**Teach with Your Heart** Erin Gruwell 2007-01-09 The extraordinary memoir of the #1 New York Times bestselling author of The Freedom Writers Diary, who's been hailed as "a true inspiration" (Hilary Swank) and "simply magical when it comes to inspiring people to action" (Los Angeles Times). Don't miss the public television documentary Freedom Writers: Stories from the Heart In this passionate, poignant, and deeply personal memoir and call to arms, Erin Gruwell, the dynamic teacher who nurtured an extraordinary group of high school students from Long Beach, California, who called themselves the Freedom Writers, picks up where The Freedom Writers Diary—and the hit movie Freedom Writers—left off and brings the reader up to date on where the Freedom Writers are today. Including their unforgettable trip to Auschwitz, where they met with Holocaust survivors; their tour of the attic of their beloved Anne Frank; and their visit to Bosnia with their friend Zlata Filipović, Teach With Your Heart chronicles what happened with the Freedom Writers as they made their way through college and beyond. Along the way, Gruwell includes lessons for parents and teachers about what she learned from her remarkable band of students as she traveled through the emotional peaks and valleys on the front lines of our nation's educational system. A mesmerizing story of one young woman's personal odyssey and of her unique ability to encourage others to follow in her footsteps, Teach With Your Heart is marked by the enviable radiance and irrepressible force of nature that are Erin Gruwell and her unbelievable determination to ensure that education in the United States truly meets the needs of every student.

**What High Schools Don't Tell You (And Other Parents Don't Want You to Know)** Elizabeth Wissner-Gross 2007-07-19 From the author of What Colleges Don't Tell You, a plan to help parents of middle and early high school students prepare their kids for the best colleges In order to succeed in the fiercely competitive college admissions game, you need a game plan—and you have to start young. In this empowering guide, Elizabeth Wissner-Gross, a nationally sought-after college "packager," helps parents of seventh to tenth graders create a long-term plan that, come senior year, will allow their kids to virtually write their own ticket into their choice of schools. Parents should start by helping their kids identify their academic passions, then design a four-year strategy based on those interests. The book details hundreds of opportunities available to make kids stand out that most high school guidance counselors and teachers simply don't know about or don't think to share. This indispensable guide should be required reading for any parent whose child dreams of attending one of the country's top colleges.

**Ladder to the Moon** Maya Soetoro-Ng 2013-03-26 From Maya Soetoro-Ng, sister of President Obama, comes a lyrical story relaying the loving wisdom of their late mother to a young granddaughter she never met. (Ages 4-8) Features an audio read-along performed by the author! Little Suhaila wishes she could have known her grandma, who would wrap her arms around the whole world if she could, Mama says. And one night, Suhaila gets her wish when a golden ladder appears at her window, and Grandma Annie invites the girl to come along with her on a magical journey. In a rich and deeply personal narrative, Maya Soetoro-Ng draws inspiration from her mother's love for family, her empathy for others, and her ethic of service to imagine this remarkable meeting. Evoking fantasy and folklore, the story touches on events that have affected people across the world in our time and reaffirms our common humanity. Yuyi Morales's breathtaking artwork illuminates the dreamlike tale, reminding us that loved ones lost are always with us, and that sometimes we need only look at the moon and remember.

**Dracula** Stephanie Spinner 1982 Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

**The Language Police** Diane Ravitch 2007-12-18 If you're an actress or a coed just trying to do a man-size job, a yes-man who turns a deaf ear to some sob sister, an heiress aboard her yacht, or a bookworm enjoying a boy's night out, Diane Ravitch's internationally acclaimed The Language Police has bad news for you: Erase those words from your vocabulary! Textbook publishers and state education agencies have sought to root out racist, sexist, and elitist language in classroom and library materials. But according to Diane Ravitch, a leading historian of education, what began with the best of intentions has veered toward bizarre extremes. At a time when we celebrate and encourage diversity, young readers are fed bowdlerized texts, devoid of the references that give these works their meaning and vitality. With forceful arguments and sensible solutions for rescuing American education from the pressure groups that have made classrooms bland and uninspiring, The Language Police offers a powerful corrective to a cultural scandal.

**Bronx Masquerade** Nikki Grimes 2003-12-29 When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and

one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.

**Miss Emily** Nuala O'Connor 2015-08-20 The Dickinson household is saved from domestic chaos with the arrival of Ada Concannon, a "neat little Irish person, fresh off the boat". Amherst in the 1800's is a pastoral environment for the homesick young maid who finds in the gifted middle child, Emily, a fellow feeling; they were born on the same day, they share a sense of mischief and a love of baking. Emily's fledgling poetry and passion for words is her true vocation but as it begins to dominate her mind, she retreats from the small world around her and enters her infamous White Phase. The friendship that forms between the two women is tested when Ada's personal safety and reputation is violated and Emily finds herself tasked with defending her maid against her own family and those she loves, with shocking consequences.

**The Buffalo Writers** Becky Dudney 2010-05-01 Upon returning on scholarship to an intense teacher-training and the Freedom Writers Institute in Long Beach, California, teacher Becky Dudney led her students to embark on a heart-wrenching, conscience-building, transformational journey through reading and writing. Since her student population is considered "at-risk," a study of the hard-hitting Freedom Writers Diary was appropriate. The study turned into "The Freedom Writers Curriculum Pilot Project," evolving then into the creation of The Buffalo Writers Diary. Students learned to see the parallels in the writing of others to their own lives and recorded their thoughts and feelings in the form of reflections which have led to life-changing results. This book is also a guide for any teacher who seeks to reform his/her own approach to educating today's youth, or any population in need of guidance and inspiration. "I have problems with drugs....now I'm confused about what I want in my life. I know that I want to study, but the problems I am having now are things I need help with...I don't know who can help me right now..." "I have been through all of that same stuff before in the past; No money, no food, no place to stay. My mom did everything she could, but she could not get a job because her health was bad. Our father did not support us, and left us alone and cold with nothing." "The Buffalo Writers Diary is our non-violent protest against all forms of abuse and addiction. Upon reading our words, it is our hope that the reader will undergo a change within him/herself." --Becky Dudney, Teacher and co-author/co-editor

**Social Science and Government** A. B. **Dear Freedom Writer** The Freedom Writers 2022-03-29 The students of today tell their stories of adversity and growth in letters to the original Freedom Writers—authors of the #1 New York Times bestseller The Freedom Writers Diary—who write supportive and powerful letters in response. Over twenty years ago, the students in first-year teacher Erin Gruwell's high school class in Long Beach, California, were labeled "unteachable"—but she saw past that. Instead of treating them as scores on a test, she understood that each of them had a unique story to tell. Inspired by books like Anne Frank's diary, her students began writing their own diaries, eventually dubbing themselves the Freedom Writers. Together, they co-authored The Freedom Writers Diary, which launched a movement that remains incredibly relevant and impactful today. Their stories speak to young people who feel as if those around them do not care about their lives, their feelings, and their struggles. They want to be heard; they want to be seen. In Dear Freedom Writer, the next generation of Freedom Writers shares its struggles with abuse, racism, discrimination, poverty, mental health, imposed borders, LGBTQIA+ identity, and police violence. Each story is answered with a letter of advice from an original Freedom Writer. With empathy and honesty, they address these young people not

with the platitudes of a politician or a celebrity, but with the pragmatic advice of people who have dealt with these same issues and come out on the other side. Through its eye-opening and inspiring stories, Dear Freedom Writer paints an unflinchingly honest portrait of today's youth and offers a powerful message of perseverance, understanding, and hope.

**Zlata's Diary** Zlata Filipovic 2006-02-28 The child's diary that awakened the conscience of the world When Zlata's Diary was first published at the height of the Bosnian conflict, it became an international bestseller and was compared to The Diary of Anne Frank, both for the freshness of its voice and the grimness of the world it describes. It begins as the day-to-day record of the life of a typical eleven-year-old girl, preoccupied by piano lessons and birthday parties. But as war engulfs Sarajevo, Zlata Filipovic becomes a witness to food shortages and the deaths of friends and learns to wait out bombardments in a neighbor's cellar. Yet throughout she remains courageous and observant. The result is a book that has the power to move and instruct readers a world away.

**The Freedom Writers Diary Teacher's Guide** Erin Gruwell 2008-09-16 A standards-based teacher's guide from

the educator behind the #1 New York Times bestseller *The Freedom Writers Diary*, with innovative teaching techniques that will engage, empower, and enlighten. Don't miss the public television documentary *Freedom Writers: Stories from the Heart* in response to thousands of letters and e-mails from teachers across the country who learned about Erin Gruwell and her amazing students in *The Freedom Writers Diary* and the hit movie *Freedom Writers*. Gruwell and a team of teacher experts have written *The Freedom Writers Diary Teacher's Guide*, a book that will encourage teachers and students to expand the walls of their classrooms and think outside the box. Here Gruwell goes in depth and shares her unconventional but highly successful educational strategies and techniques (all 150 of her students, who had been deemed "unteachable," graduated from Wilson High School in Long Beach, California): from her very successful "toast for change" (an exercise in which Gruwell exhorted her students to leave the past behind and start fresh) to writing exercises that focus on the importance of journal writing, vocabulary, and more. In an easy-to-use format with black-and-white illustrations, this teacher's guide will become the essential go-to manual for teachers who want to make a difference in their pupils' lives.

**Teaching Hope** *The Freedom Writers* 2009-08-18 Incredible stories of struggle, redemption, and the power of education from the teachers taught by Erin Gruwell and the #1 New York Times bestselling authors of *The Freedom Writers Diary* Don't miss the public television documentary *Freedom Writers: Stories from the Heart* "These are the most influential professionals most of us will ever meet. The effects of their work will last forever."—From the foreword by Anna Quindlen Now documented in a bestselling book, feature film, and public television documentary, the *Freedom Writers* phenomenon came about in 1994, when Erin Gruwell stepped into Room 203 and began her first teaching job out of college. Long Beach, California, was still reeling from the deadly violence that erupted during the Rodney King riots, and the kids in Erin's classroom reflected the anger, resentment, and hopelessness of their community. Undaunted, Erin fostered an educational philosophy that valued and promoted diversity, tolerance, and communication, and in the process, she transformed her students' lives, as well as her own. Erin Gruwell and the *Freedom Writers* went on to establish the *Freedom Writers Foundation* to replicate the success of Room 203 and provide all students with hope and opportunities to realize their academic potential. Since then, the foundation has trained more than 800 teachers around the world. *Teaching Hope* unites the voices of these *Freedom Writer Teachers*, who share uplifting, devastating, and poignant stories from their classrooms, stories that provide insight into the struggles and triumphs of education in all of its forms. Mirroring an academic year, these dispatches from the front lines of education take us from the anticipation of the first day to the disillusionment, challenges, and triumphs of the school year. These are the voices of teachers who persevere in the face of intolerance, rigid administration, and countless other challenges, and continue to reach out and teach those who are deemed unteachable. Their stories inspire everyone to make a difference in the world around them.

**The Freedom Writers Diary (20th Anniversary Edition)** *The Freedom Writers* 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her

guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the *Freedom Writers*, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances. [Diary of a Freedom Writer](#) Darrius Garrett 2013 Survivor... a word continuously thought of when reading this memoir. Upon the release of *The Freedom Writers Diary* and film adaptation starring Hilary Swank in 2007, New York Times bestselling author Darrius Garrett realized that both book and movie tell the *Freedom Writer Story* as a whole, but not on a personal level. During speaking engagements, the same questions always surface: 'Did Ms. Gruwell change you? How did you make it out of the gang life? What stopped you from killing yourself?' Darrius's answers are inside. *Diary of a Freedom Writer* takes you on a journey beyond the classrooms to the treacherous streets of Long Beach, California. An innocent little boy born in poverty and raised in a violent environment, Darrius became a product of the streets, written off by the school and judicial systems alike, growing up in an environment full of gangs and drugs. He spent his life searching for a father figure until he became a *Freedom Writer*, motivational speaker, bestselling author, and finally a father himself. His story is that of a man realizing his experiences are what made him the man he has been seeking to be all his life. Upon beating the odds, *Diary of a Freedom Writer* serves as proof that Darrius's story of struggle, life, change, and hope will uplift, educate, encourage, and inspire.

**Letters to a Young Teacher** Jonathan Kozol 2007-08-21 "This remarkable book is a testament to teachers who not only respect and advocate for children on a daily basis but who are the necessary guardians of the spirit. Every citizen who cares about the future of our children ought to read this."—Eric Carle, author of *The Very Hungry Caterpillar* and other classic works for children "Kozol's love for his students is as joyful and genuine as his critiques of the system are severe. He doesn't pull punches."—The Washington Post In these affectionate letters to Francesca, a first grade teacher at an inner-city school in Boston, Jonathan Kozol vividly describes his repeated visits to her classroom while, under Francesca's likably irreverent questioning, he also reveals his own most personal stories of the years that he has spent in public schools. *Letters to a Young Teacher* reignites a number of the controversial issues Jonathan has powerfully addressed in his bestselling *The Shame of the Nation* and *On Being a Teacher*: the mania of high-stakes testing that turns many classrooms into test-prep factories where spontaneity and critical intelligence are no longer valued, the invasion of our public schools by predatory private corporations, and the inequalities of urban schools that are once again almost as segregated as they were a century ago. But most of all, these letters are rich with the happiness of teaching children, the curiosity and jubilant excitement children bring into the classroom at an early age, and their ability to overcome their insecurities when they are in the hands of an adoring and hard-working teacher.

*Reflections and Interpretations* Torbjørn Ydegaard (Ed.) 2015-05-26 "Reflections and Interpretations" is an anthology on *The Freedom Writers'* methodology. It is an anthology for all those with a professional need for texts explaining, not only how *The Freedom Writers'* tools are being used, but also why they work so convincingly well. It is not an anthology of guidelines; it is an anthology of explanations based on theory. And it is an anthology written by *Freedom Writer Teachers* - who else could do it?

**Reading for Our Lives** Maya Payne Smart 2022-08-02 An award-winning journalist and literacy advocate provides a clear, step-by-step guide to helping your child thrive as a reader and a learner. When her child went off to school, Maya Smart was shocked to discover that a good education in America is a long shot, in ways that few parents fully appreciate. Our current approach to literacy offers too little, too late, and attempting to play catch-up when our kids get to kindergarten can no longer be our default strategy. We have to start at the top. The brain architecture for reading develops rapidly during infancy, and early

language experiences are critical to building it. That means parents' work as children's first teachers begins from day one too—and we need deeper knowledge to play our positions. Reading for Our Lives challenges the bath-book-bed mantra and the idea that reading aloud to our kids is enough to ensure school readiness. Instead, it gives parents easy, immediate, and accessible ways to nurture language and literacy development from the start. Through personal stories, historical accounts, scholarly research, and practical tips, this book presents the life-and-death urgency of literacy, investigates inequity in reading achievement, and illuminates a path to a true, transformative education for all.

**The Toilet Seat** Latha 2018-02-13 It is time to get sex out of the closet. Though sex is considered a 'dirty' word in Indian society, the indispensable role it plays in our lives cannot be denied. The Toilet Seat takes a good look at how sex is perceived and portrayed in society, the social stigma attached to sex, especially the premarital and extramarital kind, and the perversions that suppression of sex can cause. The book reflects upon the grey areas in relationships, the hypocrisy of people and the so-called values that bind people in a knot, redefines perceptions, and dispels myths with respect to love, sex and the female orgasm. It also gives valuable suggestions to improve relationships by understanding the sexual needs of partners and talking about them openly. Well, what does the title of the book The Toilet Seat have to do with all this? Read on to find out.

**Star Teachers of Children in Poverty** Martin Haberman 2017-09-11 In his groundbreaking work, Martin Haberman identified key dispositions of "star" teachers that help them work successfully with students in poverty. More than two decades later, Maureen D. Gillette and Djanna A. Hill build on Haberman's seminal work, considering contemporary issues such as social justice, technology, and the political environment, and moving beyond the classroom to focus on teachers as leaders and advocates for all students. Given the high-stakes nature of ensuring that students in high-poverty urban and rural areas receive an excellent education, this new edition provides concrete suggestions for what readers can do to implement culturally relevant pedagogy and to forge a path to becoming a star teacher. Co-published with Kappa Delta Pi, Star Teachers of Children in Poverty offers teachers research-based strategies for action so that they can practice socially just and culturally relevant teaching toward the success of every student. New to the second edition: Updated statistics on school demographics, poverty, and teacher turnover in urban and rural areas. Added discussion that demonstrates the interrelated nature of poverty, health, safety, trauma, and power, and the cumulative effects of these factors on learning. Examination of the role of federal and state government in education and the necessity for teachers to be leaders beyond the classroom. Vignettes for experiential learning and analysis, and end-of-chapter questions and resources for further exploration.
