Flying Creatures of Fra Angelico Antonio Tabucchi  
2012-10-16 Hypochondria, insomnia,  
restlessness, and yearning are the lame muses of  
these brief pages. I would have liked to call them  
Extravaganzas . . . because many of them  
wander about in a strange outside that has no  
inside, like drifting splinters. . . . Alien to any orbit,  
I have the impression they navigate in familiar  
spaces whose geometry nevertheless remains a

mystery; let's say domestic thickets: the interstitial  
zones of our daily having to be, or bumps on the  
surface of existence . . . In them, in the form of  
quasi-stories, are the murmurings and mutterings  
that have accompanied and still accompany me:  
outbursts, moods, little ecstasies, real or  
presumed emotions, grudges, and regrets.

—Antonio Tabucchi on *The Flying Creatures of  
Fra Angelico* From the Trade Paperback edition.

**The Opposite of Me** SARAH PEKKANEN

2011-09-01 Twenty-nine-year-old Lindsey Rose has, for as long as she can remember, lived in the shadow of her devastatingly beautiful twin sister, Alex. Determined to get noticed, Lindsey is finally on the cusp of being named creative vice president of an elite New York advertising agency, after years of eighty-plus hour weeks, migraines and profound loneliness. But during the course of one devastating night, Lindsey's

carefully constructed life implodes. Humiliated and desperate, she flees the glitter of Manhattan and retreats to the time warp of her parents' Maryland home. As her sister plans her lavish wedding to her prince charming, Lindsey struggles to maintain her identity as the smart, responsible twin, while she furtively tries to put her career back together. But things get more complicated when a long held family secret is unleashed that forces both sisters to reconsider who they are and who they are meant to be.

How Contagion Works Paolo Giordano

2020-03-23 'Lucid, calm, informed, directly helpful  
in trying to think about where we are now... The  
literature of the time after begins here' Evening  
Standard 'Taking a breather from bewildering  
statistics and terrible tales of contagion to read  
Giordano's book was a jolt of brevity and  
simplicity... It takes concepts that have been  
dancing away in our minds, just out of reach, and  
lines them up neatly' The Times 'Potent and  
original' Sunday Times 'In one short hour, in the

midst of this difficult moment, Giordano reinforced  
my sense of hope in humanity, in the one and the  
many' Philippe Sands, author of East West Street  
and The Rat Line The Covid-19 pandemic is the  
most significant health emergency of our time.  
Writing from Italy in lockdown, physicist and  
novelist Paolo Giordano explains how disease  
spreads in our interconnected world: why it  
matters how it impacts us how we must react  
Expanding his focus to include other forms of  
contagion - from the environmental crisis to fake  
news and xenophobia - Giordano shows us not  
just how the coronavirus crisis got so bad so

quickly, but also how we can work together to create change. Paolo Giordano is a physicist and the author of four bestselling novels. His article 'The Mathematics of Contagion' - published in Italy at the beginning of the coronavirus emergency - was shared more than 4 million times and helped shift public opinion in the early stages of the epidemic.

**If Venice Dies** Salvatore Settis 2016-09-10 In the tradition of Jane Jacobs' *The Death and Life of Great American Cities* comes an urgent plea from internationally renowned art historian Salvatore Settis to preserve Venice's future. What is Venice

worth? To whom does this urban treasure belong? Venetians are increasingly abandoning their hometown – there's now only one resident for every 140 visitors – and Venice's fragile fate has become emblematic of the future of historic cities everywhere as it capitulates to tourists and those who profit from them. In *If Venice Dies*, a fiery blend of history and cultural analysis, internationally renowned art historian Salvatore Settis argues that “hit-and-run” visitors are turning landmark urban settings into shopping malls and theme parks. He warns that Western civilization's prime achievements face impending

ruin from mass tourism and global cultural homogenization. This is a passionate plea to secure Venice's future, written with consummate authority, wide-ranging erudition, and élan.

**The New Populism** Marco Revelli 2019-07-09 A crisp and trenchant dissection of populism today. The word 'populism' has come to cover all manner of sins. Yet despite the prevalence of its use, it is often difficult to understand what connects its various supposed expressions. From Syriza to Trump and from Podemos to Brexit, the electoral earthquakes of recent years have often been grouped under this term. But what actually

defines 'populism'? Is it an ideology, a form of organisation, or a mentality? Marco Revelli seeks to answer this question by getting to grips with the historical dynamics of so-called 'populist' movements. While in the early days of democracy, populism sought to represent classes and social layers who asserted their political role for the first time, in today's post-democratic climate, it instead expresses the grievances of those who had until recently felt that they were included. Having lost their power, the disinherited embrace not a political alternative to -isms like liberalism or socialism, but a populist mood of

discontent. The new populism is the 'formless form' that protest and grievance assume in the era of financialisation, in the era where the atomised masses lack voice or organisation. For Revelli, this new populism the child of an age in which the Left has been hollowed out and lost its capacity to offer an alternative.

**La scuola di Lucignolo** Francesco Dell'Oro

2014-04-15T00:00:00+02:00 Tra interrogazioni, compiti in classe, piani ministeriali che dettano l'agenda scolastica come se fosse la tabella di produzione di una catena di montaggio, disinteresse, svogliatezza o eccessiva

esuberanza, pianti, urla, frustrazioni e disillusioni, la scuola sembra talvolta distribuire più sofferenza di conoscenza. Perché? E come uscirne vivi, prima che un'esperienza scolastica negativa marchi indelebilmente il percorso di apprendimento e di formazione, e quindi di vita, dei nostri ragazzi, fino a indurli alla sfiducia, magari all'abbandono scolastico e, con esso talvolta, alla rinuncia ai loro sogni per il futuro? L'autore propone un singolare viaggio alla scoperta dei motivi reali che si celano dietro tante difficoltà e alla ricerca di una scuola di qualità, rigorosa, accogliente e da vivere con passione e

tanta curiosità. Un obiettivo che si delinea attraverso il racconto delle storie, dei desideri, delle preoccupazioni che caratterizzano l'esperienza quotidiana degli adolescenti, dei genitori e degli insegnanti. Un obiettivo che si realizza in una scuola, quasi, alla rovescia: la scuola di Lucignolo.

*Religious Narratives in Italian Literature after the*  
*Second Vatican Council* Jenny Ponzo 2019-03-18

This book presents a semiotic study of the re-elaboration of Christian narratives and values in a corpus of Italian novels published after the Second Vatican Council (1960s). It tackles the complex set of ideas expressed by Italian writers about the biblical narration of human origins and traditional religious language and ritual, the perceived clash between the immanent and transcendent nature and role of the Church, and the problematic notion of sanctity emerging from contemporary narrative.

**Pirati circolari** Rafael Estrada 2019-01-21 Una scuola di pirati, un galeone, un'isola, un mistero e

un complotto. Il giorno stesso del suo settimo compleanno, il ragazzo che sarà chiamato Nasone viene sequestrato e rimane prigioniero per mano del capitano Garsen. Impressionato ma non impaurito, si lascia condurre fino all'unica scuola per pirati del mondo. Lì viene addestrato insieme ad altri ragazzi a convertirsi in un pirata leggendario. Le materie teoriche includeranno dalla Storia della Pirateria, fino alle tecniche di combattimento, sopravvivenza, nozioni d'astuzia e molte altre tecniche interessanti che dovranno mettere in pratica quando cominceranno le vere avventure in alto mare. Avventure, sopravvivenza,

amicizia e miglioramento. Quando Lewis, Caprastorta e i suoi terribili seguaci abbordano il galeone nel bosco, tutti si domandano chi sia in realtà il capitano Garsen e perché sia scappato. Alcuni pensano che sia un traditore ed un codardo, altri, che aspetti pazientemente in un luogo nascosto in attesa di portare a termine la sua bramata vendetta. Tuttavia, nulla è come sembra. "Un romanzo molto piacevole, con azioni incatenate che si agganciano ad un finale a sorpresa. Un romanzo che si legge tutto d'un fiato e consiglio di leggerlo a tutti coloro che vogliono sentirsi più giovani e liberi per un momento. A chi

non sarebbe piaciuto essere addestrato in una scuola pirata e solcare i mari con i propri compagni?" (UN TINTERO DE SAPPHIRE)

East of Eden John Steinbeck 2002-02-05 A

masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of

Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

Universal Design for Learning in the Classroom

Tracey E. Hall 2012-07-31 "Clearly written and

well organized, this book shows how to apply the principles of universal design for learning (UDL) across all subject areas and grade levels. The editors and contributors describe practical ways to develop classroom goals, assessments, materials, and methods that use UDL to meet the needs of all learners. Specific teaching ideas are presented for reading, writing, science, mathematics, history, and the arts, including detailed examples and troubleshooting tips. Particular attention is given to how UDL can inform effective, innovative uses of technology in the inclusive classroom. Subject Areas/Keywords: assessments, classrooms,

content areas, curriculum design, digital media, educational technology, elementary, inclusion, instruction, learning disabilities, literacy, schools, secondary, special education, supports, teaching methods, UDL, universal design Audience:

General and special educators in grades K-8, literacy specialists, school psychologists, administrators, teacher educators, and graduate students"--

*The Notebook* Nicholas Sparks 2011-04-07

Celebrating 25 years of *The Notebook* - the classic novel which became the heart-wrenching film. \* Once again, just as I do every day, I begin

to read the notebook aloud... Noah Calhoun has returned from war and, in an attempt to escape the ghosts of battle, he sets his mind and his body to restoring an old plantation home to its former beauty. But he is haunted by memories of the beautiful girl he met there years before. A girl who stole his heart at the funfair, whose parents didn't approve, a girl he wrote to every day for a year. When Allie Hamilton shows up on his doorstep, exactly as he has held her in his memory for all these years, Noah has one last chance to win her back. Only this time, it's not just her parents in the way - Allie is engaged and

she's not a woman to go back on her promises.  
The Notebook is the love story to end all love stories - it will break your heart, heal it back up and break it all over again. Praise for Nicholas Sparks: 'A fiercely romantic and touching tale' Heat 'An A-grade romantic read' OK! 'Pulls at the heartstrings' Sunday Times 'An absorbing page-turner' Daily Mail 'This one won't leave a dry eye' Daily Mirror

**Czech: An Essential Grammar** James Naughton  
2006-03-29 Czech: An Essential Grammar is a practical reference guide to the core structures

and features of modern Czech. Presenting a fresh and accessible description of the language, this engaging grammar uses clear, jargon-free explanations and sets out the complexities of Czech in short, readable sections. Suitable for either independent study or for students in schools, colleges, universities and adult classes of all types, key features include: \* focus on the morphology and syntax of the language \* clear explanations of grammatical terms \* full use of authentic examples \* detailed contents list and index for easy access to information. With an emphasis on the Czech that native speakers use

today, Czech: An Essential Grammar will help students to read, speak and write the language with greater confidence.

After the War Hervé Le Corre 2017-06-29 1950's Bordeaux. Even now, the Second World War is never far from people's memories, particularly in a city where the scars of collaboration and resistance are more keenly felt than ever. But another war has already begun. A war without a name, far away across the sea, in Algeria, where young men are sent to fight in a brutal conflict. Daniel knows what awaits him. He's heard stories. Patrols, ambushes, reprisals, massacres,

mutilations, all beneath a burning north African sun. He has just a month left before he leaves but, haunted by the loss of his parents and sister in the atrocities of the last war, Daniel questions why he is even going to fight in the first place. Meanwhile, past crimes are returning to haunt Albert Darlac, the godfather of Bordeaux: corrupt police chief, fascist sympathiser and one-time collaborator. Before long, a series of explosive events will set off a spiral of violence that will bring the horrific legacy of wars past and present to the streets of Bordeaux. **The Father's Tale** Michael D. O'Brien 2011-08-31  
"A modern retelling of the parables The Good

Shepherd and The Prodigal Son." - Michael  
O'Brien Canadian bookseller Alex Graham is a  
middle-age widower whose quiet life is turned  
upside down when his college-age son  
disappears without any explanation or trace of  
where he has gone. With minimal resources, the  
father begins a long journey that takes him for the  
first time away from his safe and orderly world.  
As he stumbles across the merest thread of a  
trail, he follows it in blind desperation, and is led  
step by step on an odyssey that takes him to  
fascinating places and sometimes to frightening  
people and perils. Through the uncertainty and

the anguish, the loss and the longing, Graham is pulled into conflicts between nations, as well as the eternal conflict between good and evil. Stretched nearly to the breaking point by the inexplicable suffering he witnesses and experiences, he discovers unexpected sources of strength as he presses onward in the hope of recovering his son--and himself.

**Un americano alla corte di re Artù** Mark Twain  
2016-03-16T00:00:00+01:00 Un americano alla corte di re Artù racconta la storia di Hank Morgan il più yankee degli yankees: nato ad Hartford, nello Stato del Connecticut il quale si ritrova

inspiegabilmente catapultato nella mitica Camelot, sotto il regno del leggendario re britannico Artù. Hank, uomo dotato di grande abilità manuale e buone conoscenze scientifiche, spirito libero e anticlericale, non prova alcuna soggezione al cospetto di dame e cavalieri, mitici eroi e fate crudeli. Infatti per lui Lancillotto, Morgana o Sagramor non sono che ridicoli cialtroni che si fanno strada a forza di menzogne e pregiudizi immotivati, e per quanto Hank possa provare una certa stima per il re, di certo si fa beffe del suo presunto diritto divino a governare. Tra peripezie e avventure di ogni tipo, il nostro simpatico

americano riesce abilmente a farsi largo nell'arcaica società di Camelot scalzando il povero Merlino e creandosi la fama di mago potentissimo prevedendo eclissi, costruendo linee telegrafiche e applicando la tecnologia del XIX secolo al VI secolo. Mark Twain (1835-1910) è stato uno fra gli scrittori più celebri e amati della letteratura americana a cavallo fra Otto e Novecento. I suoi romanzi per ragazzi, *Le avventure di Tom Sawyer* e *Huckleberry Finn*, hanno formato intere generazioni, ma Twain fu anche un fine umorista e un severo e irriverente critico delle vanità e ipocrisie della società del suo tempo, aveva una

grande passione per la scienza e una beffarda ironia verso le religioni. Anticipò il genere fantastorico (con *Il principe e il povero* e *Un americano alla corte di Re Artù*), e per influenza che avrà sui temi e il linguaggio della letteratura americana successiva sarà definito da Faulkner il «primo vero scrittore americano». Quando mi riebbi, ero seduto sull'erba sotto a una quercia, davanti ai miei occhi un vasto panorama di campagna, splendido e tutto per me o quasi. Non era proprio così, infatti c'era un tale a cavallo che mi guardava dall'alto in basso un tale che pareva appena uscito da un libro di illustrazioni.

Indossava unarmatura di ferro antica che lo copriva da capo a piedi, e in testa aveva un elmo a forma di barile con le fenditure per gli occhi; e portava uno scudo, e una spada, e una lancia di lunghezza prodigiosa; e per giunta il cavallo portava unarmatura, oltre a un corno dacciaio che gli spuntava dalla testa e magnifiche bardature di seta verde e rossa appese tutto intorno come una trapunta che quasi toccavano terra. «Messere, volete giostrare?»

Disegni di Leonardo da Vinci posseduti da Giuseppe Vallardi dal medesimo descritti ed in parte illustrati. [With plates.] Giuseppe VALLARDI

(the Elder.) 1855

*Almarina* Valeria Parrella 2021-07-22 'One of the most beautiful books published in recent years: an intense, poignant story' Caterina Bonvicini Can a prison free those who enter? Nisida, moored like a boat in the Mediterranean, is a small island nestled between Capri and Bagnoli, off the coast of Naples. Each day, through the early morning light, Elisabetta Maiorano travels across the city, passes by the guards on the way into the detention centre, hands over her bag and arrives at her classroom. All thoughts are suspended once inside. Usually Elisabetta hasn't spoken to

anyone since the day before; her only reason for living to teach mathematics to the group of young inmates who arrive not long after she does. But one day, Almarina shows up and everything changes. She is Romanian and bears the signs of her personal history on her body. Together, closed up in a small classroom, a true island within an island, Elisabetta and Almarina discover a possible pathway to freedom. Warm and intimate, intense and political, Valeria Parrella touches our emotions, giving voice to a loneliness that is universal. Almarina is about finding love in unexpected places, about atonement, forgetting

and starting over. But mostly it is about two women learning how to live again. Translated by Alex Valente

**The Field of Ice** Jules Verne 2008-01-28 An exhilarating narrative of an obsessed British expediter by Jules Verne. This northward excursion led by Captain Hatteras is full of life-threatening adventures and hair-breadth escapes of him and his crew. As he discovers the truth about the polar terrain, this work presents amazing possibilities. A bitter-sweet ending awaits the readers in this mind-boggling thriller!

Marianna Sirca Grazia Deledda 2006 Jan

Kozma's translation of Marianna Sirca is the near-literal rendering of a novel written by Grazia Deledda (1871-1936), the celebrated Italian author from Sardinia who won the Nobel Prize for Literature in 1926. Almost all of Deledda's stories treat the lives, loves, tragedies, and triumphs of the author's native land - the remote, isolated, and often forbidding island of Sardinia. This new translation includes an introduction that highlights the salient episodes of Grazia Deledda's life and which situates Marianna Sirca both literarily within the author's opera omnia and as part of the general literary trends of the early European

twentieth century. Jan Kozma presents the homonymous protagonist, Marianna Sirca, as one of the great literary precursors of the liberated, independent, modern woman - an ironic twist, given the repressive culture in which Marianna lives. The translator also provides numerous explanatory foot-notes that elucidate particular arcane aspects of Sardinian life in the late nineteenth century. Marianna Sirca is a 30-year-old woman of inherited wealth who lives in Nuoro, Sardinia. Because of her strong will and sense of independence, Marianna is the family "black sheep" - refusing to be married off to a distant

relative in a social arrangement of convenience. Instead Marianna becomes involved with Simone Sole, a younger man who was a servant in the Sirca household in his youth and who is now an outlaw - wanted for banditry. Against the will of her entire family, the lovers plan to marry, but at Marianna's insistence only after Simone "gets right with the law." The novel traces the story of these two emarginated lovers through various twists and turns, ending with a typical Deleddan flourish that leaves the reader with a real awareness of Sardinian, social mores, values, attitudes, and tradition.

**The Unnamable Present** Roberto Calasso

2019-04-09 Tourists, terrorists, secularists, hackers, fundamentalists, transhumanists, algorithmicians: in this book Roberto Calasso considers the tribes that inhabit and inform the world today. A world that feels more elusive than ever before. This book, the ninth part of a work in

progress, is a meditation on the obscure and ubiquitous process of transformation happening in societies today, where distant echoes of Auden's *The Age of Anxiety* give way to something altogether more unsettling.

**Equal Affections** David Leavitt 2014-04-12 Louise Cooper has been battling cancer for over twenty years. Her growing resentment towards her suburban life and her husband, Nat, compounded by his affair, have left her longing for the life she

dreamed of having in her youth. Meanwhile her family are facing other challenges. Her son Danny, a lawyer in San Francisco, has discovered his lover is growing obsessed with online sex, and her daughter, a lesbian protest-singer, announces herself pregnant after performing DIY artificial insemination with everyday kitchen utensils. This is a rich exploration of a family facing inexorable change.
