**Inferior Office** Francis Young 2015-04-30 In spite of the centrality of the threefold orders of bishop, priest and deacon to Anglicanism, deacons have been virtually invisible in the contemporary Church of England. 'Inferior Office?' is the first complete history of this neglected portion of the clergy, tracing the church's changing theology of the diaconate from the Ordinal of 1550 to the present day. Francis Young skilfully overturns the widely held belief that before the twentieth century, the diaconate was merely a brief and nominal period of probation for priests, revealing how it became an integral part of the Elizabethan defence of conformity and exploring the diverse range of ministries assumed by lifelong deacons in the seventeenth and eighteenth centuries. Lifelong deacons often belonged to a marginalised 'lower class' of the clergy that has since been forgotten, an oversight of considerable importance to the wider social history of the clergy that is corrected in this volume. 'Inferior Office?' tells the story of persistent calls for the revival of a distinctive diaconate within the Victorian Church of England and situates the institution of deaconesses and later revival of the distinctive diaconate for women, as well as subsequent developments, within their wider historical context. Set against this backdrop, Young presents a balanced case both for and against the further development of a distinctive diaconate today, offering much to further discussion and debate amongst clergy of the Church of England and all those with an interest in the rich tapestry of its history.

**Successful Writing at Work** Philip C. Kolin 2016-01-01 SUCCESSFUL WRITING AT WORK, 11th Edition, features an abundance of real-world examples and problems, an accessible writing style, and detailed guidelines for planning, drafting, revising, editing, formatting, and producing professional documents and graphics in the global workplace. Students are presented with topics in four logically sequenced sections, beginning with a discussion of the writing process and collaboration, followed by material on basic business communications (including e-communications and social media), letters, and resumes; conducting research and documenting sources; and more advanced tasks such as preparing visuals, websites, instructions, procedures, proposals, short and long reports, and presentations. With each new writing assignment, students learn to become effective problem solvers, to work effectively as members of a collaborative team, to understand their global audience, and to select the best communication technologies to accomplish their goals. [The African American Community in Rural New England](#) David H. Levinson 2006-10-30

[The African American Community in Rural New England: W. E. B. Du Bois and His Boyhood Church: W. E. B. Du Bois and His Boyhood Church](#) (formerly published in hardcover as *Sewing Circles, Dime Suppers, and W. E. B. Du Bois: A History of the Clinton A. M. E. Zion Church*) is a story of a small New England church's role in the national civil rights movement. Featuring more famous figures such as Du Bois, this book also tells the story of the church's lesser known members who struggled to keep it in existence, all the while fighting for their rights in a shifting social climate. The African American Community in Rural New England is the often heroic tale of a small group of African Americans who founded and have maintained their church in a small New England town for nearly 140 years. The church is the Clinton African Methodist Episcopal Zion Church and the town is Great Barrington, Massachusetts - the hometown of the leading African American scholar and activist W. E. B. Du Bois. Du Bois attended the church as a youth and wrote about it; these writings are one source for this history. The book gives readers a broad view of the details of the church's history and recounts the story of its growth. Du Bois plays a crucial role in the national fight for social justice, of which the church was and remains an important part.

**The End of White Christian America** Robert P. Jones 2017-07-04 "The founder and CEO of Public Religion Research Institute (PRRI) and columnist for the Atlantic describes how white Protestant Christians have declined in influence and power since the 1990s and explores the effect this has had on America,"--NovelList.

[All Things Necessary](#) Marti Rideout 2013-01-01 A Guide to the Practice of Church Music by Marion J. Hatchett was published by Church Hymnal Corporation in 1989 and was an invaluable resource for church musicians, clergy, and educational programs in the church, such as the Leadership Program for Musicians (LPM). Since that time our liturgical language expanded and changed the scope of our worship offerings. The hymnody of other cultures, as well as hymn writers from the past thirty years, has influenced congregational song. The use of the Revised Common Lectionary has necessitated the need for new liturgical and music planning texts. All Things Necessary: A Practical Guide for Episcopal Church Musicians by Marti Rideout is a resource for musicians serving in Episcopal Churches who come from other denominations; clergy who desire to have a deeper appreciation for church music and who seek a resource that will help them in their ministries; those who are new to church work, and those who have served the church but desire to expand their knowledge. This book provides: - Comprehensive information about the Episcopal Church, The Book of Common Prayer (1979), liturgical resources published since then and the opportunities for music within the various rites, The Hymnal 1982 and all hymnal supplements and resources written since that publication. - A philosophy of music in the Episcopal Church. - A complete compilation of service music and canticles for the Daily Offices, Holy Eucharist and Sacraments from

Church Publishing's six main hymnal sources. - Suggestions for the singing of Psalms and planning liturgies throughout the liturgical year. - Extensive lists of sources for most aspects of church music and liturgy, terms and definitions from an Episcopal perspective, and a practical bibliography.

*Do Not Be Afraid* John E. Harnish 2015-05-01 Membership in the United Methodist Church in the United States has been shrinking since the merger of 1968. Yet the bishops and young clergy who contributed essays to "Do Not Be Afraid" are unconvinced by the constant claims that the church is dying. The authors provide powerful stories pregnant with hope. Editor Dr. John Harnish masterfully weaves the chapters together so that the readers understand why each writer was included, as well as how each comes from a unique context.

**Moments In Time** Margaret Cline Harmon 2016-04-18 This book commemorates Zachary United Methodist Church's 125th Anniversary celebration on October 11, 2015. Margaret Cline Harmon interviewed descendants of Charter Members of the church about their memories of growing up in the church and the community. Their reflections contained in this book are priceless historical snapshots of what it was like growing up in the Zachary United Methodist Church and the Zachary area during our formative years of the twentieth-century and fifteen years beyond. These interviews, along with the history of this church, is a real treasure to cherish for all who were blessed to be a part of this church and community between 1890 and 2015.

*The Poetry of Faith* Stephen F. Dill 2013-01-01 The ministry of the Rev. Stephen F. Dill was forged in the turbulent civil rights years when he stood for social justice and spoke against racial segregation. In this collection of sermons--many from his 20 years as pastor of Dauphin Way United Methodist Church in Mobile, Alabama--Dill reflects on the implications of his faith for the lives of individuals and for the life of the world. Robin Wilson, one of Dill's successors at Dauphin Way, praises "the bold humility" of his message, and author Frye Gaillard, in the book's introduction, offers this description of Dill and his sermons: "Almost inevitably, the poetry of his preaching caught the quick of my imagination and quietly, inevitably made me think." Appropriately, the publication of *The Poetry of Faith* coincides with the 100th anniversary of Dauphin Way. But these challenging and reassuring sermons resonate far beyond those walls. As Methodist educator Gorman Houston put it, this is the Christian faith at its finest, for Stephen Dill has always been "one of those ministers ... able to see the church as it should be and not as it was."

*Museums and Public Art?* Cher Krause Knight 2018-06-11 While many museums have ignored public art as a distinct arena of art production and display, others have – either grudgingly or enthusiastically – embraced it. Some institutions have partnered with public art agencies to expand the scope of special exhibitions; other museums have attempted to establish in-house public art programs. This is the first book to contextualize the collaborations between museums and public art through a range of essays marked by their coherence of topical focus, written by leading and emerging scholars and artists. Organized into three sections it represents a major contribution to the field of art history in general, and to those of public art and museum studies in particular. It includes essays by art

historians, critics, curators, arts administrators and artists, all of whom help to finally codify the largely unwritten history of how museums and public art have and continue to intersect. Key questions are both addressed and offered as topics for further discussion: Who originates such public art initiatives, funds them, and most importantly, establishes the philosophy behind them? Is the efficacy of these initiatives evaluated in the same way as other museum exhibitions and programs? Can public art ever be a "permanent" feature in any museum? And finally, are the museum and public art ultimately at odds, or able to mutually benefit one another?

*Memoir of Madness* Paul Stark 2014-02-07 In Washington D.C. Paul Stark handled contracts for the Federal Government worth millions of dollars and had a military security clearance with access to some of this Nation's most sensitive secrets. All the while he suffered from a crippling mental illness that eventually struck him down. Along the way, he became a confidential informant to the FBI, negotiated contracts worth more than \$100 Million, and grazed the power politics of Washington. He also spent years in and out of mental institutions. This is a powerful and graphic depiction of mental illness. This is a must-read for anyone interested in mental illness in general, bipolar disorder in particular, the interplay of religion and psychosis, and anyone seeking to know how a person can make peace with such a devastating illness and live a meaningful life. **Reclaiming Our Forgotten Heritage** Curt Landry 2019-01-15 "A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom. . . . There is no better time than now to learn about and become firmly grounded within your spiritual heritage." –from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus, and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people. Over time, however, Christianity became increasingly more Roman than Jewish, and the church lost its identity. Rabbi Curt Landry's personal story is remarkably similar. Born to a Jewish mother and a Catholic father, Landry was put up for adoption, and for more than thirty years he had no understanding of his heritage, his roots, or who his parents were. But when he discovered the truth of his story, his life changed completely. The key to a life of power and purpose is understanding who you are. In this revelatory book, Curt Landry helps Christians discover their roots in Judaism, empowering them to walk in the revelation of who they really are and who they are born to be. *Reclaiming Our Forgotten Heritage* reveals the mysteries of the church, letting Christians grasp the power that comes from connecting with their true identity.

*First Expressions* Steve Taylor 2019-12-30 Seeking insight from the real-life development of the earliest expressions of emerging church from their birth, through times of adolescent angst and into the reality of adulthood, this book offers a unique insight into the long-term sustainability of fresh expressions. Presenting the lived practice of the church in mission through a longitudinal lens, and eschewing the rose-tinted approach, it considers the reality of emerging churches - their birth and death, their creativity and conflict, their dreams and despair. A picture of a church that is neither gathered and parish nor independent and networked emerges as the biographies of mission are brought into dialogue with a very ancient expression of mission, the birth of Philippians as a first expression of church in Europe..

*The Washingtons. Volume 8* Justin Glenn 2016-09-30 This is the eighth volume of Dr. Justin Glenn's comprehensive history that traces the "Presidential line" of the Washingtons. Volume one began with the immigrant John Washington, who settled in Westmoreland Co., Va., in 1657, married Anne Pope, and became the great-grandfather of President George Washington. It continued the record of their descendants for a total of seven generations. Volume two highlighted notable members of the next eight generations, including such luminaries as General George S. Patton, the author Shelby Foote, and the actor Lee Marvin. Volume three traced the ancestry of the early Virginia members of this "Presidential Branch" back to the royalty and nobility of England and continental Europe. Volumes four, five, six, and seven treated respectively generations eight, nine, ten, and eleven. Volume Eight presents generations twelve through fifteen, comprising more than 8,500 descendants of the immigrant John Washington. Although structured in a genealogical format for the sake of clarity, this is no bare bones genealogy but a true family history with over 1,200 detailed biographical narratives. These strive to convey the greatness of the family that produced not only The Father of His Country but many others, great and humble, who struggled to build that country.

Our Membership Vows in The United Methodist Church Mark Stamm 2015-05-04 A resource for both newcomers to the United Methodist Church and those who have been members for decades, *Our Membership Vows* is a wonderful reflection on the vows each member takes upon joining the church. Members make covenant to uphold the vows, and each one is discussed in this easy-to-read booklet. A great gift idea for churches to give to new members.

Stolen Grace Rev Errol E. Leslie 2021-09-09 If we look closely at the people God used in the Old Testament, we will notice that many of them failed God at some point. They messed up badly, and God still used them. Even in the New Testament, there are people who messed up, and God used them to build His kingdom and church. God has used and will continue to use "messed-up people," and many such are found in the genealogy of Jesus and also referenced in Hebrews 11, who were broken and really messed up. The Bible is filled with stories of people that have struggled, stumbled, and simply failed God. God stopped Saul (Paul) on the road to Damascus, and his life would be changed and transformed forever. Paul easily became the greatest apostle of all time. In scriptures, there are so many other persons whom God used, even though they were broken. People like Moses, David, Solomon, and

Rahab show us how God is still willing to use us after we have messed up. No matter what broken state we're in, we are never beyond God's reach. We are never so far gone that God can't make us effective for His purposes. It is us as human beings who judge each other by our own personal standards and write people off as being unacceptable. I messed up badly during my ministry, but I am convinced that God still has a purpose for me and wants to continue to use me in ministry. He has already been demonstrating this to me in a clear, strong, and meaningful way. When we are broken or feel that we have messed up, that is not the time to worry about what others may do or say since other humans can make us feel worse. Equally, it is not the time to give up and turn away from God. Rather, it is the time to draw nearer to God. That is when we should seek God all the more for direction, clarity, help, and strength. It's the time when we should, like David, ask God to create a clean heart and renew a steadfast spirit within us and restore us into the joy of His salvation.

Liturgy with a Difference Stephen Burns 2019-05-31 *Liturgy with a Difference* gathers a broad range of international theologians and scholars to interrogate current practices of liturgy and worship in order to unmask ways in which dehumanizing majoritarianisms and presumed norms of gender, culture, ethnicity, and body, among others, remain at work in congregations.

**Along the Way** Jeff Waeger 2021-05-03 This is the story of my life's journey. It began with my growing up in a small town in eastern Massachusetts where a caring community surrounded you every day and everywhere. Then on to college and marriage where I began my career. Over the years, our family moved several times to new places in different states. At each stop, we met new people, formed new friendships, and lived through all of the experiences of life, individually and as a family. Everywhere we moved, we were blessed to receive the love and care of God's church through being embraced by and accepted into nurturing and loving faith communities. God's light and love held us together all along the way. We'll share with you some of our true-life accounts of faith, family, and relationships from each of those locations. You'll read about wins and losses, successes and setbacks, challenges and perseverance, and about love-family love shared in some amazing ways-and God's love shared with us every step of the way. Learn about my call from God and how I finally answered it in an amazing sequence of events that unfolded successfully with God's help. I hope you'll find some helpful thoughts from the accounts and reflections in this book that will help you in your journey through life. We live in a time of heightened anxiety and uncertainty. Some say our future is in doubt. I have five amazing grandchildren. Read this book and see if you agree with my assessment: "I'm confident about our future because I'm certain about our children and our grandchildren." I would offer this word to you today: Uplift your family in prayer as you uphold them in God's love. Be there for each other. All of our life's journeys continue. I'd love to hear how yours is going, who have you met, what have you learned, and what will you be sharing with your grandchildren. Contact Jeff at: jeffrey.waeger@yahoo.com

*Crossing Thresholds* Timothy L. Carson 2021-01-30 We live in an age of enormous and rapid change, but how do people, organisations, even whole cultures and societies change? And where is God in such transformations? For more than a hundred years, anthropology has taught us that entering a chaotic, awesome and fraught 'threshold' - or liminal space - is fundamental to our renewal as human beings. Yet none of us goes willingly into such places. We need to be 'held' in liminal movement so that it is safe enough to change. *Crossing Thresholds* is the first inter-disciplinary theological treatment of the universal phenomenon of liminality. Developing practical wisdom from foundations in the work of Victor Turner, Donald Winnicott and Bruce Reed, the authors explore the place of liminality in the worship, mission and hermeneutics of the Church and reflect on its usefulness to a wide range of Christian practice. For all those who strive to think theologically about the great transitions of life, this comprehensive work offers unique insight into what it is to safely cross the threshold of chaos and embrace the future with courage.

*Writing and Research* Kevin Gary Smith 2016-09-30 Written in a simple yet engaging style, Dr Kevin Smith applies his years of experience and expertise in scholarly writing and research in this one-volume guide. *Eucharistic Epicleses, Ancient and Modern* Anne McGowan 2014-05-15 This book explores the theological and textual connections among ancient and modern epicleses, primarily through analysis of a selection of epicletic texts in contemporary Western eucharistic prayers and the theological principles that shaped them. Liturgical scholarship on the Spirit's role in early liturgical prayers and texts conducted during the twentieth century contributed to the language and pneumatology of contemporary eucharistic prayers in the Western Christian tradition. More recent considerations of these ancient sources suggest ways to articulate and incorporate a more expansive understanding of the connections between the Holy Spirit and the Eucharist into the eucharistical repertoire of various ecclesial traditions.

*Yet Alive? Methodists in British Fiction since 1890* David Dickinson 2016-06-22 Reading the novels of George Eliot, Arthur Quiller-Couch, Barry Unsworth, and others, as a Methodist, David Dickinson offers a colourful picture of Methodists

in British fiction since the close of the nineteenth century. In the first century and a half of the denomination's influence, many novels treated Methodist themes, settings and characters – and several authors were themselves Methodist – but as Methodism declined, its appearances in modern English literature diminished. Nevertheless, it retains a strong, if paradoxical, presence in popular imagination, fed in part by its fictional depiction. *Yet Alive?* argues that, despite, or perhaps because of, the process of secularisation, novels depicting Methodists play an important role in literature's ongoing exploration of spiritual, religious and theological themes, and that Methodists have much to learn from the way authors see them.

**A Synopsis of Racism in the African Christian Mission of 19th and 20th Centuries** Andrew Ratanya Mukaria 2020-01-01 This book is not out to condemn or blame any European person, but rather understand the world from its past misdeeds, lest we forget. After all, 'history is the backbone of society, and we cannot hide the past no matter how painful it is. Although there were 'bad intentions' to the mission drive of the 19th and 20th Centuries, we also experienced positive achievements. Sometimes, blessings can come out of the worst situations or encounters. Such missionary activities, coupled with imperialism, are the cause of the global union.' The world is a global family, even with all the differences and inequalities still so visible under globalization. Yet, racism, like white supremacy, was a theme surrounding the 19th and 20th-century European mission to Africa. Perhaps it is good to understand that no other continent has suffered due to racism, a result of Eurocentrism and imperialism as Africa did. Africa lost its culture, people, and resources. The continent and her people have stagnated for decades, even after years of assuming self-rule (own leadership) in most sectors of the society. The reason behind it is that its structures were eroded, and those introduced served one purpose; to satisfy and justify imperialism and its core to 'civilizing mission.' Cases of Rwanda and Burundi genocide are historical seeds of hatred planted by explorers such as Speke's Hamitic theory. The imperialism past of the Democratic Republic of Congo holds a symbol of rape and cruelty despite its vast resources. Nevertheless, we cannot blame everything that contemporary Africa is suffering from on Imperialism and Eurocentrism. The current crop of leaders must take the blame too. Most have seen debts accumulate. The mismanagement of the economies and embezzlement of the resources only replicates the colonial past. The fact is that most do not invest in people but themselves. The majority lack basics in the likes of education, health care, and improvement of knowledge, skills, and technology. They have left Africa to further exploit in the hands of neo-imperialism in terms of globalization, capitalism, cultural imperialism and conditional aid. These bring little to no gain in Africa, and instead, escalate the suffering. This book unearths the legacy of the 'racism mission' and colonialism, a terrible part of Africa history. It is a legacy of dehumanization, wars, and human sufferings. If we ignore such history, we might forget and likely, repeat it. Andrew Ratanya Mukaria (Dr).

Finkelstein 2020-01-10 A thorough account of newspaper and periodical press history in Britain and Ireland from 1800-1900 Provides a comprehensive history of the British and Irish Press from 1800-1900, reflected upon in 60 substantive chapters and focused case studies Sets out to capture the cross-regional and transnational dimension of press history in nineteenth-century Britain and Ireland Offers unique and important reassessments of nineteenth-century British and Irish press and periodical media within social, cultural, technological, economic and historical contexts This is a unique collection of essays examining nineteenth-century British and Irish newspaper and periodical history during a key period of change and development. It covers an important point of expansion in periodical and press history across the four nations of Great Britain (England, Ireland,

Scotland and Wales), concentrating on cross-border and transnational comparisons and contrasts in nineteenth-century print communication. Designed to provide readers with a clear understanding of the current state of research in the field, in addition to an extensive introduction, it includes forty newly commissioned chapters and case studies exploring a full range of press activity and press genres during this intense period of change. Along with keystone chapters on the economics of the press and periodicals, production processes, readership and distribution networks, and legal frameworks under which the press operated, the book examines a wide range of areas from religious, literary, political and medical press genres to analyses of overseas and migr press and emerging developments in children's and women's press.
