A Life in Twilight Mark Wolverton 2008-11-11

A Life in Twilight reveals the least-known and most enigmatic period of J. Robert Oppenheimer's life, from the public humiliation he endured after the 1954 Atomic Energy Commission's investigation into his alleged communist leanings and connections to his death in 1967. It covers Oppenheimer's continued work as a scientist and philosopher and head of the Institute for Advanced Study in Princeton, his often controversial public appearances, as well as parts of his private life. What emerges is a portrait of a man who was toppled from the highest echelons of politics and society, had to see his honor and name blackened, but succeeded in maintaining his dignity and rebuilding a shattered life, although he never truly recovered from the McCarthy-inspired persecution he suffered. Previously unpublished FBI files round out the picture and cast a sinister cloud over Oppenheimer's final years, during which he remained under occasional surveillance. Mark Wolverton has succeeded in presenting an evenhanded and very well-researched account of a life that ended in twilight. It reads like a written version of the acclaimed film Good Night, and Good Luck, and indeed Murrow's interview with Oppenheimer is one of the central elements of the story. A Life in Twilight is an important exploration, not only of a prominent scientist and philosopher, but also of an unforgettable era

in American history.

Ellen Harmon White Terrie Dopp Aamodt 2014

In America, as in Britain, the Victorian era enjoyed a long life, stretching from the 1830s to the 1910s. It marked the transition from a pre-modern to a modern way of life. Ellen White's life (1827-1915) spanned those years and then some, but the last three months of a single year, 1844, served as the pivot for everything else. When the Lord failed to return on October 22, as she and other followers of William Miller had predicted, White did not lose heart. Fired by a vision she experienced, White played the principal role in transforming a remnant minority of Millerites into the sturdy sect that soon came to be known as the Seventh-day Adventists. She and a small group of fellow believers emphasized a Saturday Sabbath and an imminent Advent. Today that flourishing denomination posts twenty million adherents globally and one of the largest education, hospital, publishing, and missionary outreach programs in the world. Over the course of her life White generated 50,000 manuscript pages and letters, and produced 40 books that have enjoyed extremely wide circulation. She ranks as one of the most gifted and influential religious leaders in American history, and Ellen Harmon White tells her story in a new and remarkably informative way. Some of the contributors identify with the Adventist tradition, some with other Christian denominations, and some with no religious tradition at all. Taken together their essays call for White to be seen as a significant figure in American religious history and for her

to be understood her within the context of her times.

A Cyclopaedia of Canadian Biography: Being Chiefly Men of the Time Various 2019-12-16 "A Cyclopaedia of Canadian Biography: Being Chiefly Men of the Time" by Various. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Naked State of Human Being Luis Ivan Martinez-Toledo 2016-04-21 This book explains the image of nakedness (gymnos) taken by Paul in the Corinthian correspondence to refer to the state of human being during death. Through an academic approach, but simple language, the author explains the biblical monist understanding of human being. He takes the biblical experience of death and resurrection to point out his arguments. This book uncovers the ancient problem of the continuation of personal identity from life prior to death, on to resurrection. It also provides a fresh biblical approach from an anthropological and biblical perspective to the problem of what being human really is. Those who enjoy traveling through the Bible with an open mind and warm heart will find in this book a good experience.

Minutes of the Sessions of the Westminster Assembly of Divines While Engaged in Preparing Their Directory for Church Government, Confession of Faith, and Catechisms (November 1644 to March 1649) 1874

The Trinity Woodrow Wilson Whidden 2002
Among Seventh-day Adventists the doctrine of the Trinity is often taken for granted. But increasingly it is opposed by a small minority

who have retreated to the anti-Trinitarian position of the pioneers. In response the authors, each a specialist in his field, trace the doctrine of the Trinity through Scripture, church history, and the writings of Ellen G. White.; ; The first section surveys the biblical foundations of the doctrine and addresses objections that have been raised. Other sections trace the development of the doctrine in Christian history, in Adventist history, and in the writings of Ellen White. The authors explain why the doctrine was resisted by many of the leading pioneers.; ; The final section asks "So what?" It discusses the theological and practical implications of Trinitarian belief, worship, and practice, showing how it affects what we believe about salvation, atonement, the great controversy, and other significant doctrines. With glossaries, bibliography, and index, this comprehensive primer on the Trinity will shed new light on the central beliefs of Christianity, and show how God still leads His church into all truth. -

Introduction; SECTION ONE--The Biblical Evidence for the Full Deity of Christ, the Personality of the Spirit, and the Unity and Oneness of the Godhead; Chapter 1: The Strongest Bible Evidence for the Trinity; Chapter 2: The Full and Eternal Deity of Christ: Part I--The New Testament Epistles, the Old; Testament, and the Gospels; Chapter 3: The Full and Eternal Deity of Christ: Part II--The Gospel of John; Chapter 4: The Personality and Deity of the Spirit and the Triune Oneness of the Godhead; Chapter 5: Trinitarian Evidences in the Book of Revelation; Chapter 6: Biblical Objections to the Trinity; Chapter 7: Logical Objections to the Trinity; SECTION TWO--The History of the Trinity Doctrine From A.D. 100 to A.D. 1500; SECTION THREE--Trinity and Anti-Trinitarianism From the Reformation to the Advent; Movement; SECTION FOUR--The Doctrine of the Trinity and Its Implications for Christian Thought and Practice; Index

Who's who in Religion 1992

The Everlasting Covenant E.J. Waggoner Ellet Joseph Waggoner (1855 - 1916) was a leading Seventh-day Adventist preacher and writer. He

writes, "The Bible was written for no other purpose than to show the way of life. It contains history and biography, but these are parts of the Gospel Message. Not one line is written except to reveal Christ; whoever reads it for any other purpose than to find in it the way of salvation from sin, reads it in vain; studied in the light of Calvary, it is a delight, and things that would otherwise be obscure are made clear as the noonday. The pages that follow are designed as an aid to all who would look at the precepts and promises of the Bible in their true setting. One line runs through the entire Bible, God's everlasting covenant. Standing at the Cross, one can see the working of God's eternal purpose, which He purposed "in Christ before the world began." The history from Paradise lost till Paradise restored, is set forth as in a panorama."

RAF Wings Over Florida Willard Largent 2000
They fondly remember the times when they buzzed over the homes of their Florida "families" to let them know to expect them for Sunday dinner. More than fifty years later, their stories still resonate with universal emotions: fear of failure, love of country, camaraderie, romantic love, and the pain of tragic deaths. Their stories also remind the American reader of a unique time in our history, when, poised on the brink of war, the United States reached out to help a country in distress."--BOOK JACKET.

Cubism and Abstract Art Alfred H. Barr, Jr.

2019-04-01 Originally published in 1936, in this classic account of the development of abstract art Alfred Barr analyses the many diverse abstract movements which emerged with bewildering rapidity in the early years of the twentieth century, and which had an impact on

every major form of art. Barr traces the history of nonrepresentational art from its antecedents in late nineteenth-century painting in France - Seurat and Neo-Impressionism, Gauguin and Synthetism, and Cézanne - through abstract tendencies in Dada and Surrealism. He distinguishes two main trends in abstract art: the geometrical, structural current as it developed in Cubism and later in Constructivism and Mondrian, and the intuitional, decorative current running from Matisse and Fauvism through Kandinskij and, later, Surrealism. He shows how individual movements influenced one another, and how many artists experimented with more than one style. Barr also discusses the involvement of a number of abstract movements in architecture and the practical arts - the Bauhaus in Germany, de Stijl in Holland, Purism in France, and Suprematism and Constructivism in Russia.

This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Canadian Almanac and Miscellaneous Directory 1917

A Search for Identity George R. Knight 2000 Der Autor geht auf Fragen ein, die jeden Adventisten interessieren (sollten): Wie kamen die

Adventisten zu den Glaubensüberzeugungen, die sie heute vertreten? Wie haben sich die Lehrauffassungen im Laufe der Jahre verändert? Würden die adventistischen Pioniere alle 27 Glaubenspunkte unterschreiben wollen, die heute von der Gemeinschaft der Siebenten-Tags-Adventisten als verbindlich anerkannt werden? George Knight bezweifelt das. Er legt in wohlthuender Offenheit die unterschiedlichen Strömungen innerhalb der Adventgeschichte dar und verdeutlicht, dass Adventgläubige nicht aufhören dürfen, Suchende und Lernende zu sein. So aufwühlend dies klingen mag, so beruhigend wird der Leser feststellen können: An allen untersuchten Beispielen wird erkennbar, wie wunderbar Gott die Adventgemeinde geführt hat. - How did Adventists come to believe what they believe? How have those beliefs changed over the years? With compelling candor George Knight captures the ebb and flow of the doctrinal currents within Adventism, including controversies over the shut door, the law in Galatians at the 1888 General Conference, the Trinity, pantheism, Fundamentalism, the nature of Christ, and inspiration. The Adventist Church was founded by independent thinkers who would have disagreed with several of the church's current 27 fundamental beliefs. But over the years strength arose out of contention, and consensus out of debate. From William Miller to Desmond Ford, Knight catalogues the colorful personalities who shaped the discussion, and shows how God has led Adventism into a broader and deeper understanding of His eternal truth. - A Word to the Reader, A Note From the Author, List of Abbreviations, Chapter 1: The Dynamic Nature of "Present Truth", Present Truth: Fluid Rather Than Static, The Avoidance of Creedal Rigidity, The Pathway of Progressive Understanding, Chapter 2: Adventism Wasn't Born in a Vacuum, The Theological Roots of Adventism, Millennial Visions, Chapter 3: The Millerite Theological Foundation, Miller's Use of the Bible, Miller on the Second Advent, The First and Second Angels' Messages, The Seventh-Month Movement and the Great Disappointment, Chapter 4: What Is Adventist in Adventism? (1844-1885), The Centrality of the Shut Door and the Struggle for Identity, A People of "the Book", Moving Toward an Understanding of the

Sanctuary, The Sabbath and the Third Angel's Message, The Final Doctrinal Pillar: Conditional, Immortality, Putting It All Together, Refining the First and Second Angels' Messages, Other Post-1850 Theological Refinements, Perspective, Chapter 5: What Is Christian in Adventism? (1886-1919), A Setting for Disagreement, Still a People of the Book? The Issue of Authority, Uplift Jesus: Righteousness by Faith and the Third Angel's Message, Uplift Jesus: The Trinity, Full Divinity of Jesus, and Personhood of the Holy Spirit, Uplift Jesus: A Two-Track Exploration Into the Human Nature of Christ, Perspective, Chapter 6: What Is Fundamentalist in Adventism? (1919-1950), A Polarizing Theological Context, Adventism Moves Toward a More Rigid Position on Inspiration, A People of the Book or a People of the Books?, A Revived Interest in Righteousness by Faith, The Crucial Role of M.L. Andreasen and His "Last Generation" Theology, Moves to Make Adventism Look More Christian, Perspective, Chapter 7: Adventism in Theological Tension (1950-), Some Significant Developments, Track 1: The Search for Historic Adventism, Track 2: The Search for the Meaning of 1888, Track 3: The Search for Ellen White's Role and Authority, Track 4: The Search for a Theology of Inspiration Perspective, Chapter 8: What Does All This Mean?, Lessons on Polarization, Lessons on "Theological Rigor Mortis", Lessons on Theological Essentials, And What About the Advent?, Appendix: Fundamental Beliefs of Seventh-day Adventists, Index
A trindade Woodrow Wilson Whidden 2003
Trinity, Community, and Power M. Douglas Meeks 2000 Bringing together major papers presented at the tenth Oxford Institute of Methodist Theological Studies, Trinity, Community, and Power offers readers a multi-faceted analysis of Wesley's doctrine of God. Revealing Wesley's insights into the nature of God for his understanding of salvation, revelation, and ethics, this volume helps readers understand how a doctrine of the mission of the church is rooted in Wesley's understanding of God.
Adventist Interchurch Relations Stefan Höschele 2022-09-05 This study presents the first comprehensive analysis of Seventhday Adventist interchurch relations - a 20-million

member body whose ecumenical stance has so far been underresearched. For the sake of interpreting denominational involvement and reservations in Adventism as well as beyond, the study develops a new academic approach to ecumenism based on Relational Models Theory, a comprehensive social science paradigm of interpreting human relationships. The resulting typology of ecumenical interactions and the historical case study of Adventism suggest that such a relational interpretation of ecumenical interaction sheds light on many of the unresolved issues in ecumenics - such as divergent concepts of unity, difficulties in recognition processes, and the permanence of denominationalism.

Who was who in America 1968

Biographical Memoirs National Academy of Sciences 1997-05-23 Biographic Memoirs Volume 71 contains the biographies of deceased members of the National Academy of Sciences and bibliographies of their published works. Each biographical essay was written by a member of the Academy familiar with the professional career of the deceased. For historical and bibliographical purposes, these volumes are worth returning to time and again.
