Partisan Life with Mosby's Rangers (Abridged, Annotated) Major John Scott 2016-11-15 John Singleton Mosby's Rangers bedeviled the Union army for

four long years. The Rangers were what we would today call guerillas; units that could make fast raids and get away before the enemy could react. This highly-successful unit became legendary during the war and continues to be an object of fascination by scholars and enthusiasts of the period into the 21st century. This is the official memoir of Mosby's command, written with his cooperation after the war. The author of this work, John Scott, wrote the Partisan Ranger Law in 1862. John Singleton Mosby was a remarkable individual. Highly intelligent, educated, and modest, he held the respect of many on both sides of the war. After the Civil War, he became a Republican and a supporter of Ulysses S. Grant. Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

Auto Repair For Dummies Deanna Sclar 2019-01-07 Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair

and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

a travelogue by David Wynford Carnegie. In 1896-1897, the Hon. David Wynford Carnegie, born in 1871, the youngest son of the Earl of Southesk, led one of the last great expeditions in the exploration of Australia. His route from Lake Darlôt to Halls Creek and return took thirteen months and covered over three thousand miles. Carnegie financed his expedition from the results of a successful gold strike at Lake Darlôt. The following pages profess to be no more than a faithful narrative of five years spent on the goldfields and in the far interior of Western Australia.

Democracy and Education John Dewey 2013-05-31 This antiquarian volume contains a comprehensive treatise on democracy and education, being an introduction to the 'philosophy of education'. Written in clear, concise language and full of interesting expositions and thought-provoking assertions, this volume will appeal to those with an interest in the role of education in society, and it would make for a great addition to collections of allied literature. The chapters of this book include: 'Education as a Necessity of Life'; 'Education as a Social Function'; 'Education as Direction'; 'Education as Growth'; 'Preparation, Unfolding, and Formal Discipline'; 'Education as Conservative and Progressive'; 'The Democratic Conception in Education'; 'Aims in Education', etcetera. We are republishing this vintage book now complete with a new prefatory biography of the author.

Dictionary of American Naval Fighting Ships 1991 The dictionary consists of an alphabetical index to over 10,000 ship histories documenting nearly every ship that the US Navy has put to sea. Continental and Confederate vessels are also included. Entries include physical information, commissioning, service record, notable actions, and decommissioning. Drawings, photographs, and documents are also included. The Web site is an electronic version of the ~~Congressional Published~~ dictionary series. Web entries may be corrected and updated from those that appeared in the printed series.

United States. Congress The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
