Sinner's Game J. Kenner 2022-02-15 What's more dangerous—a killer attraction that breaks all the rules, or the true killer who's closing in? Security consultant Ronan Thorne might be sex on a stick, but that doesn't mean I should want him. After all, I'm Brandy Bradshaw, the Girl With the Worst Luck With Men. As for that one kiss we shared? That was nothing but a drunken mistake between friends. I know perfectly well that Ronan's not a relationship guy. He's got dark edges and dangerous secrets and so many scars. But when I find my landlord dead in my living room, shot with a single bullet to the head, Ronan's the man I cling to. I feel safe in his arms, and he has the skills to figure out what's happening. Except what he learns is that a case of mistaken identity has made me the next target. Now we're on the run together, but I'm not prepared for the heat that flares between us, or the tantalizing things he does to my body when we give in to temptation. He soothes my fear by showing me a different type of danger, sensuous and wild. It's miraculous and wonderful, but terrifying, too. Because as soon as we catch the killer, I'm afraid Ronan will leave. And when he does, I know my heart will shatter. book in J. Kenner's hotly anticipated new trilogy, Dirtiest Secret! The Stark Trilogy: RELEASE ME | CLAIM ME | COMPLETE ME He was the one man I couldn't avoid. And the one man I couldn't resist. Damien Stark could have his way with any woman. He was sexy, confident, and commanding: Anything he wanted, he got. And what he wanted was me. Our attraction was unmistakable, almost beyond control, but as much as I ached to be his, I feared the pressures of his demands. Submitting to Damien meant I had to bare the darkest truth about my past—and risk breaking us apart. But Damien was haunted, too. And as our passion came to obsess us both, his secrets threatened to destroy him—and us. Forever. The Most Wanted Series: WANTED | HEATED | IGNITED Three men, three seductive novels: Evan Black embodies her every fantasy: brilliant, fierce, devastatingly handsome—and burdened with secrets. But there are some temptations she just can't fight. Tyler Sharp always gets what he wants. She thought she was the one woman strong enough to resist him, but one touch and she was hooked, one night and she became his. Cole August promised to take her as far as she could go—and she wanted to go to the edge. Not many women can handle his past, but something about him beckons her to play the game of desire. The Stark International Trilogy: SAY MY NAME | ON MY KNEES | UNDER MY SKIN I never let anyone get too close—but he's the only man who's ever made me feel alive. Meeting Jackson Steele was a shock to my senses. Confident and commanding, he could take charge of any room . . . or any woman. And Jackson wanted me. The mere sight of him took my breath away, and his touch made me break all my rules. Our bond was immediate, our passion untamed. I wanted to surrender completely to his kiss, but I couldn't risk his knowing the truth about my past. Yet Jackson carried secrets too, and in our desire we found our escape, pushing our boundaries as far as they could go. Learning to trust is never easy. In my mind, I knew I should run. But in my heart, I never felt a fire this strong—and it could either save me or scorch me forever. Praise for the novels of J. And one woman could expose all his secrets. Once, he worshipped Eliza Tucker. He adored her body and then broke her heart. But now she needs help, and he's the only man that can do it. Quincy knows he must either turn his back on her or risk revealing his dark past to the one woman who can—and will—tear open his old wounds. For years, Eliza has tried to forget the man who shattered her. His smoldering good looks had drawn her in; his British charm had enchanted her. But it was the wildness of his seduction and the ferocity of his passion that captured her. She'd given herself to him—and he'd destroyed her. Now, he's the only person who can help find her missing sister. She'll use him because she has to. She'll pay anything he demands, whether in the bank or the bedroom. She won't fall for him again. She's confident that not even Mason's long-term, deep-cover assignment will shake their bond. And she certainly doesn't anticipate that when he finally walks back through her door that he'll have no memory of her, himself, or their time together... When Mason is pulled out of an operation gone bad, all he knows is what he's told — that he was a covert agent, that he has information vital to national security somewhere in his head, and that they can tell him no more for fear of burying those hard-fought secrets even further. They tell him nothing else; not even that the beautiful

woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason's mind, it's not their past that will be tested, but the tenuous new love now burning hot between them. **RUINED WITH YOU** When her high maintenance boss is assaulted, manager Xena Morgan contacts the only person who can help—the sexy, arrogant, incredibly capable Stark Security agent Liam Foster. The former vigilante takes every case personally, and he's determined to find answers—particularly since he thought he'd cleared this threat already. Xena had been thrilled when Liam completed his assignment, because he affected her in ways she didn't want to contemplate, awakening yearnings that threatened her deepest secrets. But now she needs him, and her body won't let her forget it. As their attraction heats to a feverish degree, the web of lies, danger, and passion they find themselves in tangles further. Liam will stop at nothing to protect his client, even if it means sacrificing everything he holds dear ... and exposing the secrets that may destroy him—and Xena—forever.
