The Music of My Soul Michael Rabideau 2017-10-20

I must begin my latest venture into the world of the November Book Challenge with a brief explanation of what brought me here. The serpentine route I took to get my Point A to Point

B is mapped with good intentions, a love of music, and my dedication to my family, to my career, and to my Al-Anon program. Sirius Radio has been my saving grace. The first three things I do when I get into the car are fasten my seat belt, turn on the ignition, and turn on the radio. Those three simple

tasks get my day started, and they provide me with the impetus to do what I choose to do each and every day. The channels I listen to provide me with inspiration and words of encouragement; The Message, The Blend, The Broadway Channel, Love, and Joel Osteen Radio are my companions on the road to and from school and home. While I was contemplating the subject of my fifth book, I realized that I could kill two birds with one stone. I have been the District Representative for District 26 in Al-Anon for the past six years, and part of my position has asked me to do service and provide a message of recovery for anyone interested in hearing about my experience, strength, and hope. The twelfth step in Al-Anon explains that as part of having a spiritual awakening, I should spread this message and incorporate it into all aspects of my daily life. Here was the quandary. How could I talk about Al-Anon and make the connection to what I

listen to on Sirius Radio on a daily basis? That formed the premise of my current project and enabled me to take this journey of self-discovery for myself and for anyone else interested in this proposal. The rest of this book breaks down the process in several ways. I have included the song lyrics with the title. Then I have analyzed the song on a number of levels to provide you, the reader, with my interpretation of the song's message and how it dovetails with the basic message of Al-Anon. My disclaimer at this point is that this is not CAL (Conference Approved Literature), but simply my own humble interpretation of the words contained herein. If I offend anyone with my take on the songs and the connection, I apologize here and now. As you read the song lyrics and interpret the meanings for yourself, realize where I was coming from as I presented my own thoughts and views of the material. In the Al-Anon program, we stress the

fact that this recovery program is a spiritual philosophy, not a religious mantra. A number of the songs refer to God, but anyone can have a Higher Power to turn to in his or her time of need. I also have morphed my feelings toward the messages contained in this volume into a vision that melds a Higher Power and the people in the program into a unified support system. Therefore, you may see that when I discuss the individual songs, I could be reaching out or appealing to more than one possible source of help. I have also included profiles of the contributors in this volume. These short biographical excerpts are taken from Wikipedia, which is only one place to find background information on these artists and their songs, music, and messages. My third section provides the reader with a discography of the songs and where they can be located on Sirius Radio. While there are hundreds of channels available on this service, I

only used the ones I listen to on my radio or computer. Feel free to explore the entire Sirius Radio network at your leisure. Are you ready to begin this musical journey? I hope you enjoy yourself, and if you bring away any message that helps make your life a better one, then I will have done what I intended to do from the beginning.

Passport to World Band Radio 1998 Lawrence Magne 1997-09-16 Elegant rusticity meets unpretentious luxury in the work of this award-winning architecture firm. Howard Backen, award-winning principal of the architecture firm Backen Gillam Kroeger, is at the center of a popular movement in home design that emphasizes comfort over pretension and elegant simplicity over complication that tends to serve the ego of architects. This volume, the first on his work and that of the firm, is an artful exploration of that this aesthetic, featuring farmhouses in the Napa Valley,

hilltop homes, seaside retreats, and lakeside hideaways. Throughout the work, a sense of intimacy, warmth, and informality pervades. Natural materials, such as wood, stone, and brick form the foundations, walls, and ceilings of these subtly luxurious spaces, while nature itself plays a considered role that is at once complementary and also intricately conjoined with the work. Long vistas open outward toward sun-drenched valleys from the window-lined wall of a bedroom in one home, while more immediate scenes of steeply rising hillsides and hidden lakes appear from just beyond the back stoop--and the rough-hewn-board dock--of another. Sensitive, alluring, and wonderfully resonant with the suggestion of invitation, the work of Backen Gillam Kroeger is both thrilling to the eye and restorative to the soul.

Naturally Composed Marty Straub 2016-08-12 A look at why we are interested in what we see in art. Are we born with aesthetic preferences that are shaped by cultural influences? Is our natural attraction to Beauty another weapon in our arsenal of species' survival? This book examines many so-called rules of composition in the visual arts to find natural reasons for their existence. It is designed to aide the visual artist and those who appreciate their work by bringing attention to subtle cues of attraction cultivated by our ancient and immediate ancestors. It calls upon recent work in neuroaesthetics and other scientific disciplines to back up its speculative claims, and asks the reader to contribute opinions of their own on the books' website at naturallycomposed.com. There are many examples of photos in the book, and the reader is again asked to insert their own examples to enforce or refute the claims.

More Than a Game Mark Collins 2016-05-04 Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the

killer before he finds me. I have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.

Sixth Sense Eugene N. Nwosu 2017-03-21 The world is simpler than it seems. Everything that happens occurs because of cause and effect. Eliminate the cause of relationship problems, poverty, health issues, and disharmony-and you change the effect. Too often, though, we look for external causes, when the true cause lies within our own all-powerful and divine subconscious minds. The universe is made up of interconnected energy- and what are our thoughts if not pure energy? Change the workings of your inner mind, and you can quite literally change your life. In Sixth Sense, noted holistic success coach Eugene N. Nwosu provides a set of deceptively simple tools designed to help you "rewire" your subconscious mind, change your life, and acquire the enlightenment and wisdom vital for true balance, equilibrium, and success. Nwosu's practical affirmations help harness

the mind's ability to operate in harmony with the unchanging rules of the infinite, divine universe. Simpler and easier to incorporate into everyday life than The Secret and its complexities, Sixth Sense frees you from the limitations of entrenched thought patterns, creating instead full engagement in your passions and dreams. Once properly aligned with the universe, you will succeed-all the time. *Passport to World Band Radio 2003* Lawrence Magne 2002-10 Explains how to tune in news and entertainment from countries around the world, rates various world band radios, and provides a detailed broadcasting schedule **Santa's Snowy Adventure** Tracy Elman 2014-09 In this award winning book, Santa's sleigh gets frozen to the ice it takes lots of teamwork and some creative thinking by Jeffery the Surfer Reindeer to be sure Christmas is not missed The author has written in a wonderfully magical way about this

"As enjoyable as a day at the beach." That's how

USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

Blind Passenger Melissa Tate 2015-10-09 We've all been there. EVERYONE knows someone who has had their share of binge drinking, mood swings, or addiction that has stretched a relationship to its limits. Dr. Melissa Tate is a popular psychology consultant and licensed professional counselor who takes you on a personal journey of self-disclosure and transparency. Often described as an easy going, juggling-it-all, classy and professional single mom, you would be remiss to assume she has always had it all. Vicariously stuck on the emotional roller coaster of her loved ones' mental instability and self-medicating, addictive behaviors, she has had to literally and figuratively pick herself up from some raw and shocking situations. Through two failed marriages and a shattered sibling bond, she gives you a front row seat to her internal struggle as a blind passenger. A memoir-esque snapshot of these three relationships is used as a platform for broader,

often under-discussed, therapeutic conversations about domestic violence and addiction in the family system. And she gets it. She knows how you feel and where you've been-not merely because she has read about it or counseled people through it-because she has lived it. In being transparent about her intimate experiences with broken relationships, Dr. Tate is able to provide a personal and professional insight for regaining your peace of mind amidst a wild ride.

World radio TV handbook 1991

On the Short Waves, 1923_1945 Jerome S. Berg
1999-03-01 As radio developed in the early 1920s, the focus for most people was the AM band and stations such as KDKA, the first broadcast station. There was, however, another broadcast method that was popular among many early enthusiasts-- shortwave radio. As is true today, the transmission of news and entertainment programs over shortwave frequencies permitted reception over great distances. For many in America and beyond, shortwave was an exciting aspect of the new medium. Some still tune the shortwave bands to enjoy the programming. Others pursue broadcasts for the thrill of the hunt. This book fully covers shortwave broadcasting from its beginning through World War II. A technical history examining the medium's development and use tells the story of a listener community that spanned the globe.

passport-to-world-band-radio

Included are overviews of the primary shortwave stations operating worldwide in the 1930s, along with clubs and competitions, publications and prizes. A rich collection of illustrations includes many QSLs, the cards that stations sent to acknowledge receipt of their transmissions and that are much prized by long-distance collectors.

Passport to World Band Radio 1989

Passport to Worldband Radio 2nd Edition

1998-04-06

Ghost of a Rose Steven K. Craig 2012-11-27 Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to

you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential

portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the first romance of it's kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as

melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place. Through the eyes of the author, you'll

bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie Perez
