challenges that to some extent subvert the traditional maternal ideal: the motherhood of single women, motherhood in which the mother-child relationship seems minimal (in the case of very busy working mothers), teenage motherhood in which there is no true awareness of the maternal function, motherhood in couples of homosexual women, men who take upon themselves the

maternal function (men-mothers), complex motherhood by virtue of the multiple variants that have nowadays become possible thanks to new reproductive techniques, shared motherhood, surrogate motherhood, sublimated motherhood, perverse motherhood. Psycho-history, the accumulation and variety of psychoanalytic theories of femininity and motherhood, the contribution of gender studies, cross-disciplinary research, and listening to what our patients have to say - all this has yielded, in the past few decades, much controversial data that challenges orthodox classical thinking with respect to the role and function of women as mothers.

close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion

meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

More Forensics and Fiction
D P Lyle 2012-04-01 This compilation of medical and forensic science questions from crime writers around the world provides insight into the

and forensic science as well as a glimpse into the writer's creative mind. How do hallucinogenic drugs affect a blind person? Will snake venom injected into fruit cause death? How would you perform CPR in a helicopter? What happens when someone swallows razor blades? How long does it take blood to dry? Can DNA be obtained from a half-eaten bagel? D. P. Lyle, MD, answers these and many more intriguing questions. The book is a useful and entertaining resource for writers and screenwriters, helping them find the information they need to frame a situation and write a convincing description. TV viewers, readers who enjoy crime fiction, and those who want to know more about forensic science can keep up with the news and understand the science behind criminal investigation. From traumatic injuries to the coroner's office, the questions and answers are divided into five parts, making it a compendium of the incredible information that lies within the world of medicine

and forensics.

Figuring History Catharina Manchanda 2018-02

Contemporary artists Robert Colescott (1925-2009), Kerry James Marshall (b. 1955), and Mickalene Thomas (b. 1971) are distinguished by their attention to a history of representation, which they re-visit and revise to reflect on individual and collective Black experience. Equally engaged with social and political histories, and the history of art, Colescott, Marshall, and Thomas have created works that at times poignantly and satirically critique dominant narratives and posit alternatives. By considering these artists together, this thought-provoking book expands our understanding of contemporary history painting, a genre first defined during the 17th century and known for didactic paintings that often depicted Biblical or mythological subjects, and expressed the tastes and narratives of a ruling class. Colescott, Marshall, and Thomas marry appreciation of these traditional
