Finding themselves alone in the isolated and dangerous mazes of the Canyonlands, Leo and Lily must decide whether they trust Duke's maps-and each other-enough to risk their lives and hearts for the adventure of a lifetime"--

But it was just a thing: dirty, rowdy, and easy... until Finn turns up in her hometown on business. Harlow's not ready to be tied down but when the whole crew is hanging out together, there's just something about him. It may not be love (hell, it may not even be like), but their exciting, tension-filled hookups provide the perfect distraction from the scary life changes they're both facing - challenges neither is sure how to handle, let alone fix. One night together turns into two, and soon Finn's mysterious business trip has gone on for weeks. They agreed on the sex-wild, wet, kinky-but now their bordercrossing booty call is starting to feel like the real deal. And for two people used to being in control, taking the ultimate plunge by falling in love feels a lot more like flat-out falling.

Love the One You Hate R S Grey 2020-05-17 Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure-I intend to find out.

Frenched Melanie Harlow 2015-04-29 **This book includes FRENCHED (Mia and Lucas) and YANKED (a Mia and Lucas novella)** FRENCHED: When I got dumped by my stupid fiancé a week before the wedding, my plans involved nothing more than ice cream, and blanket fort, and a bonfire of his

possessions. But my friends convinced me that bitter tastes better drowned in Bordeaux, so I came to Paris for a single-moon. Then I met him. He's shown me things I've never seen before, and I'm not talking about the Louvre. Is it just the seduction of Paris? Or could this be the real thing? YANKED: I never expected any of this- Getting dumped. Going to Paris alone. Falling for Lucas (he was so not on my list). We've done the long-distance-love thing for eight months now, and I'm ready for more. But after I discover what he's been hiding, will he stay on my list? Or should I cross him off for good?

A River in the Sky Elizabeth Peters 2010-04-29 1910. Having brought Egypt firmly under her thumb, Amelia Peabody turns her attention to a harder challenge: Palestine, a province of the crumbling, corrupt Ottoman Empire and the Holy Land of three religions. Hearing that Morley, an English adventurer, has raised money to mount an expedition to search for the vanished treasures of the Temple in Jerusalem, Emerson and Amelia are persuaded to go after him in order to prevent a catastrophically inept excavation and the possibility of armed protest by the infuriated members of all three religions who view the Dome of the Rock as sacred. The War Office is concerned about increasing German influence in Palestine and insists that Morley is secretly working for German intelligence. Emerson doesn't believe it, but could he be mistaken? In the meantime, their son Ramses has been working on a dig at Samaria, north of Jerusalem, where he encounters an unusual party of travellers. One is a female German archaeologist, and the other a mysterious man of unknown nationality and unknown past. Ramses's insatiable curiosity leads him to a startling discovery about the pair. He must now pass the information on to his parents in Jerusalem - but only if he can get there alive...
