Sport and the American Occupation of the Philippines Gerald R. Gems 2016-08-05 This interdisciplinary study analyzes the role of sport during the American occupation of

Downloaded from unovent.com on September 28, 2022 by guest

the Philippines and how it related to race, religion, government, and more. It examines how sport was used by colonial authorities to achieve occupation aims and argues that similar strategies continue to be prominent factors in U.S. foreign policy. *Detroit Is No Dry Bones* Camilo J Vergara 2016-11-16 "Detroit has lost nearly sixty percent of its population since the mid-1950s. Ethnographer and photographer Camilo Josae Vergara has traveled to Detroit to document not only the city's precipitous decline but also how its residents have survived. Through annual visits to Detroit over the past twenty five years, Vergara has sought to capture the image of the inner city and its changes over time. From the 1970s through the 1990s, these changes were almost all for the worse, as the built fabric of the city was erased through neglect and abandonment. But over the last decade

Detroit has seen the beginnings of a positive transformation, and *Detroit Is No Dry Bones* provides unique documentation of the revival and its urbanistic possibilities. Beyond the fate of the city's buildings themselves, Vergara has consistently sought to illumine the lives of Detroit's people. Not only has he shown the impact of depopulation, disinvestment, and abandonment on their lives during the worst years of the urban crisis; but he has shown their resilience as well. The photographs are organized in part around the way people have re-used and re-purposed structures from the past. Vergara, for example, is unique in his documentation of local churches that have re-occupied old bank buildings and other impressive structures from the past and turned them into something unexpectedly powerful architecturally as well as spiritually"

Performing the Gospel

Deborah Sokolove
2019-03-12 What is the difference between good worship and good entertainment? Too often, people disparage some aspect of worship by calling it "just entertainment" or "just a performance." Others say that they do not need to go to church because they have profound spiritual or even religious experiences at concerts, plays, movies, or dances. How is worship different from these performing arts? How is art different from entertainment? This book looks at the history of the performing arts both in worship and as worship, with particular attention to the attitudes that shape our ideas about both worship and entertainment. Working definitions of words like "art," "excellence," "liturgy," and "play" help to illuminate what different people mean when they use them in conversations about Christian worship.

Putting theological, scriptural, and practical writings on worship and the performing arts in conversation with interviews with dancers, musicians, actors, preachers, and liturgical scholars, this volume is intended to help pastors, performers, and everyone who plans, leads, or cares about worship talk with one another in mutually respectful and helpful ways.

The Color of Justice: Race, Ethnicity, and Crime in America Samuel Walker 2016-12-05
Comprehensive and balanced, THE COLOR OF JUSTICE: RACE, ETHNICITY, AND CRIME IN AMERICA is the definitive introduction to current research and theories of racial and ethnic discrimination within America's criminal justice system. The sixth edition covers the best and the most recent research on patterns of criminal behavior and victimization, immigration and

drug use, police practices, court processing and sentencing, unconscious bias, the death penalty, and correctional programs, giving students the facts and theoretical foundation they need to make their own informed decisions about discrimination within the system. Uniquely unbiased, THE COLOR OF JUSTICE makes every effort to incorporate discussion of all major race groups found in the United States. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

2015 Classic United Methodist Program Calendar United Methodist Communications 2014-06-01 "I use the Classic, spiral bound 8.5 x 11 version. I like it for having a fuller calendar at my disposal and to know all the UM events, special Sundays, and other important seasonal and liturgical information. The UM

Calendar is much more useful than a generic calendar for all the information, resources and UM specific events that are listed. My favorite feature is the full calendar for the following year, so that for planning purposes I know when Lent begins, Easter is, and what day Christmas falls. I get extra copies and distribute them to my planning team, worship team and other staff." - The Rev. Dr. Bruce A. Jones, senior pastor, La Plata UMC in La Plata, (Md.) This is the horizontal and spiral, 11" x 8.5" calendar. There's a reason planning and worship teams depend on the CLASSIC calendar. IT HAS EVERYTHING! Agency contacts/web sites, information services, interdenominational services, Revised Common Lectionary readings, liturgical colors, next year's events, planning/resource checklists, special days, a three-year calendar, the United Methodist giving program

Downloaded from unovent.com on September 28, 2022 by guest

and pages for notes. The 2015 theme for the Official United Methodist Program Calendar is transformation. The compelling stories featured in the insert in the 2015 Classic and Standard calendars are catalysts for both personal and denominational reflection. Bishop Bruce Ough, president of the Connectional Table, asks United Methodists to seek people "from the outskirts of hope" and invite them to the "center of God's beloved community." United Methodist Program Calendars serve not only as organizational and communication tools, but as reminders of our commitment to do God's work. Please fill your calendar pages with ministries that change the world, events that answer the needs of your community, names of people willing to be "on call" for God's good, and with notes reminding you of why you do what you do as a United Methodist.

Rethinking the Color Line

Charles A. Gallagher 2022-01-20
Rethinking the Color Line helps make sense of how race and ethnicity influence aspects of social life in ways that are often made invisible by culture, politics, and economics. Charles A. Gallagher has assembled a collection of readings that are theoretically informed and empirically grounded to explain the dynamics of race and ethnicity in the United States. Students will be equipped to confidently navigate the issues of race and ethnicity, examine its contradictions, and gain a comprehensive understanding of how race and ethnic relations are embedded in the institutions that structure their lives. User-friendly without sacrificing intellectual or theoretical rigor, the Seventh Edition has been thoroughly updated to reflect the current debates and the state of contemporary U.S. race relations. Included with

Our Social World Jeanne H. Ballantine 2016-11-30 Inspire your students to develop their sociological imaginations in Our Social World. Focused on deep learning rather than memorization, this book encourages readers to analyze, evaluate, and apply information about the social world; to see the connection between the world and personal events from a new perspective; and to confront sociological issues on a day-to-day basis. Organized around the "Social World Model", a conceptual framework used across chapters to see the complex links between various micro- to macro-levels of the social system, students will develop the practice of using three levels of analysis, and to view sociology as an integrated whole, rather than a set of discrete

subjects.

The Practice of Mission in Global Methodism

David W. Scott

2021-04-20 This book

brings together

Methodist scholars and reflective practitioners

from around the world to consider how emerging

practices of mission and evangelism shape

contemporary theologies of mission. Engaging

contemporary issues

including migration,

nationalism, climate

change, postcolonial

contexts, and the growth

of the Methodist church

in the Global South,

this book examines

multiple forms of

mission, including

evangelism, education,

health, and ministries

of compassion. A global

group of contributors

discusses mission as no

longer primarily a

Western activity but an

enterprise of the entire

church throughout the

world. This volume will

To Do Justice Randall C. Jimerson 2022 "The biography "A Civil Rights Activist from Montgomery to Zambia: The Career of Reverend Robert E. Hughes" by Randall C Jimerson examines the inter-racial nature of civil rights and liberation movements in Alabama, Southern Rhodesia, and Zambia and connects them on a global scale through the life and career of Reverend Robert E. Hughes"--
The Next Mormons Jana

Riess 2019-02-01 American Millennials-- the generation born in the 1980s and 1990s-- have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their

generation's commitment to individualism and pluralism prove too high, causing them to leave the faith—often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. The Next Mormons offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

Susan Angeline Collins:
with a Hallelujah Heart

Janis Bennington Van Buren 2021-04-27 Ten percent of book profits will go to the Susan Angeline Collins Scholarship at Upper

Iowa University in Fayette, Iowa. Get ready to delve into a world of hardship, challenge, and fulfillment. Explore the life of African American Susan Angeline Collins and be inspired by her faith, pioneering attitude, missionary successes, unfailing courage, and belief in everyone's right to an education. As Miss Collins' life unfolds before you, relevant social issues affecting people of color are intertwined. Issues examined include economics, education, gender, race, religion, and Africa's colonization from her 1851 birth in Illinois until her 1940 death in Iowa. Her resourcefulness in overcoming obstacles during her 33-year commitment to missionary service in the Congo Delta Region and Angola is compelling. Miss Collins' story demonstrates the difference one person can make in the lives of an unknown number of women and children.

orphaned and homeless and others escaping early marriage and subservience. Her leadership is evidenced when starting a girls' school in the northern Angolan high plateau region years before Mary Jane McLeod Bethune initiated her school for African-American girls in Florida. You will be gratified to discover how this diminutive bundle of energy achieved recognition as a stalwart missionary, leader, teacher, nurse, construction manager, and surrogate mother to "her girls."

The First Black

Archaeologist John W. I. Lee 2022-01-03 An inspiring portrait of an overlooked pioneer in Black history and American archaeology The First Black Archaeologist reveals the untold story of a pioneering African American classical scholar, teacher, community leader, and missionary. Born into slavery in rural Georgia, John Wesley Gilbert (1863-1923)

gained national prominence in the early 1900s, but his accomplishments are little known today. Using evidence from archives across the U.S. and Europe, from contemporary publications, and from newly discovered documents, this book chronicles, for the first time, Gilbert's remarkable journey. As we follow Gilbert from the segregated public schools of Augusta, Georgia, to the lecture halls of Brown University, to his hiring as the first black faculty member of Augusta's Paine Institute, and through his travels in Greece, western Europe, and the Belgian Congo, we learn about the development of African American intellectual and religious culture, and about the enormous achievements of an entire generation of black students and educators. Readers interested in the early development of American archaeology in

Downloaded from
unovent.com on

will find an entirely new perspective here, as Gilbert was one of the first Americans of any race to do archaeological work in Greece. Those interested in African American history and culture will gain an invaluable new perspective on a leading yet hidden figure of the late 1800s and early 1900s, whose life and work touched many different aspects of the African American experience.

Colours of the Kingdom

Nicole Ong 2021-04-09

This book presents true stories and reflections of Christians in Singapore about grappling with issues of ethnicity or nationality in the church. We hear from individuals who have been on the receiving end of racism as well as inclusive hospitality, individuals who have been convicted by the Lord to repent of their prejudices, and church leaders who are working on intentionally creating inclusive spaces that celebrate ethnic and national

diversity. Contributors also share theological, pastoral and practical approaches to this issue.

Post-Christian Interreligious Liberation Theology

Hussam S. Timani

2019-11-29

This book explores the ideals of liberation theology from the perspectives of major religious traditions, including Islam, Christianity, Judaism, Buddhism, and the neo-Vedanta and Advaita Hindu traditions. The goal of this volume is not to explain the Christian liberation theology tradition and then assess whether the non-Christian liberation theologies meet the Christian standards. Rather, authors use comparative/interreligious methodologies to offer new insights on liberation theology and begin a dialogue on how to build interreligious liberation theologies. The goal is to make liberation theology more inclusive of religious diversity beyond

traditional Christian categories.

Four Ministries, One

Jesus Richard A.

Burrige 2019-01-17

Combining the skills of a leading biblical scholar with the wisdom derived from years spent training candidates for ordination, Richard Burrige offers rich reflections on the four gospel portraits of Jesus and shows how they not only inform the calling to ordained ministry but also help sustain the practice of Christian ministry in its various dimensions. *Four Ministries, One Jesus* is for all who feel called to a life of Christian ministry and want to ground their calling in the teaching and example of Jesus, as provided in the four gospels. Burrige helps readers consider vital questions such as: how to sustain reading, Bible study, and theological reflection in ministry; how to extend pastoral care to people outside as well as inside the Christian community; how to care

for self and family; and how to stay attuned to the Spirit by

cultivating a fresh and vigorous life of prayer.

A Gospel of a Different Color Frank Drenner

2016-05-04 The Gospel of John offers a unique understanding of Jesus Christ. A Gospel of a Different Color explores similarities, omissions, and additions to the stories of Jesus. Each section includes reflection questions for small group leaders and preachers.

The Certainty of Uncertainty Mark A.

Schaefer 2018-08-23 The world is full of people who are very certain--in politics, in religion, in all manner of

In addition, political, religious, and social organizations are marketing certainty as a cure all to all life's problems. But is such certainty possible? Or even good? The Certainty of Uncertainty explores the question of certainty by looking at the reasons human beings crave certainty and the religious responses we frequently fashion to help meet that need. The book takes an in-depth view of religion, language, our senses, our science, and our world to explore the inescapable uncertainties they reveal. We find that the certainty we crave does not exist. As we reflect on the unavoidable uncertainties in our world, we come to understand that letting go of certainty is not only necessary, it's beneficial. For, in embracing doubt and uncertainty, we find a more meaningful and courageous religious faith, a deeper encounter with mystery, and a way to build

strong relationships across religious and philosophical lines. In The Certainty of Uncertainty, we see that embracing our belief systems with humility and uncertainty can be transformative for ourselves and for our world.

internalized oppression. Deftly weaving together her own experiences with the political, she offers practical steps to call out racism and bring about radical social change.

Dividing the Faith

Richard J. Boles
2020-12-29 Uncovers the often overlooked participation of African Americans and Native Americans in early Protestant churches. Phillis Wheatley was stolen from her family in Senegambia, and, in 1761, slave traders transported her to Boston, Massachusetts, to be sold. She was purchased by the Wheatley family who treated Phillis far better than most eighteenth-century slaves could hope, and she received a thorough education while still, of course, longing for her freedom. After four years, Wheatley began writing religious poetry. She was baptized and became a member of a predominantly white Congregational church in Boston. More than ten

years after her enslavement began, some of her poetry was published in London, England, as a book titled *Poems on Various Subjects, Religious and Moral*. This book is evidence that her experience of enslavement was exceptional. Wheatley remains the most famous black Christian of the colonial era. Though her experiences and accomplishments were unique, her religious affiliation with a predominantly white church was quite ordinary. *Dividing the Faith* argues that, contrary to the traditional scholarly consensus, a significant portion of northern Protestants worshipped in interracial contexts during the eighteenth century. Yet in another fifty years, such an affiliation would become increasingly rare as churches were by-and-large segregated. Richard Boles draws from the records of over four hundred congregations to scrutinize the

that made different Christian traditions either accessible or inaccessible to African American and American Indian peoples. By including Indians, Afro-Indians, and black people in the study of race and religion in the North, this research breaks new ground and uses patterns of church participation to illuminate broader social histories. Overall, it explains the dynamic history of racial integration and segregation in northern colonies and states.

Transitioning from an Ethnic to a Multicultural Church

Byoung Ok Koo 2019-12-20

Multicultural churches help us understand God's will for us to become one in this multicultural world and experience a heavenly gathering in advance. This book, based on case studies of four multicultural churches, provides insights and knowledge regarding minority-dominant multicultural churches in the United States. Many multicultural churches in America are mainly concerned about racial reconciliation between the white and the black. On the other hand, resources concerning minority-dominant multicultural churches are scant. With the special attention on Korean immigrant churches, this book contributes to the body of knowledge regarding minority-dominant multicultural churches. Specifically, this book provides a model

Downloaded from [unovent.com](https://www.unovent.com) on September 28, 2022 by guest

transition process, called the Windmill T-process, to facilitate the movement of monocultural/monoethnic churches in taking steps towards acquiring the characteristics of multicultural churches. In addition, this book touches on the issue of evangelism in the multicultural church. Although there is limited insight, the book describes what factors first draw different racial/ethnic people to a church and what factors cause them to stay there. All in all, this book will guide you to a deeper understanding on multicultural churches and its practices for all nations beyond ethnic/racial identities.

**Swimming Up Stream 2:
Agency and Urgency in
the Education of Black
Men: New Directions for
Adult and Continuing
Education, Number 150**

Drayton 2016-07-05 This volume is the continuation of a two-part series that focuses on salient topics and issues affecting Black males as they engage in adult education and learning. Considering the historical and current effects on the way these men participate in adult education, this volume broadens the conversations around adult Black males'

educational experiences by utilizing academic research as well as program descriptions and personal narratives with a concern for the "lived experiences." More specifically, the authors explore: the agency of Black men in carving out pathways to success, the programs that support these endeavors, and the role of civil society in facilitating or inhibiting their progress. Topics covered include the digital divide, sports, professional career development, sexuality, role of religion, college as a choice, and the Black Lives Matter initiative.

Practitioners will be encouraged to reflect on their own practices as they work toward engagement of Black males in learning communities. This is the 150th volume of the Jossey Bass series New Directions for Adult and Continuing Education. Noted for its depth of coverage, it explores issues of commo

Planner David L. Bone
2014-02-18 An all-in-one resource that helps both the music director and pastor plan the worship services for each Sunday and holy day of the year, the United Methodist Music and Worship Planner 2014-2015; is lectionary based and places at one's fingertips a calendar format that helps plan the entire choir year from September through August, reproducible worship planning forms, suggestions for prayers, solos, anthems, visuals, and much more. Also included is the complete lectionary text of the Old Testament, Psalm, Epistle, and Gospel readings, using Common English Bible

translation.

Something Seems Strange

Anthony B. Bradley
2016-09-21 Life happens at the intersection of faith and culture. Whether we are Christians or not, we all have some narrative about the way the world ought to be that shapes how we view the world and live our lives. In this book, Anthony Bradley explores those intersections in ways that analyze and direct our imaginations toward the best practices that lead to human flourishing. Economics, political philosophy, sociology, psychology, and theology are just a few of the disciplines used in an attempt to make sense of a world where things are not the way they are supposed to be. Something does seem strange about the world, but we are not left without tools and principles that we need to make life work at the intersections of faith and culture. The aim of *Something Seems Strange* is to provide a model of thinking about

Downloaded from

those intersections, so that people can lively freely according to their God-given design. Freedom of Religion at Stake Dion A. Forster 2019-11-01 How can freedom of religion protect the dignity of every human being and safeguard the well-being of creation? This question arises when considering the competing claims among faith traditions, states, and persons. Freedom of religion or belief is a basic human right, and yet it is sometimes used to undermine other human rights. This volume seeks to unpack and wrestle with some of these challenges. In order to do so scholars were invited from different contexts in Africa and Europe to write about freedom of religion from various angles. How should faith traditions in a minority position be protected against majority claims and what is the responsibility of the religious communities in this task? When does the

state risk overstepping its boundaries in the delicate balance between freedom of religion and other human rights? How can new voices, who claim their human rights in relation to gender roles, reproductive rights, and as sexual minorities, be heard within their faith traditions? These are some of the questions that are raised by the authors. This is a book for all who are engaged in faith communities, leaders as well as people trying to be recognized. It is also important reading for all interested in international legal frameworks for freedom of religion, state advisers, and human right defenders.

The Korean War and Postmemory Generation Dong-Yeon Koh 2021-07-31 This pioneering volume navigates cultural memory of the Korean War through the lens of contemporary arts and film in South Korea for the last two decades. Cultural memory of the Korean War has

subject of persistent controversy in the forging of South Korean postwar national and ideological identity. Applying the theoretical notion of "postmemory," this book examines the increasingly diversified attitudes toward memories of the Korean War and Cold War from the late 1990s and onward, particularly in the demise of military dictatorships. Chapters consider efforts from younger generation artists and filmmakers to develop new ways of representing traumatic memories by refusing to confine themselves to the tragic experiences of survivors and victims. Extensively illustrated, this is one of the first volumes in English to provide an in-depth analysis of work oriented around such themes from 12 renowned and provocative South Korean artists and filmmakers. This includes documentary photographs, participatory public arts, independent women's documentary

films, and media installations. The Korean War and Postmemory Generation will appeal to students and scholars of film studies, contemporary art, and Korean history. **Days of Awe** Atalia Omer 2019 For many Jewish people in the mid-twentieth century, Zionism was an unquestionable tenet of what it meant to be Jewish. Seventy years later, a growing number of American Jews are instead expressing solidarity with Palestinians, questioning old allegiances to Israel. How did that transformation come about? What does it mean for the future of Judaism? In *Days of Awe*, Atalia Omer examines this shift through interviews with a new generation of Jewish activists, rigorous data analysis, and fieldwork within a progressive synagogue community. She highlights people politically inspired by social justice campaigns including the BLM

Lives Matter movement and protests against anti-immigration policies. These activists, she shows, discover that their ethical outrage at US policies extends to Israel's treatment of Palestinians. For these American Jews, the Jewish history of dispossession and diaspora compels a search for solidarity with liberation movements. This shift produces innovations within Jewish tradition, including multi-racial and intersectional conceptions of Jewishness and movements to reclaim prophetic Judaism. Charting the rise of such religious innovation, Omer points toward the possible futures of post-Zionist Judaism.

**A CALL TO ACTION:
Practically Reversing
the Trends of Mass
Incarceration** Dr. Herron

A Call to Action By: Dr.
Herron Keyon Gaston A
Call to Action:
Practically Reversing
the Trends of Mass

Incarceration explores and establishes a blueprint for United Methodist Churches based on the current Mission Plan for Restorative Justice Ministries (MPRJM). This Mission Plan could be used internally or externally within the United Methodist Church and beyond to begin to deal with the issues associated with the large numbers of persons leaving the prison system and reentering communities where the connectional system of the United Methodist Churches is established, and where other church denominations are in general, to assist retuning prisoners with reentry and restorative justice programs and ministries. A Call to Action is for the United Methodist Church to use its historical work in this area along with its unique reformatory connectional system. The United Methodist Church is poised to lead in this area because of its creed, structure, and connectional emp

mission work, outreach, and methodical steadfastness to deliver and foster justice and the restorative process among former prisoners. The Summerfield United Methodist Church Prison Reentry Model in Bridgeport, Connecticut, was identified as one of the unique prison reentry and restorative justice type programs to further explore this initiative. Using the Summerfield model as a starting point for this project, Gaston invited parishioners to participate in focus group sessions in May 2017. A group of twenty-five parishioners of varying socioeconomic backgrounds volunteered to participate. The main discussion centered on the current prison fellowship ministry and whether members believed that they were making a difference in their own community. This book has implications for the ministerial practice for dealing with those who have transgressed – and how the United Methodist Church must use its

spiritual and connectional resources to reform, redeem, and restore formerly incarcerated individuals back to God and to humanity.

2015 Classic United Methodist Program

Calendar 2015-06-01 "I use the Classic, spiral bound 8.5 x 11 version. I like it for having a fuller calendar at my disposal and to know all the UM events, special Sundays, and other important seasonal and liturgical information. The UM Calendar is much more useful than a generic calendar for all the information, resources and UM specific events that are listed. My favorite feature is the full calendar for the following year, so that for planning purposes I know when Lent begins, Easter is, and what day Christmas falls. I get extra copies and distribute them to my planning team, worship team and other staff." – The Rev. Dr. Bruce A. Jones, senior pastor, La Plata UMC in La Plata, MD

(Md.) This is the horizontal and spiral, 11" x 8.5" calendar. There's a reason planning and worship teams depend on the CLASSIC calendar. IT HAS EVERYTHING! Agency contacts/web sites, information services, interdenominational services, Revised Common Lectionary readings, liturgical colors, next year's events, planning/resource checklists, special days, a three-year calendar, the United Methodist giving program and pages for notes. The 2015 theme for the Official United Methodist Program Calendar is transformation. The compelling stories featured in the insert in the 2015 Classic and Standard calendars are catalysts for both personal and denominational reflection. Bishop Bruce Ough, president of the Connectional Table, asks United Methodists to seek people "from the outskirts of hope" and invite them to the

"center of God's beloved community." United Methodist Program Calendars serve not only as organizational and communication tools, but as reminders of our commitment to do God's work. Please fill your calendar pages with ministries that change the world, events that answer the needs of your community, names of people willing to be "on call" for God's good, and with notes reminding you of why you do what you do as a United Methodist.

They Didn't See Us

Coming Lisa Levenstein
2020-07-14 From an award-winning scholar, a vibrant portrait of a pivotal moment in the history of the feminist movement From the declaration of the "Year of the Woman" to the televising of Anita Hill's testimony, from Bitch magazine to SisterSong's demands for reproductive justice: the 90s saw the birth of some of the most lasting aspects of contemporary feminism. Historian Lisa Levenstein tracks

time of intense and international coalition building, one that centered on the growing influence of lesbians, women of color, and activists from the global South. Their work laid the foundation for the feminist energy seen in today's movements, including the 2017 Women's March and #MeToo campaigns. A revisionist history of the origins of contemporary feminism, *They Didn't See Us Coming* shows how women on the margins built a movement at the dawn of the Digital Age.

Decolonizing Mission Partnerships

Taylor Walters Denyer
2020-06-26 We all know that healthy partnerships are essential to fruitful boundary-crossing ministries, but how exactly do we create them? What barriers must be overcome, and what

self-examination must we do? How do the legacies of colonialism, racism, and unhealed trauma impact missional collaborations today? In this doctoral thesis, Denyer reflects on these questions as she examines the history of relational dynamics between American and Congolese United Methodists in the North Katanga Conference (DR Congo). By surveying memoirs, magazines, and journals, and conducting in-depth interviews, Denyer presents a complex and multifaceted example of a partnership that is in the process of decolonizing. More than just a history lesson, *Decolonizing Mission Partnerships* presents the questions, hard truths, pitfalls, and toxic assumptions we must face when attempting to be in mission together.
