An Angel Just Like Me
Mary Hoffman 2007-08-31
When Tyler and his family are putting up the Christmas decorations, Tyler takes a look at the Christmas-tree angel, and asks, "Why are they always pink? Aren't there any black angels?" It's a question that no one can answer - not even his friend, Carl. And when Tyler starts combing the shops for a black angel, there are none to be found. But, late on

Christmas Day, a surprise delivery from Santa convinces Tyler that there are angels just like him.

Systematic Theology

Wayne A. Grudem
2009-05-18 The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling Systematic Theology has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies. *An Angel Told Me So* Wilma Jean Jones
2017-11-07 This amazing collection of messages and teachings dictated directly from spirit

teachers/angels from the other side compose Wilma Jean Jones' book "An Angel Told Me So." The depth and quality of these messages and teachings received and the personal nature of this material engages and allows readers to feel they also are being spoken to on a level that reflects what they are personally experiencing and speaks to the heart of those willing to accept the divine nature of this deep and thought provoking material. This body of material not only offers proof of the existence of a spiritual realm outside this physical plane, but presents communications in the form of messages and teachings dictated from spirit teachers/angels who inhabit this spiritual realm. These messages and teachings received by Wilma Jean appear to be woven with a universal thread that speaks directly to all sincere seekers of truth on a personal level as each reader feels that

they are being addressed as they deal with what is transpiring in their lives. As you read this material know that you too are being spoken to directly by the spirit teachers/angels inhabiting this realm and that these messages and teachings are intended for your edification and the advancement of your purpose in this existence. Know that as you read this material these teachings apply to your situations and that you are not alone as you walk your chosen path. Note the repeated first person references of these spirit teachers to themselves as "we," "our," and "us." The depth and quality of these messages and teachings are unlike anything you have ever read before.

Angelology: Tommy Rodriguez, 2018-06-27
THIS SINGLE-PERSPECTIVE, ONENESS THEOLOGICAL Argument was written with the sole objective of providing understanding, clarity, revelation, as well as correction to all individuals-the Believer and non-Believer alike, with regard to an extremely misunderstood, controversial, as well as notoriously mis-taught subject matter-*Angelology*: The Doctrine of Angels (including, *Demonology*: The Doctrine of Demons). Now, in achieving this objective, I have chosen to utilize an in-depth approach of the Word of God. In short, I have provided numerous Scripture texts to aid towards complete understanding as well as clarity of this greatly debatable and grossly mis-taught Biblical subject matter.

like to submit the following thesis statement as the Major Premise or Central Assertion of this theological thesis: Angels are Divinely-beautiful, created spiritual beings with moral judgment and Freewill. The Minor Premise or General Presupposition, then, rests solely upon the following Claim: Despite the war in Heaven, all Angels have maintained their God-given appearance as well as their heavenly-created hierarchal structure. In short, I will provide sound Biblical Evidence that all Angels are masculine as well as that they have maintained their heavenly appearance and hierarchal structure. Apostasy, then, is to be considered to hold to any other form of doctrine or belief that is contrary to this thesis. Hence, not only is any other belief that is contrary to this thesis seen as heresy, but it is to be acknowledged and

accepted as false doctrine. Now, with this said, please allow me to state (for the record) that the current viewpoint of the Church (including Orthodoxy Christianity), then, may be said to be laden with numerous Scriptural inconsistencies. In other words, in doing my own Biblical study and research, I have encountered much error being taught within numerous Christian denominations (i.e., Orthodoxy Christianity) as being Biblical. With this said, contrary to standard expository writing guidelines, it is my professional opinion that this has occurred due to a lack of Biblical understanding, faulty Biblical research, spiritual blindness and deafness, improper application of hermeneutics and exegesis, as well as being guilty of not having a proper walk with God (c.f., Ephesians 3:17). This, unfortunately, has caused non-Biblical

doctrinal teaching that has led to false doctrine regarding Angelology (again, including Demonology). Now, I make such a frank statement, because what is presented to you within this Single-perspective, Oneness Theological Argument, not only offers the most complete explanation of Angelology, but it provides the best Biblical Evidence as to why this Theological Argument is the most persuasive Oneness Christian Doctrinal viewpoint—it presents the most solid Biblical, contextual, hermeneutical, exegetical, and historical presentation! By the way, this Theological Thesis will be presented from a purely Apostolic Doctrinal perspective—God's perspective. As you read through this Single-perspective, Oneness Theological Argument, I ask that you momentarily suspend your doctrinal viewpoint, background, and/or tradition, then

sincerely pray-seeking after The Wisdom and Counsel of God—asking God to unveil His truth, and to provide complete understanding (including clarity, if needed) of this profound subject matter. But most importantly, to reveal the spiritual insight regarding Angels (whether Heavenly or Fallen) as is plainly described throughout the Word of God.

Highly recommend!" -Nicole Bedinghaus "The way Julie words things has changed my life in a way that no other spiritual work or religious upbringing has done for me in the past. I went on to take Julie's Angel Reiki School and was able to begin transitioning out of working as an RN to working as an Angel Reiki Master Teacher full time!" -Jennifer Odom "If you've been searching for answers about angels, then this book is the treasure you have been seeking. Reading Julie's words is like talking to a best friend about one of the most inspiring topics around. In the book, she provides in-depth information about everything related to

angels and your spiritual awakening. You will find helpful meditations, easy to implement strategies, journaling response sheets, and so much more. I devoured this book from cover to cover and am now reading it again! "I first connected with Julie through her podcast and a personal angel reading. I learned so much about angels and life in general through Julie's guidance. She brings in such love through her words. After reading this book, I reached a much deeper level of understanding of angels and how to connect with them. I feel empowered knowing I have all the tools I need to connect with my angels. I can't recommend this book enough!" -Michelle Willis

Jesus Talked to Me Today

2016-07-05 A Heartwarming Story Collection of Children's Encounters with God, Angels, and Miracles Children have a special place in Jesus' heart. He said they are the greatest in the kingdom of heaven, and their angels continually see the face of God. Perhaps that's why children seem

to be more receptive to supernatural experiences than adults. This new collection reveals how God works in the lives of these precious little ones. It contains the touching true stories of children who have heard Jesus speak, encountered angels, and experienced miracles. We could all use more childlike faith, and these stories "from the mouths of babes" will encourage readers to be open to hear from the Lord in a fresh, sweet, and pure way.

Flight of the Angels

Barton R Thom 2014-02-07 Cathy kicked her feet trying to get to shore as the current carried her out towards the open ocean. She saw some land not too far away and she kicked with all her might to reach it. Suddenly she lost sight of her Grandfather Mike and could not see him anymore. Beside Cathy was her Guardian Angel, showing her the land and telling her to kick hard. The Guardian Angel grabbed Cathy's life vest and pulled as hard

as she could to shore. As the Guardian Angel pulled on the life vest, she also prayed to GOD for help. Suddenly, as her Guardian Angel pulled on her life vest, two Angels of the LORD appeared and they tugged on the life vest, too [...] With a mighty heave, the angels pulled her to shore. Cathy could not see their motor boat or her Grandfather Mike; she was all alone. Cathy started walking north and beside her walked her Guardian Angel, looking over her charge... Flight of the Angels continues the journey of Dancing Wind and two companions, Molly and Sarah, as they travel through space and time, hand-in-hand with their Guardian Angels, to right centuries-old wrongs and send lost Spirits home. Faced with malevolent Spirits bent on doing ill from beyond and with thousands of miles of barren desert between the teenagers and civilization, the girls are repeatedly tested. With only the

aid of their Honor, Integrity, and the guidance of their Angels, they beat the odds, and along the many dusty trails within these pages, help readers to take on their own spiritual journey. This second book calls for you to continue on the trail with Dancing Wind and open your eyes to SEE the blessings we are all given, LISTEN to the advice of your beloved Spirit Guides once you know, as the teenagers do, that they are here, and ALLOW yourself to be awakened by the Flight of the Angels...

An Angel Healed Me Theresa Cheung 2010-03-04 Theresa Cheung is an expert in the field of angels and divine healing. This, her latest collection of amazing true stories, focuses on the physical and emotional help people have experienced from unexplained or ethereal sources at

times when they have been at their most vulnerable. With chapters such as 'Manifest a Miracle' and 'An Angel at My Bedside', the book tells of remarkable incidents where angels have appeared in hospital wards, at difficult births, during near-death experiences, and when someone actually dies, easing their journey from the corporeal to the spirit world. The common thread running through all these miraculous stories of healing from the inside out is that every angelic encounter provided the recipient with a strength, courage and a power they never knew they had.

Proof of Angels Ptolemy Tompkins 2016-02-11 In March 2015, millions worldwide were captivated by news reports of the dramatic rescue of an 18-month old girl, Lily Groesbeck, who'd somehow survived fourteen hours in an overturned car, submerged in an icy-cold Utah river, after her mother apparently lost control of the vehicle. Police officers arrived at the scene and heard a woman's voice spurring

them on: 'Please hurry, there isn't much time.' Yet, once the two victims were recovered, it was clear the voice could not have come from Lily's mother: she'd been killed on impact. How to explain this modern-day miracle? Ptolemy Tompkins, New York Times bestselling collaborator, with the help of responding officer, Tyler Beddoes will do just that. PROOF OF ANGELS will be the first mainstream trade book to effectively address a topic that has captivated individuals across cultures, age groups and religious beliefs for centuries. This deeply engaging, hard-hitting book is poised to do for angels what PROOF OF HEAVEN, the international bestseller by Eben Alexander on which Ptolemy Tompkins collaborated, did for Near Death Experiences. beings. Weaving real-life stories into a rich narrative exploring the history, nature and significance of angels in our lives, this book will appeal to the enormous audience who have bought books such as PROOF OF HEAVEN. PROOF OF ANGELS is poised to join the ranks of major bestselling inspirational titles by offering readers not only a highly entertaining look into a universally fascinating topic but by also delivering afresh, well-constructed and deeply reassuring message: we are not alone.

Angels of Humility

Jackie Macgirvin
2011-03-01 Pastor Paul is a young seminary graduate called as interim pastor to a small rural church. He is full of zeal, but mostly for self-promotion. He sincerely loves the Lord but his past emotional wounds leave him vulnerable and in need of attention and affirmation. He constantly frustrates his angel, Saldu, who

tries to steer him toward a more humble attitude. Sarah Edwards is a new church member, a recent widow who gets saved at age 71. Unknown to her, Sarah has two angels to help disciple her and she is maturing rapidly in the faith. She is confused by her prophetic gifting, which leads her to offend some church members. She also prayer walks in front of Pastor Paul's house. When his wife sees her pacing back and forth "talking to no one," Paul quickly writes her off as a "wacko." Through the lives of Paul and Sarah you will see that the really wonderful news is that living a life pleasing to God has nothing to do with gritting your teeth and trying harder (again and again and again). God rewards you for simple, loving, serving actions throughout your days, stepping outside your own concerns to truly see others in His name.

how to communicate with the angels, boost your intuition and receive powerful guidance, divine support and lifelong healing. Kyle Gray is one of the UK's most sought-after angel experts. He discovered his spiritual gift at the tender age of four and now dedicates his life to helping others tune in to their own intuitive talents. In this book, Kyle teaches readers how to connect with the angels and bring their divine, loving presence into all areas of life for powerful transformations. You will learn: - how to connect to your own guardian angel - how to see, hear and feel the presence of the angels - ways to communicate with the angels and powerful methods to seek their help - how to receive messages from the angels and truly trust their guidance - the different types of angels and their role in each area of your life This title was previously published as *Angels* (Hay House

Basics series).

Desiring God John Piper 1996 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Fourteen Types of Angels Passion Java 2017 This subject of Angels is dear to me. I have seen angels since birth, but I thought it was normal. The day I had an encounter with Jesus is when I realized that it was not normal. It has become my quest to teach ordinary people how they can tap into the realm of the spirit, see extraordinary things and begin to encounter angels. *Fourteen Types of Angels* uncovers the mysteries about the diversities of these beings that aid the people of God and serve in the Kingdom of God. This book is designed to enlighten you on angelic beings and their activities. It is my

prayer that you may be elevated to function at the level of seeing angels.2 Kings 6:17 And Elisha prayed, and said, LORD, I pray thee, open his eyes, that he may see. And the LORD opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha. Through reading and meditating on this book may your eyes be opened to see in the spirit realm.

Systematic Theology, Second Edition Wayne A. Grudem 2020-12-08 This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each

doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of

theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the

topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

Angels Speak to Me
Dennis Wayne Schroll
2012-09-24 Providing insights into the spiritual world and God's plans for mankind's future, *Angels Speak to Me* chronicles the visions author Dennis Wayne Schroll has experienced throughout his lifetime. A variety of angels, archangels, cherubim, and heavenly people—as well as God—have spoken to Schroll, and they have predicted a new age in which new prophets will bring forward words from God into the world. Through these visions, *Angels Speak to Me* explains how one is saved, why one must be saved to prevent torment, how it is important to ask God for help in getting to heaven, and how to continue a Christian life with God's support.

2006-06-26
Angels Inspire Me was written to inspire other people who love angel stories, and to motivate people to learn and grow spiritually. A letter to the president of the United States was written because I was concerned about our countrys future. Angels Inspire Me tells readers about angels and what their duties are. There are good and bad angels on earth and in heaven. I researched Bible Prophecy and wrote concerning End Time events. God is the only one who knows the future, and when Jesus is coming back in the rapture. Gods love lifted me, and I was inspired by His creations, angels.

Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." -- Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies,

Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople-- who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly

as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

Angels of God: The Bible, the Church and the Heavenly Hosts Mike Aquilina 2009-03-09

"Angels are a large part of reality and, as with other large parts of reality—speeding Mack trucks, for example, or looming brick walls—we benefit greatly from their service, and we ignore them at our peril."—From the Introduction Angels are everywhere—as a matter of fact, right at your side. Forget the sweet-faced cherubs of popular culture, however, and brace yourself for a far more potent reality: powerful heavenly beings who play a significant role in the personal drama of daily life—your life.

A Choice of Angels Charles Sobczak 2003 Daniel Harris, the son of a southern Baptist minister, falls in love with Ayse Yalcin, the

daughter of a Muslim businessman from Turkey, and when their families disapprove of their relationship, Daniel and Ayse decide to elope.

An Angel Spoke to Me Theresa Cheung 2011-02-03

Theresa Cheung, author of the Sunday Times bestselling, *An Angel Healed Me*, returns with a brand new collection of astonishing true stories about the many different ways our guardian angels speak to us and reveal their divine messages of comfort, guidance and inspiration. The remarkable and honest accounts in *An Angel Spoke to Me* are proof that extraordinary things can and do happen to ordinary people, healing and transforming their lives in the process. These remarkable stories of

angelic intervention remind us that there is so much more to this life than we will ever know. From out of nowhere, in our troubled world, our angels can send us much needed messages of comfort, mercy, goodness and love from the other side.

Teach Me About Angels

An Angel to Watch Over Me Joan Wester Anderson
2012-03-01 Children are known to have wild imaginizations, which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder than when a child reports a personal encounter with an angel, adults tend to dismiss it with a wry smile and say, "That's nice, sweetie. Why don't you go outside and play?" But Joan Wester Anderson says "not so fast." If Jesus himself taught that the kingdom of heaven belongs to children, there's no reason in the world not to believe that God can reveal his love to little ones through

angels. In *An Angel to Watch Over Me* (originally published by Random House in 1994, with sales of 150,000 copies), Anderson shares more than 30 stories of children's experiences with celestial beings--from a boy whose angels helps him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home. From angels who combat evil and darkness to angels who bring news of comfort and joy, each of these accounts is grounded in traditional Christian belief, eschewing any New Age interpretation of the events. For all who are open to the possibility that even children can have authentic spiritual lives--and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers--this book is sure to stir the soul and fan the faith. *Angels Are for Real*

Angels and How They Interact with People
Angels have a vital role in the Kingdom of God-- and in the lives of believers. Yet many Christians treat the existence of angels lightly or fail to consider them at all. In *Angels Are Real* Judith MacNutt pulls back the curtain on this intriguing topic, recounting inspiring, true-life stories and miraculous interactions, revealing what the Bible says about these heavenly beings, and offering insight into

the spiritual realm. She draws on solid scriptural support to explore · what angels look like · what they do · why they are important in believers' lives · the heavenly hierarchy · what fallen angels are · and more. *Angels Are Real* is an accessible, comprehensive, encouraging guide for Christians. When believers grasp the importance of angels to God--and themselves-- they will better understand God's power and his extraordinary love.
