Bamboo Kingdom #1:
Creatures of the Flood
Erin Hunter 2021-09-28
One kingdom. Three worlds. An all-new series packed with high-stakes adventures from bestselling Warriors author Erin Hunter, perfect for fans of Wings of Fire and Endling. The pandas of the Bamboo Kingdom have never forgotten the great flood that ended the peaceful life they'd always known. But for three young creatures born that day, the flood marks not an end, but a beginning—the beginning of their struggles to find a place in very different worlds. Leaf, raised in the sparse Northern Forest, works tirelessly to help her family find bamboo to eat; Rain, hot-tempered,

refuses to accept a suspicious new leader in her Southern Forest community; and Ghost, clumsy and uncoordinated, worries he'll never fit in with his hunter family in the mountains. None of them know that the others are out there, but thanks to a mysterious tiger that's been threatening the Kingdom, they will soon find each other—and fulfill a prophecy that had been made long before they were born. This first book of a thrilling new animal adventure series from Erin Hunter is sure to enthrall readers of her other bestselling series. Fans will love having a new universe to immerse themselves in!

A Merciful Fate Kendra Elliot 2018-12-15 In the next book in the Wall Street Journal bestselling Mercy Kilpatrick series, there are no such things as little secrets... Raised by preppers, survivalist and FBI agent Mercy Kilpatrick has a deep-rooted need for a safe place. Her getaway in the Cascade Foothills is her secret. But when

skeletal remains are unearthed--those of a murdered man linked to a notorious heist--Mercy realizes she isn't the only one with something to hide. Thirty years ago, an armored-car robbery turned deadly. The mastermind was captured. Four conspirators vanished with a fortune. One of them, it appears, never made it out of the woods alive. For Mercy and her fiancé, Police Chief Truman Daly, their investigation opens old wounds in Eagle's Nest that cut deeper than they imagined. Especially when a reckless tabloid reporter draws fresh blood. It's clear to Mercy that somebody in this close-knit community is not who they seem to be. Some are still shattered by the heist. Some still have reason to be afraid. But which one

will kill again and again to hide three decades of secrets? To land this case, it's up to Mercy to unmask a familiar stranger before someone else dies.

Ratha's Creature Clare Bell 2014-04-01 One brave feline, exiled from her clan, must fight to survive in this PEN Award-winning author's epic fantasy adventure about a tribe of prehistoric cats. Twenty-five million years in the past, a clan of sentient, prehistoric big cats called "the Named" have their own language, traditions, and law. Led by Meoran, the Named herd horses and deer for food. They keep order and peace, fending off predatory raiders—the UnNamed—from all sides. But, the battle has taken its toll, and the Named are skirting the edge of survival. Much to the displeasure of Meoran, a young female named Ratha discovers a powerful defense against the UnNamed. She calls it "the Red Tongue," and

it is a creature of incredible power. Red Tongue is fire, a force of both life and destruction that must be at once nurtured and tamed. Sensing that Ratha's mastery of fire threatens his power, Meoran banishes her from the clan. As she travels out amongst the savage UnNamed, Ratha learns about both them and herself. But, her tribe needs her. Can she return? Will the Named survive constant attacks without the Red Tongue? Will the power of the Red Tongue change the clan forever? Acclaimed author Clare Bell crafts a serious coming-of-age story filled with adventure, triumph, and heartbreak. Perfect for readers of Jean M. Auel's *The Clan of the Cave Bear*, Ratha's Creature will have readers hooked and clamoring for more stories of these big,

noble cats.

The Gene Keys Richard Rudd 2013-05-09 The book begins by introducing the reader to a fantastic possibility - that humanity may be on the verge of a major shift in consciousness rooted in a new understanding of how our DNA operates - namely that it is programmed directly by the way we think and feel. This is a highly ambitious and sophisticated system for shaping one's destiny. Based around 64 archetypes, it resembles the I Ching in its vast scope and profound importance, and in the resonant character of its symbolism. The author shows how there are two ways to approach the Gene Keys - the analogue (holistic) way and the digital (detailed) way. It is the combining of both analogue and digital that results in

contemplation - the primary pathway into the Gene Keys. Since our beliefs shape our genes, when we change our beliefs, we change the chemistry of our body. The Gene Keys are an inner language whose central purpose is to transform our core beliefs about ourselves, thus raising our lives onto a new level of awareness. The book works alongside state-of-the-art online profiling software. This software will provide instantaneous free profiles known as 'Hologenetic Profiles', which uses astrological data (time, date and place of birth) to generate a unique sequence of Gene Keys that relate to many aspects of your life, including the underlying genetic patterns governing your relationships, your finances, your health

and your life purpose. As the reader contemplates the 64 Gene Keys over time and applies their insights in his or her own life, so one's belief system will begin to change and our DNA will actually start to transform the way we think and feel. *Warriors: The Broken Code #2: The Silent Thaw* Erin Hunter 2019-10-29 The #1 nationally bestselling Warriors series continues!
