Merely said, the The Overlook Harry Bosch 13 is universally compatible in the manner of any devices to read.

Angels Flight Michael Connelly 2009 A lawyer is found murdered on the eve of a landmark trial at the foot of Angels Flight, a cable railway in downtown Los Angeles.

Crime Beat Michael Connelly 2006-05-08 From #1 bestseller Michael Connelly's first career as a prizewinning crime reporter--the gripping, true stories that inspired and informed his novels. Before he became a novelist, Michael Connelly was a crime reporter, covering the detectives who worked the homicide beat in Florida and Los Angeles. In vivid, hard-hitting articles, Connelly leads the reader past the yellow police tape as he follows the investigators, the victims, their families and friends--and, of course, the killers--to tell the real stories of murder and its aftermath. Connelly's firsthand observations would lend inspiration to his novels, from *The Black Echo*, which was drawn from a real-life bank heist, to *Trunk Music*, based on an unsolved case of a man found in the trunk of his Rolls Royce. And the vital details of his best-known characters, both heroes and villains, would be drawn from the cops and killers he reported on: from loner detective Harry Bosch to the manipulative serial killer the Poet. Stranger than fiction and every bit as gripping, these pieces show once again that Michael Connelly is not only a master of his craft, but also one of the great American writers in any form.

The Harry Bosch Mysteries Michael Connelly 2008 Contains three Harry Bosch novels. *THE BLACK ECHO*: A body found in a tunnel off Mulholland Drive looks like a routine drugs

overdose case, but one new puncture wound amidst the scars of old tracks leaves LAPD detective Harry Bosch unconvinced. To make matters worse, Bosch recognises the victim: Billy Meadows was a fellow 'tunnel rat' in Vietnam. Bosch believes he let down Billy once before, so now he is determined to bring the killer to justice. *THE BLACK ICE*: When the body of a missing LAPD narcotics officer is found, rumours soon emerge that he had been selling a new drug called Black Ice from Mexico. The LAPD are quick to declare the death as a suicide, but Bosch is not so sure. Fighting an attraction to the cop's widow, Bosch starts his own maverick investigation, which soon leads him over the borders, and into a dangerous world of shifting identities and deadly corruption. *THE CONCRETE BLONDE*: When Bosch shot and killed Norman Church, he was convinced it marked the end of the search for one of the city's most bizarre serial killers. But four years later, Church's widow is taking Bosch to court, accusing him of killing the wrong man. To make matters worse, Bosch has just received a note, eerily reminiscent of the ones the killer used to taunt him with. As he battles to clear his name in court, Bosch faces a desperate race against time to find the killer...

False Convictions Tim Green 2010-04-01 In bestselling author Tim Green's latest thriller, Casey Jordan returns--seeking justice in a small town riddled with . . . *FALSE CONVICTIONS* Casey is counting on an open-and-shut case, a sure success for her first effort with the Freedom Project, the renowned charity group

dedicated to helping exonerate wrongfully convicted prisoners. Not only is the Freedom Project giving Casey the chance to help innocent people, but its founder, Robert Graham, is offering Casey a one-million-dollar annual pledge to her legal clinic for taking on just two jobs a year. Her first assignment is to revive the case of Dwayne Hubbard, an indigent black man serving a life sentence for the rape and murder of a college student seventeen years ago. Using DNA evidence, Casey expects to easily prove Hubbard's innocence. Yet when she arrives in rural Auburn, New York, she meets immediate and aggressive resistance. Tormented by death threats and assassination attempts, Casey investigates a prosecution apparently rife with lies. From the judge, the lawyers, the jury, to the police, she traces a web of corruption surrounding the destruction of one young man. But in all the chaos, Casey's hardest challenge may be just staying alive.

The Night Fire Michael Connelly 2019-10-22 A FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE A NEW YORK TIMES BOOK REVIEW BEST CRIME NOVEL OF THE YEAR A CrimeReads Best Crime Novel Notable selection Harry Bosch and LAPD Detective Renée Ballard come together again on the murder case that obsessed Bosch's mentor, the man who trained him---new from #1 New York Times bestselling author Michael Connelly Back when Harry Bosch was just a rookie homicide detective, he had an inspiring mentor who taught him to take the work personally and light the fire of relentlessness for every case. Now that mentor, John Jack Thompson, is dead, and his widow gives Bosch a murder book, one that Thompson took with him when he left the LAPD twenty years before -- the unsolved killing of a troubled young man. Bosch takes the murder book to Detective Renée Ballard and asks her to help him discover what about this crime lit Thompson's fire all those years ago. As she begins her inquiries -- while still working her own cases on the midnight shift -- Ballard finds aspects of the initial investigation that just don't add up. The bond between Bosch and Ballard tightens as they become a formidable investigation team. And they soon arrive at a disturbing question: Did Thompson steal the murder book to work the case in retirement, or

to make sure it never got solved? Written with the intense pacing and masterful suspense that have made Michael Connelly "the hard-boiled fiction master of our time" (NPR), *The Night Fire* continues the unofficial partnership of two fierce detectives determined not to let the fire with burn out.

Void Moon Michael Connelly 2009-12-23 A brilliant, high-tension thriller set in the glittery, surreal worlds of Las Vegas casinos, from the bestselling author of *THE LINCOLN LAWYER*. A young woman finds herself caught up in a heist which may cost her the one thing she values more than her life... Ex-con Cassie Black planned to see out her parole quietly - but things rarely go to plan. She was lured back to the criminal profession she gave up - as professional thief in Vegas casinos, robbing gamblers of their winnings - by a proposition that is just too good to miss. The job goes as planned, except that the target has too much money. It can only mean someone very powerful is going to be very angry indeed. Cassie finds herself on the run from a killer who seems to know her every move in advance. Worse still, he is closing in on the one thing Cassie will do anything to protect.

The Colour Of Law Mark Gimenez 2008-09-04 A. Scott Fenney is a hotshot corporate lawyer at a big Dallas firm. At 33, in the prime of his life, he rakes in \$750,000 a year, drives a Ferrari and comes home every night to a mansion in Dallas's most exclusive neighbourhood. He also comes home to one of Dallas's most beautiful women, with whom he has a much-loved daughter, Boo. For Fenney, life could not be better. But when a senator's son is killed in a hit-and-run, Fenney is asked by the state judge to put his air-conditioned lifestyle on hold to defend the accused: a black, heroin-addicted prostitute - a very different client to the people Fenney usually represents. And, more importantly, she is not going to be paying Ford Stevens \$350 an hour for the privilege of his services. Under fire from all sides, Fenney drafts in a public defender to take the case on. Yet as Scott prepares to hand over to Bobby, he feels increasingly guilty about the path he is taking, because Scott still believes in the principle of justice. The question is: does he believe in it strongly enough to jeopardise everything in his life he holds dear? And to what lengths is the dead man's power-hungry father

prepared to go to test Fenney's resolve?

The Fifth Witness Michael Connelly

2011-04-14 A blistering courtroom drama featuring The Lincoln Lawyer's Mickey Haller from the master of the genre. In tough times, crime is one of the few things that still pays, but even criminals are having to make cutbacks. So for defence lawyer Mickey Haller, most of his new business is not about keeping people out of jail; it's about keeping a roof over their heads as the foreclosure business is booming. Lisa Trammel has been a client of Mickey's for eight months, and so far he's stopped the bank from taking her house. But now the bank's CEO has been found beaten to death - and Lisa is about to be indicted for murder . . .

If I'm Dead Marcia Clark 2012-04-03 It started with a haunting image: a Ford Explorer, iridescent in the moonlight and alone on a desolate stretch of beach. Its owner, Melissa Gibbons, has gone missing. Her husband says she flew the coop. But Los Angeles Deputy DA Rachel Knight is convinced otherwise: Melissa Gibbons has been murdered. So begins the confounding case that Rachel must present before a disbelieving jury. A dissatisfied heiress and her philandering husband -- what really happened? The husband has a fiendishly convincing case that Melissa faked her own death and fled. But with the support of her trusty sidekick, Detective Bailey Keller, Rachel pieces together a much more sinister truth. In this short, standalone Rachel Knight thriller, readers follow our savvy and riotously entertaining heroine through the surprising world of LA crime.

Lost Light Michael Connelly 2003-04-01 In this New York Times bestseller, retired LAPD detective Harry Bosch wants justice for a murdered production assistant -- but without his police badge, can he take down a powerful and ruthless killer? The vision has haunted him for four years -- a young woman lying crumpled in death, her hand outstretched in silent supplication. Harry Bosch was taken off the Angella Benton murder case when the production assistant's death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the L.A.P.D., Bosch is determined to find justice for Angella. Without a badge to open

doors and strike fear into the guilty, he's on his own. And even in the face of an opponent more powerful and ruthless than any he's ever encountered, Bosch is not backing down. **Sacred** Dennis Lehane 2010-10-21 Dying billionaire, Trevor Stone hires private detectives, Patrick Kenzie and Angela Gennaro to find his missing daughter. Grief-stricken over the death of her mother and the impending death of her father, Desiree Stone has been missing for three weeks. So has the first investigator, Trevor Stone hired to find her: Jay Becker, Patrick's mentor. As Patrick and Angie begin their search, they are led down a trail of half-truths and corruption into a world in which a therapeutic organization may be fronting for a dangerous cult; a hi-tech private investigation firm may be covering up lethal crimes; and a stolen cache of millions in illegal funds may be tied to both disappearances and a tanker full of heroin. Nothing is remotely what it seems as the detectives travel from the wind-blown streets of Boston to the rum-punch sunsets of Florida's Gulf Coast and back again, searching for a woman and a man who could be saints or sinners, victims or victimizers, alive or dead. And the more Patrick and Angie discover, the more they realize that on this case, any wrong step will certainly be their last.

The Black Ice Michael Connelly 2010-02-25 When a body is found in a hotel room, reporters are soon all over the case: it appears to be a missing LAPD narcotics detective, apparently gone to the bad. The rumours were that he had been selling a new drug called Black Ice that had been infiltrating Los Angeles from the Mexican cartel. The LAPD are quick to declare the death a suicide, but Harry Bosch is not so sure. There are odd mysteries and unexplained details from the crime scene which just don't add up. Fighting an attraction to the detective's widow, Bosch starts his own maverick investigation, which soon leads him over the borders and into a dangerous world of shifting identities, police politics and deadly corruption . . .

City of Bones Michael Connelly 2002-04-16 When a dog unearths evidence of a murder in the Hollywood Hills, Detective Harry Bosch must tackle a cold case that sparks memories he's tried to forget. On New Year's Day, a dog finds a

bone in the Hollywood Hills -- and unearths a murder committed more than twenty years earlier. It's a cold case, but for Detective Harry Bosch, it stirs up memories of his childhood as an orphan. He can't let it go. As the investigation takes Bosch deeper into the past, a beautiful rookie cop brings him alive in the present. No official warning can break them apart -- or prepare Bosch for the explosions when the case takes a few hard turns. Suddenly all of L.A. is in an uproar, and Bosch, fighting to keep control, is driven to the brink of an unimaginable decision.

Trunk Music Michael Connelly 2009-12-23 Harry Bosch is back at the LAPD in Homicide after disciplinary leave. But his first case proves to be one of the most difficult. In the wooded hills overlooking the Hollywood Bowl, he opens the trunk of a white Rolls-Royce and finds a corpse. It looks like a simple case of Trunk Music - the execution style of the Mafia where the victim is shot in his own vehicle - but the victim is LA movie producer Tony Aliso, and the mob weren't the only ones after him. Bosch finds himself up against the FBI - and back in the arms of a beautiful ex-felon. It's starting to look like Harry's first case back in Homicide is in danger of being his last . . .

The Harry Bosch Novels Volume 5. Michael Connelly 2012-11 Three great novels in one volume from the worldwide bestseller, Michael Connelly. The Overlook sees Harry Bosch plunged into the dangerous world of international terrorism. When a physicist is murdered in LA it seems the killer has no fear of publicity, leaving the body on The Mulholland overlook, a site with a stunning view over the city. And when it's discovered that the victim turned over a quantity of a lethal chemical to his killer before he died, Harry knows he has more than just a single death to worry about. Alongside the forces of Homeland Security, Harry realizes he must solve the murder or face unimaginable consequences. In Nine Dragons, the shooting of a Chinese liquor store owner in LA brings Harry Bosch back to the Rodney King riots and the moment a stranger gave a young cop sanctuary. Now, the debt must be repaid, and Harry soon discovers the old man's death was no ordinary holdup. Homing in on clues disregarded by the cops on the scene, Harry builds a picture of corruption and intimidation,

with the local Triads at the heart of it. But as he tries to build a case and breach the impenetrable wall of silence in the local community, he finds he is taking a dragon by the tail - a dragon whose talons reach well beyond LA, and even the States. Suddenly the most precious thing in Harry's life is under threat, and he will need to leave the familiarity of his home turf, alone and without backup, if he is going to stop his worst nightmare from happening. Harry Bosch is facing the end of the line in The Drop. He's been put on the Deferred Retirement Option Plan - and given three years before his retirement is enforced. Seeing the end of the mission coming, he's anxious for cases. He doesn't have to wait long. First a cold case gets a DNA hit for a rape and murder which points the finger at a 29-year-old convicted rapist who was only eight at the time of the murder. Then a city councilman's son is found dead - fallen or pushed from a hotel window - and he insists on Bosch taking the case despite the two men's history of enmity. The cases are unrelated but they twist around each other like the double helix of a DNA strand. One leads to the discovery of a killer operating in the city for as many as three decades; the other to a deep political conspiracy that reached back into the dark history of the police department.

Grotesque Natsuo Kirino 2007-03-13 Life at the prestigious Q High School for Girls in Tokyo exists on a precise social axis: a world of insiders and outsiders, of haves and have-nots. Beautiful Yuriko and her unpopular, unnamed sister exist in different spheres; the hopelessly awkward Kazue Sato floats around among them, trying to fit in. Years later, Yuriko and Kazue are dead — both have become prostitutes and both have been brutally murdered. Natsuo Kirino, celebrated author of *Out*, seamlessly weaves together the stories of these women's struggles within the conventions and restrictions of Japanese society. At once a psychological investigation of the pressures facing Japanese women and a classic work of noir fiction, *Grotesque* is a brilliantly twisted novel of ambition, desire, beauty, cruelty, and identity by one of our most electrifying writers.

Switchblade Michael Connelly 2014-01-14 In this original short story from #1 New York Times bestselling author Michael Connelly, LAPD Detective Harry Bosch seeks justice for the

forgotten NOTE: This file includes a preview of Michael Connelly's novel *The Crossing*. In "Switchblade," an anonymous tip puts Bosch on a case that has remained unsolved for decades, the vicious stabbing of a teenage boy whose body was found in an abandoned Old Hollywood restaurant. Cold cases are often the toughest: With no body, no murder scene, and no fingerprints, Bosch nevertheless gets lucky when DNA evidence from the murder weapon points to a known killer. But the DA insists that science alone is not enough - he needs the case to be bulletproof before he'll take it to court.

Determined to speak for those who can no longer speak for themselves, Bosch has one chance to wrench a confession out of a cold-blooded killer, or risk letting him walk free for good. In this gripping, never-before-published story by "master of the crime thriller" (Huffington Post) Michael Connelly, Detective Harry Bosch quenches his thirst for justice and shows why he is "one of the most popular and enduring figures in American crime fiction" (Chicago Tribune).

The Black Box Michael Connelly 2012-11-26 In this "superb" thriller, Detective Harry Bosch links the bullet from a recent crime to the unsolved killing of a young female photographer during the 1992 L.A. riots (Wall Street Journal). In a case that spans 20 years, Harry Bosch links the bullet from a recent crime to a file from 1992, the killing of a young female photographer during the L.A. riots. Harry originally investigated the murder, but it was then handed off to the Riot Crimes Task Force and never solved. Now Bosch's ballistics match indicates that her death was not random violence, but something more personal, and connected to a deeper intrigue. Like an investigator combing through the wreckage after a plane crash, Bosch searches for the "black box," the one piece of evidence that will pull the case together.

Riveting and relentlessly paced, *The Black Box* leads Harry Bosch, "one of the greats of crime fiction" (New York Daily News), into one of his most fraught and perilous cases.

The Black Echo Michael Connelly 2012-07-19 Go back to where it all began for LAPD detective Harry Bosch, star of Amazon Prime's *Bosch*, in his first case *The Black Echo* - a gripping, action-packed thriller. LAPD detective Harry Bosch is a

loner and a nighthawk. One Sunday he gets a call-out on his pager. A body has been found in a drainage tunnel off Mulholland Drive, Hollywood. At first sight, it looks like a routine drugs overdose case, but the one new puncture wound amid the scars of old tracks leaves Bosch unconvinced. To make matters worse, Harry Bosch recognises the victim. Billy Meadows was a fellow 'tunnel rat' in Vietnam, running against the VC and the fear they all used to call the Black Echo. Bosch believes he let down Billy Meadows once before, so now he is determined to bring the killer to justice.

The Narrows Michael Connelly 2009-12-23 He's back . . . Private investigator Harry Bosch confronts a villain who's long been in hiding - a fiend known as The Poet. Former FBI agent Rachel Walling is working a dead-end stint in South Dakota when she gets the call she's been dreading for four years. The Poet is back. And he has not forgotten Rachel. He has a special present for her. Harry Bosch is adjusting to life in Las Vegas as a private investigator and a new father. He gets a call, too, from the widow of a friend who died recently. Previously in his FBI career, the friend worked on the famous case tracking the killer known as The Poet. This fact alone makes some of the elements of his death doubly suspicious. And Harry Bosch is heading straight into the path of the most ruthless and inventive murderer he has ever encountered. . .

The Concrete Blonde Michael Connelly 2009-12-23 From the bestselling author of *The Lincoln Lawyer* and *The Gods of Guilt*. When LAPD detective Harry Bosch shot and killed Norman Church - the 'Dollmaker' - the police were convinced it marked the end of the search for one of the city's most bizarre serial killers. But four years later, Norman Church's widow is taking Bosch to court, accusing him of killing the wrong man. To make matters worse, Bosch has just received a note, eerily reminiscent of the ones the Dollmaker used to taunt him with, giving him a location where a body can be found. Is the Dollmaker still alive? Or is this the work of a vicious copycat killer, determined to repeat the Dollmaker's grisly feats and destroy Bosch's career in the process?

Darkness, Take My Hand Dennis Lehane 2010-10-21 When Detectives Patrick Kenzie and Angie Gennaro agree to protect the son of a

prominent psychiatrist they soon find bodies are piling up around them. What's more, all the clues point to an unlikely suspect - a serial killer who has been in prison for twenty years, so he can't be killing again, can he? As the duo try to find out what kind of human being could perform such horrifying acts of mutilation, torture and dismemberment, they discover that the killer's motive is disturbingly rooted in their own past. In a series of heart-stopping climaxes that grow ever more bloody, ever more terrifying, the two detectives work frantically to capture the killer before they become victims themselves.

Nine Dragons Michael Connelly 2009-10-13

After what seems like a routine murder investigation, LAPD Detective Harry Bosch finds himself in Hong Kong facing the highest-stakes case of his life: bringing his kidnapped daughter home. Fortune Liquors is a small shop in a tough South L.A. neighborhood, a store Bosch has known for years. The murder of John Li, the store's owner, hits Bosch hard, and he promises Li's family that he'll find the killer. The world Bosch steps into next is unknown territory. He brings in a detective from the Asian Gang Unit for help with translation -- not just of languages but also of the cultural norms and expectations that guided Li's life. He uncovers a link to a Hong Kong triad, a lethal and far-reaching crime ring that follows many immigrants to their new lives in the U.S. And instantly his world explodes. The one good thing in Bosch's life, the person he holds most dear, is taken from him and Bosch travels to Hong Kong in an all-or-nothing bid to regain what he's lost. In a place known as Nine Dragons, as the city's Hungry Ghosts festival burns around him, Bosch puts aside everything he knows and risks everything he has in a desperate bid to outmatch the triad's ferocity. Featuring ebook bonus materials including an in-depth interview with the author about writing "Nine Dragons," photos from his exciting travels while writing the book, and a link to an online promotional video.!--

A Darkness More Than Night Michael

Connelly 2001-01-23 LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress. Harry Bosch is up to his neck in a case that has transfixed all of celebrity-mad

Los Angeles: a movie director is charged with murdering an actress during sex, and then staging her death to make it look like a suicide. Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out in full-throated frenzy.

Meanwhile, Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back. It's a murder, the unreadable kind of murder he specialized in solving back in his FBI days. The investigation has stalled, and the sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up something they've missed. McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving almost inconceivable calculation. McCaleb believes he has unmasked the most frightening killer ever to cross his sights. But his investigation tangles with Bosch's lines, and the two men find themselves at odds in the most dangerous investigation of their lives.

The Overlook Michael Connelly 2015-04-28 In his first case since he left the LAPD's Open Unsolved Unit for the prestigious Homicide Special squad, Harry Bosch is called out to investigate a murder that may have chilling consequences for national security. A doctor with access to a dangerous radioactive substance is found murdered in the trunk of his car. Retracing his steps, Harry learns that a large quantity of radioactive cesium was stolen shortly before the doctor's death. With the cesium in unknown hands, Harry fears the murder could be part of a terrorist plot to poison a major American city. Soon, Bosch is in a race against time, not only against the culprits, but also against the Department of Homeland Security and the FBI (in the form of Harry's one-time lover Rachel Walling), who are convinced that this case is too important for the likes of the LAPD. It is Bosch's job to prove all of them wrong.

Introducing Harry Bosch Michael Connelly

2020-10-22 'A superb natural storyteller' Lee Child The Black Echo LAPD detective Harry Bosch is a loner and a nighthawk. One Sunday he gets a call-out on his pager. A body has been found in a drainage tunnel off Mulholland Drive, Hollywood. At first sight, it looks like a routine drugs overdose case, but the one new puncture wound amid the scars of old tracks leaves Bosch unconvinced. To make matters worse, Harry Bosch recognises the victim. Billy Meadows was a fellow 'tunnel rat' in Vietnam, running against the VC and the fear they all used to call the Black Echo. Bosch believes he let down Billy Meadows once before, so now he is determined to bring the killer to justice. The Black Ice When a body is found in a hotel room, reporters are soon all over the case: it appears to be a missing LAPD narcotics detective, apparently gone to the bad. The rumours were that he had been selling a new drug called Black Ice that had been infiltrating Los Angeles from the Mexican cartel. The LAPD are quick to declare the death a suicide, but Harry Bosch is not so sure. There are odd mysteries and unexplained details from the crime scene which just don't add up. Fighting an attraction to the detective's widow, Bosch starts his own maverick investigation, which soon leads him over the borders and into a dangerous world of shifting identities, police politics and deadly corruption . . . Francisco Chronicle As a boy, Will Klein had a hero: his older brother, Ken. Then, on a warm suburban night in the Kleins' affluent New Jersey neighborhood, a young woman—a girl Will had once loved—was found brutally murdered in her family's basement. The prime suspect: Ken Klein. With the evidence against him overwhelming, Ken simply vanished. And when his shattered family never heard from Ken again, they were sure he was gone for good. Now eleven years have passed. Will has found proof that Ken is alive. And this is just the first in a series of stunning revelations as Will is forced to confront startling truths about his brother—and himself. As a violent mystery unwinds around him, Will knows he must press his search all the way to the end. Because the most powerful surprises are yet to come. "Coben stands on the accelerator and never lets up. . . . The action is seamless, clear, and riveting."—People (Page-turner of the Week) *The Closers* Michael Connelly 2005-05-01 In this #1 New York Times bestseller, Detective Harry Bosch joins LA's elite Open/Unsolved Unit to help piece together the mysterious death of a teenage girl. He walked away from the job three years ago. But Harry Bosch cannot resist the call to join the elite Open/Unsolved Unit. His mission: solve murders whose investigations were flawed, stalled, or abandoned to L.A.'s tides of crime. With some people openly rooting for his failure, Harry catches the case of a teenager dragged off to her death on Oat Mountain, and traces the DNA on the murder weapon to a small-time criminal. But something bigger and darker beckons, and Harry must battle to fit all the pieces together. Shaking cages and rattling ghosts, he will push the rules to the limit -- and expose the kind of truth that shatters lives, ends careers, and keeps the dead whispering in the night . . .

Double Tap Steve Martini 2005-12-27 New York Times bestselling author Steve Martini takes legal thrillers to a new level in this Paul Madriani novel about a soldier's secrets and a government's lies... A beautiful businesswoman, founder of a high-tech software company catering to the military, is found dead, two tightly grouped bullet wounds to her head—a "double tap," the trademark of highly skilled assassins. Paul Madriani takes the case of the

man accused of the crime: a career soldier who refuses to explain the mysterious gaps in his military résumé. Faced with an uncooperative client, Madriani begins a dangerous search for the truth—in the soldier's shadowy past, in the victim's deadly secrets...

The Safe Man Michael Connelly 2012-10-23

Published for the first time under his own name, a dark and haunting story from #1 New York Times bestselling author Michael Connelly Like his father before him, Brian Holloway is a safe man. That is, his specialty is opening safes. Every job is a little mystery, and he has yet to encounter a lock he can't break or a box he can't crack. But the day Holloway gets called in to open a rare, antique safe in a famous author's library, his skills open a door that should have remained closed. In this haunting and singular story, previously published anonymously, Michael Connelly proves once again that he is "superb at building suspense.... the reader can never be sure what sudden turns the plot may take" (Wall Street Journal). [Word count: 11,662]

Weird Florida Eliot Kleinberg 2006 Just reprinted by Chapin House - this popular book by Eliot Kleinberg.

The Overlook Michael Connelly 2009-03-12 An execution on the overlook above the Mulholland Dam entangles Bosch with FBI Agent Rachel Walling and Homeland Security. The brilliant thirteenth Harry Bosch novel from the award-winning No. 1 bestselling author. When a physicist is murdered in LA, it seems the killer has no fear of publicity, leaving the body on the Mulholland overlook, a site with a stunning view over the city. And when it's discovered that the victim turned over a quantity of a lethal chemical to his killer before he died, Harry knows he has more than just a single death to worry about. Alongside the forces of Homeland Security, Harry realises he must solve the murder or face unimaginable consequences.

Prayers For Rain Dennis Lehane 2010-10-21 When Boston private investigator Patrick Kenzie meets Karen Nichols, she strikes him as an innocent from a protected upbringing. But six months later when Karen takes her own life, Patrick is left wondering what can change so drastically and so quickly that suicide seems the only option? Through the final weeks of a stifling summer, and with the help of his ex-partner,

Angela Gennaro, and his friend, the lethally unbalanced Bubba Rogowski, Patrick enters into psychological warfare with a brilliant sociopath who, instead of merely killing his victims, prefers to make them wish they were dead. As the stakes grow higher and more personal, they find themselves fighting a losing battle with an enemy the law can't touch, who is always one step ahead, who is gradually discovering their weaknesses, their loves, and is determined to tear their world apart.

Black Horizon James Grippando 2014-03-04 In *Black Horizon*, a riveting and timely thriller drawn from tomorrow's headlines, New York Times bestselling author James Grippando brings back popular Miami criminal defense attorney Jack Swytek in an international case involving a devastating oil spill that pits him against his most villainous adversaries yet. Three summers after the Deepwater Horizon catastrophe, oil is again spewing into the ocean—from a drilling explosion in Cuban waters sixty miles off the Florida Keys, creating a politically complex and volatile situation. Representing an American woman whose Cuban husband was killed on the rig, Jack finds himself in dangerous waters when he discovers that his incendiary case may be lethally connected to his new wife Andi's undercover assignment for the FBI . . . and that the looming environmental catastrophe may have been no "accident" at all.

Echo Park Michael Connelly 2009-12-23 LAPD Detective Harry Bosch in a modern thriller from No. 1 bestseller Michael Connelly - author of *THE LINCOLN LAWYER* and *ANGELS FLIGHT*. In 1993 Homicide Detective Harry Bosch was assigned the case of a missing person, Marie Gesto. The young woman was never found - dead or alive - and the case has haunted Bosch ever since. Thirteen years later, Bosch is back in the Open Unsolved Crimes Unit when he gets a call from the DA's office. A man accused of two killings is willing to confess to several other murders in a deal to avoid the death penalty. One of his victims, he says, is Marie Gesto. When investigating these previously unsolved crimes, Bosch begins to crack when he realises that he and his partner missed a clue that could have prevented the serial killer striking again.

Parishioner Walter Mosley 2012-12-18 An eBook original crime novel from bestselling author

Walter Mosley, *Parishioner* is a portrait of a hardened criminal who regrets his past, but whose only hope for redemption is to sin again. In a small town situated between Los Angeles and Santa Barbara, a simple church of white stone sits atop a hill on the coast. This nameless house of worship is a sanctuary for the worst kinds of sinners: the congregation and even the clergy have broken all ten Commandments and more. Now they have gathered to seek forgiveness. Xavier Rule—Ecks to his friends—didn't come to California in search of salvation but, thanks to the grace of this church, he has begun to learn to forgive himself and others for past misdeeds. One day a woman arrives to seek absolution for the guilt she has carried for years over her role in a scheme to kidnap three children and sell them on the black market. As part of atoning for his past life on the wrong side of the law, Ecks is assigned to find out what happened to the abducted children. As he follows the thin trail of the twenty-three-year-old crime, he must struggle against his old, lethal instincts—and learn when to give in to them.

Resurrecting Cybele Jenifer Mohammed
2013-08-29 Cybele Moondragon is an unemployed English graduate student who is disillusioned with her life and tired of being in debt. She decides to resurrect a matriarchal cult based on the pagan goddess Cybele in order to make a lot of money and empower men and women who are stifled in more traditional, patriarchal religions. Cybele is joined in her quest by her best friend Janus Styx, a Psychology graduate student who helps with the funding for the cult but, unknown to Cybele, manipulates vulnerable members of the cult for his own purposes. Gabriel Anderson is an undercover investigative reporter who realizes he can get the inside scoop on the birth of a pagan cult in Winnipeg and its possible links to eco-terrorism. Cybele slowly discovers that while she leads ceremonies in hopes of showing her followers the path to spiritual enlightenment, Janus is playing a dangerous game of manipulation with his. Will Cybele succeed in resurrecting her life and ushering a new matriarchal religion into the world or will she fall prey to Janus's machinations and become the scapegoat in his quest for power and control? You'll have to read

the book to find out.

Gone, But Not Forgotten Phillip Margolin
2012-02-22 · In Portland, Oregon, the wives of several prominent businessmen have disappeared without a trace, leaving behind only a black rose and a note with a simple message: "Gone, But Not Forgotten." · An identical series of disappearances occurred in Hunter's Point, New York, ten years ago—but the killer was caught, the case was closed and the special "rose killer" task force was disbanded. · Betsy Tannenbaum, a Portland wife and mother who has gained national recognition as a feminist defense attorney, is retained by multimillionaire Portland developer Martin Darius—for no apparent reason. · Nancy Gordon, a homicide detective for the Hunter's Point Police Department and an original member of the "rose killer" task force, hasn't slept a full night in ten years, haunted by nightmares of a sadistic killer who, she swears, is still out there. . . · Alan Page, the Portland district attorney, trying to make sense of the sudden series of disappearances, opens his front door one evening to find Nancy Gordon on his doorstep—determined to tell him a story he won't soon forget. · Across the country, in Washington, D.C., the President of the United States has just selected United States Senator Raymond Colby to be the next Chief Justice of the Supreme Court. In a private meeting, Colby assures the President there are no skeletons in his closet. Complex, utterly compelling, and brilliantly executed, GONE, BUT NOT FORGOTTEN is a book that truly lives up to

its extraordinary advance praise: Once begun it simply cannot be put down.
